WORKERS

Rev. Dr. C. W. Butler, of Cleveland, Ohio, who is president of the National Holiness Association, and editor of the Christian Witness, will be the Evangelist and will preach twice daily. He will be assisted by the Reformed Baptist preachers and others.

MUSIC

will be both instrumental and vocal. The organ and piano and other instruments will be used to accompany quartettes, trios, duets, solos and singing by the congregations.

INDUCEMENTS TO ATTEND

The preaching will be of a high order on full salvation lines without any speculations or side issues—safe, sane and scriptural. We know Dr. Butler; we had him at this camp ground two years ago. He is an excellent preacher and teacher of Bible truth. The singing will be highly inspirational and helpful, and will be much enjoyed by lovers of good music.

This beautiful spot, 20 miles above Saint John City, on the River Saint John, is noted

for its beautiful natural scenery, and a place where many visitors come to spend their summer vacations. The large hotel, with its efficient staff of cooks and waiters, and its spacious dining room, where 250 can be accommodated at one time, and a large number of sleeping rooms, and also three large dormitories, provide for our physical needs. In addition to these, there are many cottages, where older folk can have a quiet room, and also space for many tents. Good spring water for drinking and cooking purposes, and a sanitary sewerage system make Beulah a very healthy place to live.

BOARD

Board reasonable, \$5.00 a week with special rates for children and Christian workers. For information write Rev. F. A. Dunlop, Seal Cove, G. M., N. B.

ROOMS

Rooms to accommodate two or four or five 50c to \$1.00 a day. For information write Revs. G. A. Rogers, Fort Fairfield, Maine, or H. C. Mullen, Havelock, Digby Co., N. S., or S. G. Hilyard, Millville, York Co., N. B., or C. R. Hagerman, Attleboro, Mass.

Plenty of parking space for autos, with a large building to house many that are staying through the entire meeting. A large laundry room with set tubs and hot and cold water.

TO GET TO BEULAH

If coming by auto, take provincial trunk Road No. 2, following Saint John River for pretty drive to Brown's Flats. If by boat from Saint John or Fredericton, buy ticket to Brown's Landing. If by train, the Saint John Valley branch of the C. N. R. runs from Centreville, N. B., via Woodstock and Fredericton to Grand View Station at Camp Ground, or from Saint John up to same station. Or come by C. P. R. to Woodstock or Saint John and change to C. N. R. Valley train to Camp Ground.

You will find everything at Beulah to make your visit pleasant and profitable. Christian courtesy, good fellowship, congenial friends, and spiritual help. Leave your dogs, cats, complaints, grievances and malice behind, and come "in the fullness of the blessing of the gospel of Christ" for a great camp-meeting and bring some one with you who needs spiritual help.
