"In order to grow in grace we must be much alone. It is not in society, even Christian society, that the soul grows vigorously. In one single, quiet hour of prayer it will often make more progress than in days of company with others. It is in the desert that the dew falls freshest and the air is purest."—H. Bonar.

"The only assurance of our safety as a nation is to lay our foundations as our fathers did in mortality and religion."—Abraham Lincoln.

PERSONALS

Miss Marguerite Trafton, of Port Maitland, N. S., has gone on a visit to Boston, Mass., and Newport, R. I.

Please remember our appeal to subscribers in last issue, and look at the date on your paper now.—Editor.

A letter from our good sister, Mrs. Howard Thurston, of Sandford, N. S., says: "They have enjoyed having her son, A. S. Thurston and family from Tuscalorsa, Alabama, home with them this summer spending his vacation, but he has returned to his home again where he holds a position as teacher in a school there.

Mrs. Solomon McFarlin, of Woodstock, N. B., has recently returned from a visit with relatives and friends in Conn., U. S. A.

The editor had a very encouraging letter from a good brother and sister recently who are subscribers to the Highway. Mr. and Mrs. O. F. Crosby, of Haverhill, Mass. Mrs. Crosby also sent two short poems which appear on another page, and some money for missions which we appreciate very much.

This district just closed their quarterly meeting at Weschester which was a very helpful one. Several were definitely helped in the meetings. The church at Weschester deserve a great deal of credit for the way they have carried on during the past months without much pastoral care. They have good meetings and an excellent Sunday School, and I don't know where you will find a church with members who are more willing and ready to take hold in a meeting and pray and work for the salvation of souls.—Editor.

Mr. and Mrs. Edmund Beal, of Beals, Me., spent a few days last week with Rev. and Mrs. H. C. Archer at their cottage Beulah Camp Ground.

REPORT OF SUNDAY SCHOOL CONVENTION

The Sunday School of District No. 1 met with the church at Fort Fairfield, Me., on Friday night September 7th.

Rev. Hollis Kimball occupied the chair and led the Devotional Service. Delegates were present as follows, Fort Fairfield, Frank Kimball; Gordonsville, Mrs. Nye; Hartland, Edward Dow; Millville, Rev. S. G. Hilyard; Marysville, Gertrude Cochrane. Eleven reported viz. Fort Fairfield, Crystal, Royalton, Lower Brighton, Victoria, Brookville, Maple Ridge, Woodstock, Fredericton, Hartland, Marysville. The reports were good but deplored the fact, the holiday time made inroads on the average attendance, 9 reported converted during the quarter.

Mrs. J. A. Owens sang a solo "Like Jesus Himself." This was much enjoyed by all.

A paper was forwarded by Rev. H. J. S. Blaney on "Hints for the S. S. Teacher". This was read by Rev. H. L. Robertson and was so well received, the Convention voted it be sent to the Highway for publication.

Th last Convention Rev. J. A. Owens gave an address on the "House we live in", and it was only fitting that he tells us of the "material we put into the building". We are to look well to the foundation and lay it sure. Bound our building by four walls. 1st by Purity, 2nd by honesty, 3rd Reverence. He deplored the fact of a great lack of reverence these days by young and old. The greatest example of reverence was that of Jesus Himself. 4th wall service. Be ready to receive orders and act upon them. Jesus our example served by doing good to others. We are building for eternity therefore we must put in the very best material.

Bro. Rogers spoke very highly of the paper sent by Bro. Blaney, also spoke of the homes without any family altar.

Sister Ella Slipp commented favorably on hints to teachers and on the talks on Reverence.

The election of officers resulted as follows,—
President—Edward Dow.
Vice President—B. W. Burke.
Sec. Treas.—B. M. Colpitts.

Additional members of Executive were H. C. Greenlaw., Rev. F. A. Watson and Otis Ames.

Then closed a profitable and interesting session.

R. M. COLPITTS, Secretary.

THE USE OF TOBACCO

Second. It is poison and destructive to the body and a hindrance to the progress of the soul.

Third. It is a bad example and influence before children and young people.

Fourth. It is filthy, and offensive to many who do not use it.

Fifth. It can not be used to the glory of God.

Sixth. It is one of the greatest curses in the world.

Seventh. It is contrary to Christian purity.
