

MINISTERS AND CHURCHES

A letter from Lic. H. S. Wilson, Jonesport, Maine, says: Please give notice that I have resigned here as pastor, and am open for a call. Also Rev. H. C. Mullen, of Havelock, N. S., writes that he is leaving that church this year and is open for a call.

Rev. Hollis Kimball supplied for Brother Mullen while he was absent at the quarterly meeting at Port Maitland on March 4th.

Rev. Hollis Kimball was present at the quarterly meeting in Saint John over Sunday, March 11th. He is on his way up to Fort Fairfield.

Rev. I. F. Kierstead, of Plaster Rock, N. B., is ready to take up pastoral work again this year. See his letter in this issue.

Let the matter of securing pastors for next year be a subject of much earnest prayer by both preachers and churches. Let all endeavour to get the mind of the Lord in the matter, whether it suits yourself or not. If God has His way, success will surely follow, for He knows our needs. Trust Him!

March 12, 1934

Dear Brother Dow:

You are giving us a good paper—keep on. Three at altar last night and one hand raised for prayer. Enjoyed a good day yesterday, though on account of storm congregations were small.

Thomas Mitchell has been at Millstream, N. B., for about six weeks. He is working in the cotton mill there. Marven Minue is also there.

Hope you are feeling O. K. and the Lord blessing you.

In haste, L. T. S.

I have resigned as pastor of the Church here in Calais and am open for a call (D.V.) for the coming year.

I have been unable to go to Crawford for meetings for over a month on account of so much snow. We expect to continue services there as soon as the roads get settled again.

Yours in Him,

E. R. BRADLEY

Rev. H. S. Mullen expects to hold special revival meetings in St. John with Rev. G. A. Rogers as evangelist, beginning March 25th.

Dr. H. C. Sanders is holding special meetings at North Head, Grand Manan, N. B., assisted by Lic. Geo. DeLong.

Rev. A. J. Owens will begin special meetings in Hartland on April 1st, assisted by Rev. Hollis Kimball. This meeting was advertised to begin on March 1st, but, the United Baptist Church put on meetings about that time so Brother Owens postponed his to the above date.

Rev. H. C. Archer of Beals Me., has resigned his duties as pastor of that church, to take office June 15th. Brother Archer has been with the Beals church for the past five years, going there from Grand Manan, where he had spent six years. He will be missed much in that district where he has spent the past eleven years.

NOTICE

Anyone desiring to wait on tables at Beulah this year will please write Rev. L. J. Sears, Westchester, Nova Scotia. Those desiring either to wipe dishes or peel potatoes will please write Rev. S. A. Mullen, Meductic, N. B.

All applications must include a stamped envelope.

PERSONALS

Brother John Golding and his wife are living in Hartland this winter. Their health has not been very good because of colds, etc., but they still retain a lively interest in spiritual things and attend church whenever possible. Sister Golding attended the quarterly meeting at Woodstock recently.

The editor of the Highway attended the quarterly meeting at Saint John over Sunday, March 11th, and was very kindly entertained in the home of Sister Trafton (the widow of our late brother, Rev. G. B. Trafton), and their son William. They are enjoying good health and the blessing of the Lord, and are looking forward to camp-meeting time at Beulah.

Brother Thomas Whitten and his wife will also be remembered as faithful attendants at our camp-meetings for several years past. We also had the privilege of seeing them in their home at Woodstock recently. They, too, are among those who are rejoicing in God's mercies and blessings, even though the outward man is showing the effects of the passing years.

We also met Brother David Phillips, who lives at Upper Woodstock. His health is not very good just at present, but we trust that with a little medical attention and rest he will soon be back to normal again. We met him at the home of his brother, Chipman, and Mrs. Phillips, who are enjoying their usual good health and the blessing of the Lord, and are still showing their interest in the Lord's work by contributing of their substance to help needy preachers and missionary work both foreign and home, and their home is always open to entertain any who come. To this fact many who have enjoyed their hospitality can testify. We are reminded that Beulah camp-meeting is only a little over three months away. Many are already making plans to attend. We are expecting great meetings at both of our camps this summer. We are expecting to have Rev. C. W. Butler, who is editor of the Christian Witness, as our evangelist for Beulah, and Rev. Roy Hollenback for our Riverside Camp in August. Both these men are outstanding preachers of the hloiness movement, and if we all pray much and do our part so God will be pleased to meet with us we will have great meetings. Plan to take your vacation so you can attend one or both camp-meetings.

A SUGGESTION

Since several of our churches have as a possession (and therefore responsible for its disposal) a High School privilege for the pastor's family, it should be given consideration when selecting a pastor. For few if any are able to board their families away from home for the purpose of High School.

We have greatly appreciated the privilege enjoyed at Marysville in this respect, and trust that the pastors' families in need of High School shall be considered by these churches.

Our family is through that course, so I can freely speak in behalf of others. I have felt this for some time but have refrained from speaking of it for obvious reasons.

L. T. SABINE

Note.—A good suggestion; hope the churches will take it into consideration.—Editor.

GOODBYE, BRETHREN

A minister in a certain town in Alabama took permanent leave of his congregation in the following manner:

"Brothers and Sisters, I came to say Good-bye. I don't think God loves this Church, because none of you ever die. I don't think you love each other, because I have never married any of you. I don't think you love me, because you don't pay me my salary. Your donations are moldy fruit and wormy apples and 'By their fruit ye shall know them.'

Brethren, I am going away to a better place. I have been called to be chaplain of a penitentiary. 'Where I go ye cannot come, but I go to prepare a place for you,' and may the Lord have mercy on your souls. Good-bye."

EVERY ONE A MISSIONARY

Every man is a missionary now and for ever, for good or for evil, whether he intends or designs it or not. He may be a blot; radiating outward to the very circumference of society his dark influence; or he may be a blessing, spreading benediction over the length and breadth of the world; but a blank he cannot be.—Chalmers.
