

MINISTERS AND CHURCHES

Rev H. L. Robertson spent Christmas with Rev. J. A. Owens and Mrs. Owens. Bro. Robertson led the prayer-meeting on Wednesday night.

Rev. F. A. Dunlop of Marysville and Rev. L. T. Sabine of Fredericton, were heard over the air speaking from Fredericton recently.

Rev. C. R. Hagerman wishes to say that he has finished his services at Perth for the present, and is ready to engage in evangelistic or supply work anywhere the brethren can use him. His address is Perth, N. B.

A letter from Rev. H. C. Mullin states that he and his family are enjoying good health and are praising the Lord for his blessings.

We had a good letter from Rev. W. E. Smith of Somerville, Mass., recently. He is still praising the Lord for victory. He and Mrs. Smith are quite well, but Mrs. Tracey, Mrs. Smith's mother, is very poorly.

The pastor of the Moncton church was given a genuine surprise at the close of the prayer-meeting on Tuesday evening, Dec. 18th, when Brother A. G. Good in behalf of the church and congregation, presented us with a very generous purse of money and the following address. All for which we are very grateful and feel so unworthy.

TO: Reverend H. S. Dow,

Dear Pastor: Once again, through the loving kindness of our Heavenly Father, we are permitted to see the closing of another year—a year that has been filled with trials and difficulties for both pastor and people, and sometimes we think that your greatest trial has been in putting up with us but, be that as it may, we feel that you have done your best in administering to us in Holy things.

Your labor among us has been one of love; your messages have come to us freighted with cheer and hope, and your fervent prayers have strengthened our faith in God.

Since your coming among us we can see an improvement in all our services and we feel that your labor in this part of the Lord's vineyard has not been in vain. Only eternity will reveal the good you have done.

In conclusion, we would ask you to accept this purse as a slight token of our appreciation of your faithful efforts in the interest of our church and Sunday School.

We wish you and yours a Merry Christmas and a bright and prosperous New Year.

Signed on behalf of the Reformed Baptist Church and Sunday School:

ARTHUR DEADMAN,
J. W. WEIR.

The church at Moncton is enjoying the blessing of the Lord financially, as well as spiritually. Through the generosity and sacrifice of the people they were able to reduce the mortgage on their church one third recently, and the remaining two-thirds is all subscribed.

Rev. H. C. Archer was able to be up and have Christmas dinner and hopes to be around again in a few weeks.

We are asking all the preachers' wives to write an article for the Highway in the coming year, so this is the first notice we serve on them. Now get your articles ready and send them in as soon as possible, and we will have them appear in the columns of the paper, one for each issue. We expected one from Mrs. W. B. Wiggins for this issue but it did not arrive in time, so we will expect it for next issue.

We want to thank all those who have sent in their renewals the last month, and we hope many more will renew right away and thus begin the new year right.

MARRIED

"What therefore God hath joined together let not man put asunder."—Mark 10-9.

A quiet wedding took place on Wednesday evening, Dec. 19th, when Elda May Hill, daughter of Mr. and Mrs. Arthur Hill, of Hartland, N. S., became the wife of Clarence J. Mullen, of Havelock. The ceremony was performed by Rev. H. C. Mullen in the presence of a number of the immediate relatives of the bride and groom.

An event of much import to the happy couple took place at 3.15 George St., Fredericton, N. B., on Saturday, Dec. 22nd, when Rev. L. T. Sabine united in marriage Mr. Ralph Barr, of Keswick, and Miss Helen Graham, of Springhill.

In the evening a reception was held at the groom's home where their many friends gathered to present gifts and extend best wishes and congratulations. We wish them much happiness.

Hawkins—Blaney

The home of Mr. and Mrs. John Blaney of Hawkin's Corner, was the scene of a very pretty but quiet wedding, when their daughter, Bertha Helen, was united in marriage to Harold Lee, son of Mrs. Wm. Hawkins, of Maple Wood.

The ceremony was performed at three o'clock Wednesday, the 19th of December, by Rev. S. G. Hilyard, A. B., in the presence of relatives and a few friends. The single ring service was used. The home was decorated with evergreens.

The bride was dressed in blue crepe with accessories to match.

At 5.30 a sumptuous supper was served to the guests.

To this young couple we give our heartiest wishes for a long, successful life.

CORRESPONDENCE

Dear Brother Dow:

I see by the label on my Highway it is a little past the time for my renewal, so while sending mine I felt I would like to make a Christmas gift to some one for a year that cannot afford to take it any longer, and I leave that with you, as you would know best. I can truly say I love the Lord with my whole heart this morning, and I feel like walking a little closer to him this coming year than ever before as we can have him in the storms as well as in the fine weather, as his salvation just fits every need, so I want to praise God for the greatest gift that was ever given to this world—the Child Jesus—and may we not forget him at this time of year.

Wishing you and all Highway readers a Happy New Year.

Yours in Christian love,

AARON F. CHURCHILL.

Sandford, N. S.

NOTE

Brother Churchill is setting a good example for others to follow who want to make it possible for some people to have the Highway who feel that they are not able to subscribe for it, and there are many who write and say they would like to take it but are not able because money is so scarce with them. We hope that many others among our subscribers will do as Brother Churchill has done, and thus be a blessing to others. Thanks.—Editor.

Rev. H. S. Dow,

Ft. Wayne, Ind.

Moncton, N. B.

Dear Brother Dow: Greetings in the name of Jesus. I am writing you on behalf of Rev. Howard Paschal who is pastor of the Old Time Religion tabernacle here in Ft. Wayne. I was showing him an article in one of the Highways and he wondered if you would exchange papers with him? I am sending under separate cover some of the issues of our paper, "The Old Time Religion Sky Pilot." This paper is published every other week and I'm sure that you would like it.

The Lord has been blessing our work here in Ft. Wayne, over the radio and in evangelistic meetings. We give Him all the praise.

We enjoy the Highway but often wish that there were some R. B. Churches a little closer so that we could enjoy the fellowship one with the other. We have a little bit of everything out here along the religious line—Tongues, Eternal Security and what not. I noticed, while at home this summer that you have your share of it there.

Well, I must close. May the Lord bless you in your work throughout the coming year.

Wishing you a Happy New Year.

Your brother in Christ,

CARL J. PARLEE

Once we have loved we never lose.

That is not love which can forget,

Through loss and loneliness and grief

This gem is as its coronet,

That true love never can forget.
