## NOTE

Brother John F. Bullock, who for many years has been a prominent figure at our camp meetings at Beulah, and whom many of our readers knew as organist at the meetings there, passed away at his summer cottage at Brown's Flats on Friday, Aug. 3rd.

His obituary will appear in next issue of the Highway.

Obedience affords us a basis for transacting business with God.

## NOTES FROM BEULAH

Just a few lines from us to report the work here. We are pleased to have the opportunity of remaining on the Camp Ground this year.

Since the Camp Meeting closed the regular services have been continued as usual. The mid-week prayer meeting as well as the preaching services on Sunday have been well attended. It is good to find people on their vacation who do not leave their religion at home. Sunday School is held every Sunday afternoon where the young and old gather to study the word of God.

A number of clergymen are on the grounds. Rev. H. E. Thomas, of Saint John, is at his cottage during the week.

Rev. P. C. Read, of North Bay, Ont., is spending his vacation here. He preached for us Sunday evening, July 22nd.

Rev. L. T. Sabine has the Beulah store. Rev. C. R. Hagerman is here yet; he is waiting for orders to take up work wherever the Lord may lead him.

We expect Rev. H. E. DeWolf, of Andover, N. B., to arrive August 3rd with his family to spend their vacation here.

A number of our people are also on the grounds, viz., Mrs. Baker, Mrs. MacCallum and son, Mrs. Short, Mrs. Wiggins, Mrs. Barr and Mrs. Horncastle.

About all the cottages are occupied, and some people have arrived at the Dormitory. We expect others soon.

A good place here to spend a vacation where there is good religious atmosphere. We find plenty to do in caring for the grounds and looking after the services, which we enjoy very much.

Yours in the work,  
July 27th, 1934. H. C. ARCHER

## RIVERSIDE CAMP MEETING

The value of a camp meeting like Riverside at Robinson's, Maine, cannot be estimated in dollars. The high order of scriptural preaching, and inspirational singing are sure to have a very uplifting influence on the community in general, besides the definite blessing that it brings to many individual souls. The visible results of such a meeting are not always as large as would appear at some other meetings where a lower standard of living, and experience is preached, but God has promised that His word shall not return void, so it is our business to "Preach the Word." The first few days of the meeting were wet and cold, and the attendance was small, but Sunday brought a large crowd especially at the afternoon service, in spite of unpleasant weather. Then as the weather improved and warmed up the attendance increased until the last Sunday, when some said we had the largest attendance that we ever had. The preaching by our evangelist and the other brethren was good and the singing was an inspiration to all, and many were the testimonies to help and blessing received.

H. S. DOW

We would like to thank, through the Highway, those who gathered at the parsonage to welcome us on the night of our arrival here. The evening was spent in conversation, after which refreshments were served by the sisters present. These people did not come empty handed but brought a generous supply of groceries, also a sum of money. We also want to thank those who have remembered us since then with gifts of money, wood and vegetables.

We thank God for His many blessings, and pray He will bless our labours together with His people in this part of the field.

MR. AND MRS. F. A. ANDERSON
