

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6

We had a very encouraging letter from the Sterritt sisters, two of our faithful missionaries in Africa, recently. They say their health is better than it was last year and their work is going well, and for this we are thankful.

Rev. Mrs. Ida M. Keirstead is keeping busy in the Lord's work. She has been addressing missionary meetings in several churches during the past months. She has been at Perth recently and spoke there Sunday a. m., Nov. 8th. The Lord is blessing the work there. Rev. W. E. Smith is assisting the pastor, Rev. G. A. Delong, in special meetings beginning Nov. 10th.

One more of our young preachers, Rev. S. G. Hilyard, B.A., pastor of Royalton group of churches, has taken to himself a wife in the person of Miss Audrey Brown of Millville. They were married at the home of the bride's aunt at Van Buren on Nov. 5th, by Rev. Rev. H. E. Mullen, pastor of our Fort Fairfield Church. These young folk are very faithful and very capable workers in the Lord's vinyard, and we expect them to be very successful.

A letter from Rev. Hollis Kimball states that the work is going well at Black's Harbor. They are expecting to have special meetings this winter. They observed temperance Sunday. The pastor preached on that subject which was well received.

The work at Moncton is very encouraging with some new voices taking part in our meeting Sunday night and some requests for prayer. The attendance is very good and increasing in our Sunday School. Rev. C. L. Whitman, who travels in the interests of the Sudan United Mission, supplied for the pastor on Sunday evening, Nov. 1st, while he was absent holding a meeting at Nixon, Albert County. Temperance Sunday was fittingly observed in the Moncton Sunday School on Nov. 1st.

Rev. J. A., and Mrs. Owens were welcome guests at the parsonage in Moncton on their return from Royalton, where they had been visiting Bro. Owen's mother.—H. S. D.

The church at Norton looks fine in a new coat of white paint, also the church at Killam's Mills has been painted white, and a new barn and woodshed has been erected at the Millstream Parsonage.

M. R. BRIGGS.

ACKNOWLEDGEMENT

I wish to express my thanks to the members of the Women's Praying Band of this church, who on the evening of Nov. 3rd, after their service at the church, came in our home, and presented me with three beautiful quilts, which they had made for me. I truly appreciate their thoughtfulness and kindness.

We are indeed grateful to each and every one who made this presentation possible, and pray the Lord, the giver of all good and perfect gifts, will especially at this time, bless and grant unto these, his children the desires of their hearts.

PERSONALS

Mrs. W. Steadman Smith, Provincial President of the W. C. T. U., was a guest for a few days at the home of Rev. and Mrs. H. S. Dow on her return with Mrs. Dow from the Provincial Convention in Sackville.

Mrs. S. N. Grass, of the Moncton Church, had the misfortune to fall and fracture her knee cap recently and will be confined to her bed for several weeks.

Mrs. C. P. Phillips, of Woodstock, met with a painful accident recently when her finger was jammed in the door of a car, making it necessary to have the end amputated.

A great many of our members in the Moncton Church have been afflicted with colds. Among them are Mrs. A. G. Good, Miss Iola Mitton, Mr. A. Deadman, Mr. Wesley Weir. Several of the children and young people have had mumps. Deacon A. K. MacCallum, who has been seriously ill, is improving rapidly.

A MISSIONARY GIFT BOX

I wish to remind all who are interested in our foreign mission work, that the time is drawing near when our outgoing missionaries, Sister Grace, and Brother Charles Sanders will be taking ship for Africa, to carry the news of salvation to those who dwell in the darkness of heathenism. They go as our representatives.

Shall they not have our prayers and good wishes? Then I want to suggest that we remember these dear young people with suitable and needful gifts; this will be a splendid opportunity also to send gifts to our Missionaries on the field. Anything would be acceptable and greatly appreciated, especially articles of clothing, which is so much needed.

Before buying our Christmas gifts, let us make or purchase presents for Africa and send in care of Rev. H. C. Sanders, Victoria St., Amherst, N. S., also add sufficient money to pay entrance fees (not a great sum). May the Lord help us all to do our best, that He may be glorified in providing for these His servants through us.

DONATION

Havelock, N. S.

On Saturday evening, October 31st, about sixty-five church members and friends met at the parsonage and presented us with a generous donation of produce and cash to the value of approximately twenty-eight dollars.

The evening was spent in pleasant conversation and singing of hymns. The ladies served a sumptuous lunch.

Both pastor and wife endeavored to express their gratitude and appreciation for the kindness of these dear people. Prayer was offered by the pastor of the U. B. Church, Lic. Church-ill. May the Lord richly bless all these people.

We are yours in Him,

H. L. and J. M. ROBERTSON

P. S.—We wish to acknowledge also that during the Quarterly Meeting held in the Havelock Church, in October, that Rev. G. A. Rogers gave the pastor a very pleasant surprise by calling on the Church for a special offering, the amount of which was twelve dollars. We are very grateful to these kind folk for the gifts and offering. May the blessing of the Lord richly rest upon them all.

We request the prayers of God's people for the work here that many souls may come to know Jesus and that many others may receive the baptism of the Holy Ghost that cleanses from all sin and fills with the love of God.
