

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

Rev. Hollis Kimball wishes to announce that he is open for a call to pastoral work for next year. He and Brother Earl Watson are holding meetings at Lepreau, Char. Co., at present. Brother Kimball is a good preacher and has been a successful pastor.—Ed.

Lic. H. A. Blaney will hold a tent meeting at Brookville, Car. Co., N. B., following the Quarterly Meeting there after June 3rd.

Rev. H. E. Mullen has had an unanimous call to remain pastor of the Millstream group of churches for another year, and will probably accept their invitation.

Rev. L. T. Sabine preached at Fredericton, N. B., in the absence of Rev. F. A. Watson, and Lic. Bennett Cochrane supplied for Brother Sabine at Marysville, N. B., on Sunday, May 20th.

A letter from Mrs. P. W. Briggs, of Island Falls, Me., speaks encouragingly of the work on their field with good interest in their services and Sunday School. She commends the churches there for their support and co-operation. She asks about the subscription price of the Highway, now that there is a discount on U. S. money in Canada; to which we reply that the price has not changed and we would be very glad indeed to receive renewals and new subscriptions even at the regular price, \$1.75 a year. We would like to hear from many more who are in arrears right away before we make up our report for the year. Thanks to all those who have responded so well to our appeals, and also to those who have given to the Supplementary Fund.

PERSONALS

We are very sorry indeed to hear that Brother Joseph Emery, of Fort Fairfield, recently has had the misfortune to lose his buildings by fire, with about all their contents, which included 6 horses, 18 milch cows, besides some calves and pigs, and all his farm machinery, and waggons, with 600 bushels of oats, several tons of hay, also most of their household furniture and clothing, etc., which meant several thousand dollars of a loss as he had only a very small part covered by insurance. I am sure that the many friends of Brother Emery and his family will sympathize with them deeply in their loss.

EDITOR

We understand that several of our churches have not secured pastors for next year yet. Every church needs a pastor whose business it is to look after the spiritual welfare of the church and people, and without such a man, the church will suffer loss, even if it is without a pastor only for a short time. For God has ordained that churches shall have pastors, and we cannot improve on God's methods. We have several men yet who are available and all are good preachers and some have several years experience in pastoral work. Among them are Rev. L. T. Sabine, Marysville, N. B., Rev. Hollis Kimball (write him at Havelock, Digby Co., N. S.), Rev. H. C. Mullen, Havelock, Digby Co., N. S.; Rev. C. R. Hagerman, address in last issue of Highway, and perhaps some others we are not sure about. Let the churches call these men at once and get settled before Beulah.

A PLEASANT AND PROFITABLE TRIP.

About 25 of the young people of the church and congregation of Moncton, most of them members of Mrs. S. G. Grass' Sunday School class, engaged a truck and drove to Salem on May 24th, where they attended the all-day meeting for the young people. Their pastor and two or three others went along with them. And they had a very pleasant and profitable time.
