

CORRESPONDENCE

Dear Brother Dow:

Please find enclosed \$1.50 for Highway. I could not do without this wonderful paper for it is a blessing to my soul, as I read of the good work. Jesus is precious to me for He brought me out of the miry clay and set my feet upon a rock, and put a new song in my mouth even praises unto God.

MRS. F. C. SULLIVAN

Dear Brother Dow:

Inclosed please find Postal note for one dollar and fifty cents (\$1.50) for the renewal of my subscription. We surely enjoy reading this clean-cut paper and we pass them along to our neighbors.

We are very glad to have Brother and Sister Kierstead in our town and greatly enjoy having them meet with us in our prayer meeting and Sabbath School.

Your Brother in Christ,

WM. POST

Dear Highway:

Greetings in Jesus' name. We can report victory this morning. Jesus still saves and sanctifies. We are having a good time in the service of the Lord. Our services all are times of refreshing from the presence of the Lord. Some have found their way to the altar of prayer of late and the new voice in testimony sounds good. We thank God for people who know God and stand by come, work, pray and push like these dear people do here.

Last Wednesday evening the 17th the members of the church and congregation came to the parsonage and nearly filled the same. A very pleasant evening was spent in social chat and singing. Our male quartette sang three selections which were much enjoyed by all. About 10.30 the pastor and wife were asked to please step forward and deacon H. K. Ingersoll on behalf of the church expressed the appreciation and gratitude of the church for their labors amongst them since last July. He said, "We feel that your ministry has been a blessing. The attendance increased, all the services have been times of blessing, and the whole spiritual life of the church has been quickened. Before he finished he presented them with a purse amounting to twenty-six dollars. We tried to thank them but words failed, of course, to express our thankfulness to these dear people for this, another token of their love. We then offered prayer thanking God for His goodness to us. We realize that He is back of all these things. Praise Him. The sisters then served refreshments which proved to us all their splendid cooking. May God bless them and help us that we may feed them on the finest of the wheat spiritually while they thus so generously and willingly provide for the natural. Some has been handed in since, thus adding to figures given above.

We also want to thank all who shared in making our Christmas a blessed and happy one. Expressions of love were sent to us through cards, letters, cash and a lovely large turkey. Our Christmas services were times of blessing and

we ended up the old year with two at the altar. We pray God for all the Highway readers that this may be the best year of your lives. We have been glad to have Brother and Sister C. P. Philipps of Woodstock, with us over the last Sunday. We enjoyed their fellowship with us in our home and also in the church services. Brother Hollis Kimball stopped with us last night on his way to N. S., expecting to return Friday to go up to Hartland, where he begins special work Sunday the 28th.

May the blessing of the Lord rest upon all who read these lines. Pray for us.

Yours in Him.

Dear Highway Friends:

Greetings in Jesus' name.

I am on my return journey to Wood's Harbour. Have been home since a few days before Christmas. The weeks have gone by all too quickly—but such weeks as they have been! Only God knows what they have meant to me; a little foretaste of the great home gathering "over yonder". Where we will no more see "darkly" but see Jesus "face to face". Praise God for that hope which is as an anchor to my soul this morning. He is very precious to me. When fears come lurking around, the sunshine of His presence bids them flee. "Thou wilt keep him in perfect peace, whose mind is stayed on Thee. Trust ye in the Lord for ever; for in the Lord Jehovah is everlasting strength." "Lo I am with you always even unto the end of the world." Bless God! His promises are sure.

The Sunday before I left Wood's Harbour I had a pleasant surprise. At the close of the Sunday School the Deacon, (Mr. Thomas Sears) with a few well chosen words, presented me with an envelope of money and a beautiful Testament from the church members and friends of Wood's Harbour, and a box of delicious cake from one of His saints. May God's blessing be upon these dear people as they thus seek to lay up their treasure above. All the way home my path was strewn with blessings both temporal and spiritual. God, Who doeth all things well, knew of the (then) future needs, and speaking to His stewards' hearts, they opened of their treasures so that before I called He answered.

I have heard from the work since I left. Reports of good and not of evil. God has blessed them. They have continued the services when the weather permitted, and the Lord has been with them as He promised.

Friends, now that I am returning I covet your prayers more than ever, that precious souls may be freed from Satan's bondage. And the believers firmly established, so that having done all, they may "stand".

"My soul, wait thou only upon God; for my expectation is from Him. He only is my rock and my salvation: He is my defence; I shall not be moved."

Yours in Jesus.

GRACE M. E. SANDERS

Dear Brother Dow:

I am enjoying the Highway much, it has been in my home almost all my life and is like a letter coming from home, as my precious father and mother, (Mr. and Mrs. Albert Tracy), of Waterville, N. B., were Charter members or pioneers in the Reformed Baptist movement, but spending their later years here in San Diego, where they both passed away a number of years ago. My brother and sister and I were raised in the Reformed Baptist church there, and afterward lived in Mass. But my sister passed away, my brother and wife, (Rev. L. S. Tracy), are

spending their third term in the Mission field in India, he being Supt. of the Nazarene Missions in India and I am here in San Diego, a member of the University Ave., Nazarene church, helping to push the work here for the Salvation of souls and true Holiness.

I often wish I could run into your camp meeting at dear old "Beulah" some time, how I would enjoy meeting many old faces and enjoy fellowship with you all.—The Traftons, Bro. Frank Watson, Bro. Archers, and many other old timers of the early movement.

God bless you in the work and may Holiness be kept raised high in the Reformed Baptist movement and the "Highway" be always kept a clean Holiness paper, is my prayer.

I am happy in my soul and enjoying the "Blessing".

MRS. F. C. SMITH

Dear Highway Readers:

We were again reminded of the kindness and thoughtfulness of the people of Seal Cove on Wednesday evening, January 10th, when over a hundred persons gathered at the parsonage bringing with them all that was necessary for a pleasant evening. An excellent program which had been previously arranged for was carried out. This included singing, readings, piano duets and other instrumental music.

We not only appreciated the goodly number of young people present but their talent added much to the success of the program. The last article of the program was of special interest to us since we were included in it. Brother Henry Benson, after making an address of appreciation and encouragement, presented us with a beautiful dinner set. We tried to express our heartfelt thanks to these people who have not only given us their gifts, but their fellowship and cooperation have made our stay among them pleasant. After looking to God in praise and thanksgiving for His many blessings we were all invited to enjoy the delicious luncheon which was served. When the friends had gone we discovered the stock of our pantry had been increased with groceries and provisions.

We feel more than ever like living near to God that in all things He might have the pre-eminence.

Dear Brother Dow:

Please find enclosed two dollars, \$2.00, renewal for the Highway and 50c for Supplementary Fund. We like the Highway and have taken it from the beginning of its publication and I pass it on after reading it. I will be on this good old way next March if I live 61 years and the Lord has kept me all these years. All His promises are true. I am 80 years old.

Your Brother in Christ, saved and kept.

G. H. COLWELL

On December the 28th the Woodstock Sunday School held their annual programme. The programme was of such a nature as to insure interest and enjoyment in its every feature.

At the close of the exercise the different members received prizes and Christmas gifts from their respective teachers.

The pastor was generously and kindly remembered by a purse from the S. S. as an expression of their gratitude for our interest in the Sunday School. To say the least we did not feel worthy of such. The best of our ability fails to express our appreciation for both the gift and thoughtfulness. Where words fail we simply say a hearty and sincere Thank you all.
