Rev. H. S. Dow:

Dear Brother Dow: Greetings! I notice by the label on my Highway that I am in arrears with my subscription. You will find enclosed \$3.00 to pay for last year and next.

I enjoy the Highway and always look forward to the next issue. Although I am not there, still my heart is there and I am intensely interested in the work of the Reformed Baptists. I still feel that I am one of them. Although my work has taken me away to other fields I often think and pray for the work there. This past year has been a very busy one and God has richly blessed our efforts, and we give Him all the glory. Our work here is growing and we are expecting great things of the Lord this year.

May the Lord bless you and the work there.

Your brother in Christ,

Rev. H. S. Dow:

Dear Brother Dow: I am enclosing a short account of my work with the Bible Society for 1935. If you have space you may print in our Highway. Our church here is getting along about as usual. Brother Rev. H. S. Mullen came here regularly until Dec. 22nd, and since that the travelling has not been so he can get here. We continue all the services ourselves as best we can.

Our Sunday School is ever green. At our S. S. entertainment at the end of the year, which was good. The offering taken at that entertainment amounted to \$10.00, which we sent to Rev. L. T. Sabine to go on the Sterritt Sisters' extra expenses. Our Missionary Society holds out well. We have regular monthly meetings.

I trust you are well, and wishing you a Happy and Prosperous Year for 1936.

Your brother in Christ,

S. H. BRADLEY

Dear Highway Friends:

I am giving you just a short sketch of the three months work done for the British and Foreign Bible Society. As many of you know, I had charge of the Bible stand at Beulah Camp Meeting from June 26th until July 9th. After that I had charge of the Bible stand at a Bible Conference meeting at the Alliance Tabernacle, Saint John, N. B., for five days. After that I travelled by car in Charlotte Co. and lower part of York Co., making thorough house to house calls, making in all 2,735 calls or visits, selling 564 Bibles, 356 Testaments, and 1700 portions of scriptures, also giving free 21 Bibles, 3 Testaments, 152 gospels, making a total distribution of 2796 pieces of scripture, amounting to \$547.20 in all.

I distributed more Bibles this year than any previous year. I called at and sold scriptures at gas stations, construction camps, sport camps as well as at private homes. I found 12 families this year without Bibles or any portion of one, and not able to buy. To each of these families I left a Bible. I also gave one Bible in the Polish language, one in the Chinese, two in Slovak, one in Russian. These for-

eigners were young men and could not read our language, and took great interest in the Bibles given them, especially the two Slovak lads. The lady with whom they boarded told me later that they not only read them, but they also would copy off portions and send to their folk in their home land. One of these Slovake lads shortly after I had given him the Bible, cut his wrist very badly and the first thing he asked for at the hospital was the BOOK which the Bible man gave him, and he read it much while laid up. "My word shall not return void," saith the Scriptures. I could tell of many many other instances of interest if space would permit. Colporteur work, while it has its trials and testing, is truly a great work, owned and blessed of God. Truly the "fields are white to the harvest," and the labourers are few. The British and Foreign Bible Society is doing a great work and is worthy of the support of all our church, and all Christian people.

I am as ever, yours in the Master's service,  
S. H. BRADLEY

Dear Brother Dow:

As I have been reading the Highway, I enjoy its pages so much, I thought I would write a few lines to you and am sending you one dollar. You may use it for whatever purpose you like. You were good and kind to send the paper, so I feel very thankful to you. We have been well remembered Xmas and I praise the dear Lord, for all good gifts come from Him. He wonderfully blesses us when we trust Him. I find Him a faithful friend. Bless His name. I hand this paper to others to read.

Yours respectfully,

MRS. A. W. GRANT

Dear Brother:

Our preaching services and prayer meetings are well attended. Sunday, Jan. 5th, was a blessed day in both services. God richly blessed our souls. Brother Burrel Kimball preached in the evening and two prayed through at the altar. The interest is real good and new ones are coming to our services. We are planning on a revival campaign with Rev. E. W. Tokley as our evangelist. The meetings are to begin on Feb. 2nd, D. V. We are preparing for a real revival.

On Dec. 29th I tendered my resignation as pastor of this church. This will become effective in June.

Mrs. Rogers and I wish all the Highway readers a very Happy New Year.

Your brother in Christ,

G. A. ROGERS

St. John, N. B.

Dear Highway:

Greetings in Jesus' name. I would just like to tell you that I believe Jesus still saves and sanctifies my soul. I'm happy in Him. Completely satisfied with Him. I love Him and am so glad for the salvation He has provided that can go deeper than sin or even its stain, has gone. We had a blessed Christmas all the way around. We held our Christmas service here the evening of the 19th. It was a time of refreshing and blessing. I thank all, through the Highway, who so willingly co-operated to make it a success. We were blessed while the children sang their selections and the choirs theirs, and the special music too. I also got blessed in preaching "Jesus" to my people.

Jesus—Justifier, Eulogizer, Sanctifier, Unifier and Satisfier. Glory to God. Now we'd like to take this opportunity of thanking all who remembered us at the Christmas time with cards and the various tokens of love which came to us. Some cards are still coming. One reached us today from India. Thank you, India, you read the Highway too. Once more we say thank you to all. And God bless you. We are at present engaged in the week of prayer in our own church here with Evangelist E. R. Watson as our special speaker. He is sure doing some great preaching. One has been forward already to be sanctified and two others have requested prayer, so we are believing God for a great week.

God is blessing the work here. A better people to work with I never saw, and God is blessing the church for her co-operation.

I pray God that this may be the best year for all the readers of the Highway that you have ever had and especially our dear editor.

Let us be true to God and Holiness. May we as holiness preachers be true in preaching full salvation. Whenever we preach in the church, on the radio, everywhere—Amen.

Yours saved and kept,

H. S. and MRS. MULLEN

Head of Millstream, N. B.

Dear Brother Dow:

Another Christmas has come and gone. We feel that we should try to express our gratitude for the goodness of our God to us through His people. We were well remembered by folk from all the churches on this circuit. These people plan that their pastor and his family have a Merry Christmas. A few days before Christmas letters and parcels arrived at the parsonage, bearing tokens of kind remembrances to pastor, his wife and family.

The Young People's Society of Head of Millstream again remembered us with a nice gift (three pairs of nice curtains for the parlor). We are very thankful for all the gifts and kindness shown us by these good people, and trust that God will make us a blessing to them.

HARTLEY E. MULLEN

P. S.—We enjoy reading your editorial and radio talks. If it is possible for you to please announce in the Highway when you will speak over the radio, then those of us who have no radio might know when to go to our neighbor's radio to listen in.—H. E. M.

Dear Brother Dow: Please find inclosed the sum of two dollars (\$2.00) to pay for my renewal to the Highway and the balance to the Foreign Missionary Fund. I cannot get along without the King's Highway. I like its clean pages and the help I get out of it spiritually, and I praise the Lord for His love and mercy to me all along life's way. He is my all in all and I love Him. Wife is not very well but able to be around the house most of the time. I am well. Trust you are well, and wishing you and yours a Happy New Year.

Am yours in Him,

NOAH E. HICKS.
