We received a letter from Amherst which states that work there is progressing rapidly under the labors of Rev. Dr. Sanders. Souls are being saved and blessed and led into the experience of holiness. The Church is greatly encouraged. Sister Sanders and Judson are there also. They are living at 136 Victoria Street East, where they will appreciate a call from any of their friends who come to Amherst.

Lic. B. Cochrane reports good meetings at Seal Cove although it is a very busy time with the fishermen there.

Lic. Judson Sanders spoke at both morning and evening services there on Sept. 15th.

A letter from Lic. Norman Sanders from Gordonsville says the work is going well there and is very encouraging. They are engaged in special meetings and both the interest and attendance are increasing. He also testifies to real victory in his own soul, and requests prayer for the work there.

The young people of Moncton church, with the pastor, will have a rally beginning on Thanksgiving Day, the 24th, to continue over the following Sunday. This is not to take the place of the regular district young people's rally which will be held at Amherst at the time of the next quarterly meeting, which convenes on Nov. 7th, but the young people of this district are all invited to Moncton for this Thanksgiving service also. We will have some special speakers and the Junior Crusaders will put on a program at one service which will be interesting. Come and enjoy the services with us.

Rev. G. A. Rogers, of Fort Fairfield, Me., and Lic. George DeLong, of Perth, N. B., ex-to continue at Sandford, N. S. He plans changed pulpits on Sunday evening, Oct. 13th.
