

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

Our Church at Salem, Kings Co., N. B., has had a gracious revival recently. The pastor, Rev. H. E. Mullen, has been assisted by Evangelist R. Selick, of Oxford, N. S. Brother Mullen baptized nineteen candidates in water recently and is having another baptism on Sunday, June 14th. These brethren are now engaged in special meetings at Head of Millstream, and the Lord is blessing and giving victory. The Lord has helped Brother Mullen to build up the work on that field, and the people are sorry that he is leaving.

The Moncton Church is enjoying the blessing of the Lord. A large number of the members of the Church and congregation met at Deacon A. K. MacCallum's, where Sister Baker lives, on Saturday evening, May 30th, that being the date of Sister Baker's 75th birthday anniversary, and gave her a genuine surprise. Rev. P. J. Trafton, of Port Maitland, was present and spoke appreciatingly of his many years of acquaintance with Sister Baker and of her life and work among us. The pastor also delivered a brief address, and the young people of Sister Baker's class presented her with a fitting address and several gifts. She was also presented with a beautiful bouquet of flowers by Mr. Harold Freeze in memory of his mother, who was a good friend of Sister Baker's, and also a birthday cake from Mrs. A. K. MacCallum. Sister Baker was greatly surprised but expressed her gratitude to the Church and many friends for their kindness in a very fitting way. Many of the church members also met at Brother MacCallum's on Thursday evening, June 11th, and held a cottage prayer meeting for the benefit of Mr. and Mrs. Charles Wright, who came up from Sackville, N. B., to where they had moved from Moncton last fall. They were visiting at Brother Deadman's and calling on other friends in Moncton. The blessing of the Lord was on the meeting in a marked way and Brother and Sister Wright greatly enjoyed it.

Rev. P. J. Trafton preached in Moncton on Sun. morning, May 31. The people greatly enjoyed hearing their former pastor again. Lic. A. Deadman preached both morning and evening in our Moncton Church on Sunday, June 7th, in the absence of the pastor, who was attending the quarterly meeting at Millstream, and the Church and congregation enjoyed his messages.

Rev. H. C. Mullen has accepted a call to Hartland group of churches.

Rev. J. A. Owens has accepted a call to Westchester, N. S., and Rev. H. L. Robertson has had a call to New Tusket, Digby Co., N. S.

Lic. Errol Watson, of Saint John, is open for a call to pastoral or evangelistic work.

Lic. Grace Sanders is assisting Rev. P. J. Trafton in special meetings at Brazil Lake, N. S.

Be sure to remember the dates of Beulah Camp Meeting, July 3rd to 12th, and come for a great time of refreshing from the presence of the Lord.

A CORRECTION

A mistake has been made in listing the name of Mrs. H. J. Blaney as Corresponding Secretary of the General Missionary Society. It should read Mrs. E. R. Bradley.

P. J. TRAFTON, Secy.

PERSONALS

Brother Noah Hicks (Old Faithful), Chairman of the Grounds Committee, will go to Beulah on Monday, June 28th, to put the electric lights on the grounds and in order to have them ready for the Alliance and Camp-Meeting. He requests all the members of the grounds committee to be present, and bring your axes with you, for there is much work to be done.

We received a very interesting letter from our esteemed friend, Brother S. B. Charlton, of Somerville, Mass. He writes that he and Sister Charlton are quite well, and he still finds some work to do, and is praising the Lord for salvation and the prospects of the future glory. He sends the following clipping from a Boston paper:

MEMORIAL DAY

In life, how well did we treat those whose graves we decorate tomorrow? And how are we treating those still living who tomorrow may die and whose graves next Memorial Day we may be decorating?—Boston Traveller.

Mrs. George Michals, of Sandford, N. S., left for Boston on May 26th to enter a hospital for treatment.

Miss Matilda Churchill, of Short Beach, N. S., is confined to her bed through illness.

Our church members at Fredericton are rejoicing because Brother Clowes Patterson and wife have returned from U. S. to make their home in Fredericton again.

We hear that our sister, Mrs. W. B. Wiggins, has been troubled some with rheumatism the past months, but is improving again and expects to go to Beulah soon.

Mrs. Oliver Trites, of Lutes Mountain, who has spent several months in Moncton with her daughter, Mrs. S. N. Grass, and other relatives, is real well and hoping to get to Beulah Camp-Meeting again this year.

Rev. H. E. Mullen writes that Brother Douglas Hayes, of Norton, is in very poor health and requests the prayers of God's people for Brother Hayes and his wife. The Editor was entertained in the splendid home of Brother and Sister Leslie Hayes, of Head of Millstream, during the quarterly meeting there. They are quite well and looking forward to getting to Beulah this year.

PLEASE READ THIS

Dear Brother Dow:

Please find enclosed \$1.50 for my renewal to The King's Highway. I am very sorry that I cannot take it longer, as I cannot pay for it. I am sorry that I could not send it in before. I know I shall miss the paper badly. May the Lord bless you and all Christian workers. It seems as though I cannot get to Beulah this year. I have a job but I guess I will have to give it up. Pray for me good folks as I need your prayers badly.

Yours sincerely, A. W.

NOTE:—It is the contributions of the good brothers and sisters to the Supplementary Fund that make it possible for us to send the King's Highway to those who are not able to pay for it like the good Christian who loves good reading who wrote the foregoing letter. We have many such whose names are on our mailing list. So please keep up the good work, send your gifts along. And to all subscribers, we say again we wish you would renew at once as our report must be made right away. Thank you and the Lord bless you.

DONATION

On Monday evening, May 18, some thirty of the good people of Millville met at the parsonage for a social and farewell gathering in view of my departure in the near future. Everyone seemed to have a very pleasant time despite the fact that I must act the role of host and hostess as on similar occasions the past six years.

The ladies served a very tasty lunch after which Bro. Greenlaw, the clerk, with very fitting words spoke the sentiment of the people, wishing the pastor Godspeed to his next field of labour and presented him with a substantial sum of money. The pastor spoke a few words of appreciation and offered prayer. I might add that daily since then I am meeting those who were not able to be present and the amount is swelling. I continue to thank you.

I expect to leave after the Quarterly Meeting for a three weeks' trip to Massachusetts, Rhode Island, New Hampshire and Maine. I expect to be at E. N. C. at commencement, and visit at my home in N. H.
