## CORRESPONDENCE

Dear Highway:

By the time the Highway gets to us again I expect we will be engaged in another tent meeting at Debec. The Highway readers will remember me. Had a gracious tent meeting at Debec last fall. About twenty really got through to know Jesus Christ as their Saviour. Some great transformations took place and as far as I know they are all standing true; and standing together and standing by me as a pastor among them.

Somehow or another I feel we are or ought to at least have a great tent meeting this summer.

First reason why I feel we should have a great tent meeting and see many saved and those who have stood true all the year strengthened and built up is because of the good impression the last year's meeting has

had on the community.

Secondly we are not strangers. The strangeness has worn off and the true value of salvation has become known.

Thirdly we have a few who know how to pray. With their prayers and faith and support along these lines I feel we ought to have a much bigger and greater tent meeting at Debec this year.

We have as co-workers Brothers Blaney and Burrell Kimball. The Tedford sisters are also to be with us as helpers and singers.

We covet the prayers of all of God's people. Hope that any who are near enough to get to the services will come and help push the battle.

Meeting is to begin July the 10th or 11th.

Come if you can! Pray much that many may find God! If we get through in time, we expect to move the tent in another needy field and pitch battle there for the salvation of souls.

Dear Brother Dow:

It is drawing nigh for my renewal of the Highway for which I am enclosing two dollars, \$1.50 for the Highway and 50 cents for Mission Fund.

I surely enjoy reading its pages. I find it a help and blessing to my soul. Surely the Lord has been good to me, in these last few months especially. He has comforted my heart and mind and given me peace and joy that passeth all understanding. Bless his Holy Name forever.

I am still trusting in my blessed Saviour and expect to be true to the end by His grace that enables me to lean on His strong arm. Bless His Holy Name forever and ever.

MRS. FREDERICK LYONS

Dear Brother Dow:

Enclosed you will find check for renewal of my Highway subscription.

I have been very ill, but praise God, I am able to be around, and to attend Church again.

The Atoning Blood still cleanses from sin, and Jesus is more precious than ever.

Your sister in Christ,

MRS. ANNIE L. SIMMONS

Rev. H. S. Dow, Saint John, N. B.

Dear Sir: This is to notify you of our change of address. After the 15th inst. kindly send "Highway" to 70 Camden St.

We are so delighted with your paper that we wonder how we manage to live without it as it cannot fail to greatly bless all who read it.

Wishing you continued success in your noble work, I remain,

MRS. A. E. MORRELL

Mr. Dow: Marysville, N. B.

Dear Sir: Enclosed please find \$1.50 in payment of my subscription for the King's Highway. I enjoy reading it very much. I want to thank my Heavenly Father and praise Him for the many blessings I enjoy, especially for the great privilege of listening over the radio every morning (The Listening Post) to God's servants. I enjoy every moment of the Devotional Period and my prayer is that much good may be done and God's richest blessing rest on each one that takes part and all that are laboring to win souls for Jesus, is my prayer.

Yours in Christian love,

S. A. WALKER
