

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

The special meetings being held at Hartland by Brother Owens, assisted by Brother Hollis Kimball, closed Sunday night, May the 6th. Several were converted or reclaimed and the Church was much strengthened.

Rev. H. S. Mullen reports good interest at Saint John with 45 out to prayer meeting recently.

Rev. C. Ray Hagerman is at present supplying for the Nazarene church at North Attleboro and is still open for a call to our work as pastor or evangelist. He expects to attend Beulah camp meeting. His address is North Attleboro, Mass., General Delivery.

Rev. S. G. Hilyard, B. A., expects to begin special meetings at Maple Ridge on May 20th to June 3rd, with Brother George DeLong as evangelist.

Lic. E. S. Cosman has declined a call to remain as pastor of the Church at Amherst, and says that he is open for a call to evangelistic or supply work after Beulah.

Brother Cosman reports a good meeting with Rev. F. A. Dunlop as evangelist, which closed Sunday, April 29th.

Lic. Arthur Deadman supplied for Rev. H. S. Dow at the Moncton Church on April 29th. His messages were much appreciated by the audience.

Brother Rogers was with us at our Brookville prayer meeting last Wednesday. Although our membership is small, I counted twenty testimonies. We have organized a Sunday School at Brookville, which we believe will be a big help to our work there.

Yours in Him,

HARVEY J. S. BLANEY

Rev. P. J. Trafton baptized five candidates Sunday, May 6th, and received four of them into church membership the same evening.

PERSONALS

Miss Laura Mullen has been a patient at the Yarmouth Hospital. She underwent an operation for appendicitis. She is recovering nicely.

Lloyd Churchill, of New York, has been on a two weeks visit with his family in Port Maitland; he returned on May 11th.

Mrs. George Michael, of Sandford, N. S., who was seriously ill for some time, has now quite fully recovered.

Mrs. Clayton Churchill, of Port Maitland, is recovering from a serious operation. She was a patient at the Yarmouth Hospital.

Rev. H. C. and Mrs. Archer were kindly remembered by a birthday party held recently by the people at Beals in the auditorium of the High school building. They both received gifts which they appreciated very much.

We are sorry to hear that Mrs. Vella Cleaves of Easton, Me., the daughter of Mrs. T. W. Whitten of Woodstock, has been quite ill recently.

Also Mrs. Ziba Orser, of Hartland, N. B., and their daughter Evelyn, have been confined to their home through sickness for a few weeks. Let us remember these afflicted ones in prayer.—Editor.

The young people of the church and congregation of Moncton are keeping busy in the good work. They hold an open air meeting on the street Saturday nights and also Sunday afternoon after Sunday School. And the Lord is blessing them in their efforts.

Many people are planning to attend Beulah camp meeting this year. Those who have attended in previous years always want to get there again. And many who have never been there, but have heard of the good meetings and great singing and beautiful scenery, are anxious to go. We are sure that they will all be pleased with the meetings this year. We are expecting a great time. Let us all pray much and believe God for a great camp-meeting.

SUNDAY SCHOOL CONVENTION

The Sunday School Convention of District No. 2 will convene with the church at Salem, May 25, at 2:30. Will the Sunday School please send delegates.

SPECIAL NOTICE

We wish to thank all who have so nobly contributed to the support of our mission work, both at home and foreign field, and ask God's blessing upon you and upon the workers in Africa who have toiled so faithfully.

We especially mention the missionaries in Africa who are receiving nothing except meagre salaries (save now and again a few dollars to Faith).

In order to keep up these salaries we are in positive need of at least three hundred dollars by the first week in June. Dear friends, we must at least do this. They are also greatly in need of money for school, auto and general repairs of mission stations, as well as funds for medicine, surgical dressings etc., for the injured. All these needs have been for some time, supplied by our missionaries themselves.

Please respond with at least \$300 for foreign salaries and as much more as possible. Thank you.

L. T. SABINE, Treasurer.

APPRECIATIONS

It would be impossible to personally acknowledge the numerous messages and letters, expressing loving sympathy and assurance of prayers, in this our sore bereavement.

Each letter bears wonderful tributes to the life and devoted labors, of our dear one, all of which we appreciate most deeply. To the brother ministers for the sacred services rendered and for their words of comfort we extend sincere gratitude.

The beautiful floral tokens from churches and friends were greatly appreciated.

The kindness shown us by the people of Plaster Rock shall never be forgotten.

A short visit from Rev. G. A. Rogers of Fort Fairfield, was very welcome. His words of comfort and prayer blessed our souls.

May Heaven's richest blessings rest and abide upon all who are remembering us at the throne of grace, is our prayer.

We were overwhelmed by the shock of our great loss, yet the presence of the Divine Comforter was very real; His grace is sustaining us and His tender love surrounds us, and we can truly say "the anchor holds within the veil."

SUNDAY SCHOOL CONVENTION

The next Sunday School Convention of District No. 1 will meet with the Church at Brookville, Carleton Co., on Friday night, June 8.

We are thankful to all those who have responded to our appeal for renewals. Also to the brethren who have collected and sent in several dollars, viz., Rev. P. J. Trafton, Rev. S. G. Hilyard and Brother Donald Cochrane. Several also have sent their offerings to the Supplementary Fund, for which we say, Thank you, and the Lord bless you. There are several who are several years in arrears. We sincerely wish that they would send in these amounts before we make out our reports for the year. We need this money to carry on the work of the Highway.
