

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

A letter from Rev. H. C. Mullen says they are all enjoying good health, and that he has been preaching every Sunday except one since Beulah. He has been preaching at Yarmouth, N. S., and also supplying some for other brethren. He is open to calls to assist any of the brethren, I presume. Brother Mullen is a good preacher.

Rev. J. A. and Mrs. Owens have closed a helpful series of special meetings at Gordonsville, and are now in meetings at Lower Brighton.

Rev. S. G. Hilyard B. A. reports the work going on steadily and encouragingly on the Millville circuit.

Rev. S. A. Mullen of Meductic, has regular preaching services at Debec, N. B., where he held a very successful tent-meeting in August.

A letter from Lic. Charlie Sanders, pastor at Westchester, N. S., reports good meetings with the blessing of the Lord present.

We thank all those who have responded and sent in their renewals. Whereas some have not been able to pay up in October but want a little more time we are extending this special offer through November, viz, \$1.00 a year to Canadians and \$1.25 for those in the United States, if they pay up. Be sure to put street address on all mail for King's Highway, 237 Weldon Street, Moncton, N. B.—Editor.

The Editor of the Highway had the privilege of attending a week-end rally at Marysville and spoke to good congregations on Sunday morning and evening, October 14th. Rev. F. A. Watson preached an excellent sermon on Sunday afternoon. Rev. H. E. Mullen preached the preceding Friday and Saturday evenings, and was much enjoyed by the people. Several seekers were at the altars during the services, and were definitely blessed, and testified to being reclaimed or sanctified. Rev. F. A. Dunlop the pastor there much appreciated by the people, and is meeting with good success in his work there, and also at Mount Hope. The outlook for the work there is good. Rev. F. A. Watson, pastor of Fredericton church is taking a leave of absence for a few weeks to assist some of the other pastors in revival meetings. He goes first to New Tusket to assist Rev. F. A. Anderson and then to St. John with Rev. H. S. Mullen. Rev. F. A. Dunlop and Rev. L. T. Sabine will supply for brother Watson at Fredericton in his absence.

We hear good reports from the church at Seal Cove. The pastor, Lic. Bennett Cochrane is being well received, and is having large congregations and the work is going well.

The fall Quarterly Session of District No. 1 will convene with the Church at Marysville, Nov. 15th to 18th inclusive. Let each church send a delegate. We urge that each church send in a written report, as several churches failed to do so last time.

J. A. OWENS, Secretary

The Quarterly Meeting of District No. 2 will convene with the church at Moncton on Thursday, Nov. 22nd. Let all the churches send delegates and letters.

THE PRICE OF FREEDOM

"The truth shall make you free" (John 8:32). There is no other way to freedom. It cannot be obtained by craftiness nor in exchange for empty promises. Dealing in truth about the past is the only way. Zacchaeus found that dealing in the truth is rugged business. To make himself square with the truth he had to make restitution to those he had defrauded in his business of tax collecting. He rose to the demand. He would restore four-fold. More, he would now strip himself of half his property to make some amends for his past neglect. He probably would have given his utter all if it had been required. What a cord-breaking experience Zacchaeus had! Sin's cords do bind and hold, and many settle down and give up the struggle to be free. But in Jesus there is liberty.—Selected.

"A man is not justified by the works of the Law, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the Law: for by the works of the Law shall no flesh be justified." (Gal. 2:16).

We thank all who are so sacrificially contributing to the mission work. We are in need of \$75.00 to balance note for the Sterritt building in Africa. Has not some person or persons some money that ought to be in the Lord's work who will make the necessary offering to satisfy this present pressing need?

I sometimes wonder if we all bear to the throne of God the cause of foreign missions as we ought. Let us pray and give as God would have us.

HIS OWN

They borrowed a bed to lay His head
When Christ the Lord came down;
They borrowed an ass in the mountain pass
For Him to ride to town;
But the crown that He wore and the cross
that He bore
Were His own—
The cross was His own.

He borrowed the bread when the crowd He fed

On the grassy mountain side;
He borrowed the dish of broken fish
With which He satisfied;

But the crown that He wore and the cross
that He bore

Were His own—
The cross was His own. —Selected
