

CORRESPONDENCE

Rev. H. S. Dow:

Dear Sir: Enclosed you will find money order for my renewal to the Highway. I would not like to miss a copy. I thank God for having the paper to read and re-read. It truly blesses my soul. I like to read of the work in other places. Praise the Lord. He is precious to me.

MRS. WM. BARBER

Dear Brother Dow:

Just a word to report our meeting with Brother Kimball Feb. 12-26. The services were well attended and God's blessing was upon them. Souls were saved from sin, and some walked in the light of entire sanctification. Seventeen in all bowed at the altar and claimed victory. Several of these have never made a profession before.

The church was helped and blessed by our brother's preaching. We thank God for His added blessings.

Yours in Him,

F. A. ANDERSON

Dear Brother Dow:

Am sending money order for \$3.00 on my indebtedness to Highway. Sorry to be so late with this.

Hope you and yours are enjoying good health, and above all the greatest of all blessings—companionship with Christ.

So thankful this afternoon for true riches, that fade not away, and that right now we receive the end of our faith, for where Jesus is truly it is Heaven there, neither moth nor rust can corrupt, no kidnappers can run off with our true riches, and thanks be unto Him even the depression cannot mar the perfect joy and soul rest. Oh, how grand it is, just to walk by His dear side in the way (this way). My soul says just now to you who believe "He is precious."

There is a secret, precious secret,

God has whispered to my soul,

'Tis that he will never leave me

While eternal ages roll.

Oh, glorious hope of such perfect love, it truly lifts me up to things above, and gives my hungry soul a taste and makes me for such blissful moments feast with Jesus, Priest and King. So thankful, Brother Dow, that I have learned in whatsoever state I am therewith to be content, and that Godliness with contentment is great gain.

Wishing you and Mrs. Dow the sweetest rest in Him, I am as ever your friend, saved through unmerited grace.

CASSIE GREER WILSON

Dear Brother Dow:

Please find enclosed \$2.00 for the renewal of my Highway subscription. While we are finding it hard today to make our means meet all our requirements, we feel that this is a need that we must not neglect. We need the good counsel and sound teachings it brings to us more than many other things that perhaps make a strong appeal to us. Of course we have the Bible and love to read it, and if we had no denominational or religious papers, we could find plenty in the Word of God to satisfy our souls, but these papers help us and inspire as we find them in harmony with God's word in their teachings, and we believe the Holiness papers are one of God's ways in helping to spread the gospel of salvation through Jesus Christ over the earth.

Such papers when founded on the word of God, help us to understand it better and also to confirm us in our views that have already been given to us by its light. We are strengthened by one another's testimonies. I am glad that Jesus led me years ago to cast my lot among the people of God, and I believe I can honestly say today that I would rather be a doorkeeper in the house of God than to dwell in the tents of wickedness. In the issue of Feb. 15th I received great encouragement in reading the editorial on the restraining power of the Bible, also the Temperance Column of the same date. I believe when those professing to be Christians will all take their place with Christ and be Christians by departing from iniquity as we are told to do in II. Tim. 2:19, the intemperance and liquor traffic of our countries will get the greatest death blow it has ever yet received, for then the church will be real and will not want anything to do with any of the forbidden fruit, and we will see that righteousness exalteth a nation, but sin is a reproach to any people. I wonder how much longer we as a people are going to carry the reproach. Let all of God's people be true to Him and stop their traffic in the sinful business. It's an individual matter. Let us all take it to ourselves and enjoy the good results.

Yours for Scriptural Holiness,

J. W. COSMAN

Dear Highway:

I understand that some of our friends having heard of our being at Montreal for medical examination, several weeks ago, have been making inquiries concerning our health. In answer, I must say that the doctor after giving me a thorough overhauling, said he found nothing seriously wrong with me and told me to go home and get to work as soon as convenient. I am now filling in wherever I find an opportunity for service and expect (D.V.) to take up the regular work of a pastor as soon as the Lord makes known to me where He would have me settle.

I feel sure that as long as I keep my heart right and my head clear He will have "some place in earth's harvest field so wide where I may labour through life's short day for Jesus the crucified."

So I am trusting all to His tender care and expecting that He will make known in due time the place He has chosen I should fill.

A letter today from wife says she is fairly well and I know she desires to be remembered kindly to all the Highway family. Love to all the brethren in Christ Jesus.

Sincerely yours,

I. F. KEIRSTEAD
