

CORRESPONDENCE

Island Falls, Maine

Dear Highway:

It sure is high time a few lines were forthcoming from this little corner. We have very much to be grateful to our kind Heavenly Father for. God has been exceedingly good to us.

Brother Burrell Kimball was with us for a few meetings at Belvedere. God richly blessed our brother and made him a blessing to those who attended the services. And I want to say right here, brethren, that we need not send clear to Dan or Beersheba for evangelists for we have them right in our own ranks. Brother Kimball not only proved a good preacher and singer but he carried a burden for souls and for the work of God, and though he preached straight and to the point he did it in love and in a tender and kind spirit. This caused those who heard him to love him. A number made a start but not as many as we had hoped for.

On the evening of the 24th of November a large number gathered at the parsonage and gave us a very generous donation. The evening passed altogether too quickly and was much enjoyed by all. Since that time and nearly daily we have received something from some one. So the Lord is taking care of us through those who are His own. And we are daily endeavoring to thank both our Father and His children for their goodness to us.

Yesterday Brother Quigg came up from Island Falls and preached for us at Belvedere in the afternoon, and I preached for him at the Falls in the evening. The Lord blessed us together and gave us a good time.

Christmas is just at hand, and to all we have ministered in the past we say: "A Merry Christmas!" The Lord bless you! Amen!

Dear Brother Dow:

Enclosed find money order for \$2.00 for Highway, 50c for Supplementary Fund. Surely the Lord is good to His children. As we read over the Highway it cheers our hearts and we say, praise the Lord for victory. Yes, He hears and answers prayer. I love to read the editorial page. May the Dear Lord bless you and make you a blessing.

Christmas Greetings to one and all.

Yours in His love,

Brother and Sister Douglas Hayes

Dear Highway:

Just a few lines from this section of the field of labor might not be amiss at this time.

I was laid up with infection in my foot and was absent from my churches for the period of six weeks. According to the report of one of my doctors I was close to the danger point. God must have seen that my work was not done so He left me to complete that work. I don't want to disappoint Him.

Lic. Gordon Symonds supplied on the circuit the first three Sundays I was away. His service was greatly appreciated by all. After Brother Symonds took up the work at Wood's Harbor he was unable to go to Brazil Lake and Sandford, but he did preach on Sunday mornings at Port Maitland. Since I got back I have tried to make up for lost time. God has blessed my soul richly as I have preached the Word.

Rev. P. J. Trafton, my predecessor, had endeared himself to the people of this circuit during his pastorate. It assures me that if I

am faithful in my pastoral duties I shall have the same co-operation.

Last Sunday morning at Sandford was one of the best services I have been in since I came to this field. The presence of God was real. There were requests for prayer. We had a good season of prayer.

The Quarterly is now on in the Sandford Church. Evangelist Mabel Manning is with us for a revival campaign which will last until December 20th. Pray that God will give us a gracious revival and many souls.

Yours for victory,

G. A. ROGERS

Dear Highway Friends:

Greetings:

This morning I am enjoying the beautiful portion of the Scripture found in Isaiah, fifty-fifth chapter. The great invitation: Ho! Everyone that thirsteth come ye to the waters, and he that hath no money; come ye, buy, and eat: yea, come, buy wine and milk without money and without price. Every verse of this chapter is a delight to me. Surely God's Word is a Lamp to our feet and a light unto our path.

As I read the Highway I realize that there is a blessed fellowship enjoyed by God's people.

Yours in best of Christlan love,

(MRS.) DIADAMA McLEOD

Note.—I am sure that our readers will appreciate this nice letter from our good sister, when we remember that she is well past 90 years of age—I think she is 93. The King's Highway congratulates her and wishes that she may have many more years added to her useful life here.—Editor.

Dear Brother Dow:

Enclosed find my renewal for the Highway. I enjoy it very much. It seems like a letter from home but I miss the dear old saints so much when I think of you young men being the oldest ones now. Where do I come in. My, my, how time changes everything. Well I had my 78th birthday in October, so I see I am young no more. Hope to join the dear ones before very long. Mrs. Hale is still going out—was out to a missionary meeting yesterday.

I trust you and Mrs. Dow and family are well and will enjoy a very pleasant Christmas together, also Happy New Year. May the good Lord bless and prosper you in your good work.

Yours saved and kept by power Divine,

AMANDA T. BOYER

Dear Highway:

Let me say we are still among the living. Jesus saves and sanctifies. Our revival services were short. They closed the evening of the 22nd of November. Our evangelist, R. T. Setlick, could not remain with us any longer at the present. His services were much appreciated. We wished he could have stayed longer for it seemed as though we had just begun. Several found their way to the altar of prayer.

We gave five the right hand of fellowship last Sunday night, the 29th of November.

God is blessing the efforts put forth here for which we praise Him.

We covet your prayers for us here that the blessings of God may still rest upon us and we may see many more falling in line with holiness, "without which no man shall see the Lord."

Yours for souls,

H. S. MULLEN

On Monday, Nov. 30th, we were invited to the home of Mr. and Mrs. John Blaney, where we found a number of the people of Hawkin's Corner and Maplewood gathered to give us a donation. Refreshments were served by the ladies, and the evening was very much enjoyed by all. Mr. Frank Jones on behalf of the people of these two communities, expressed appreciation of our labours in their midst, and presented us with a gift of money and a list of goods which had been given. After thanks had been extended to the people for these practical and generous gifts, Miss Stilwell, president of the Excelsior S. S. Class, stepped forward and presented us with an envelope containing \$15—a gift from her class. The total amount given was approximately \$36.

At the close of the prayer meeting Nov. 25th Mrs. H. E. Greenlaw presented me with an envelope containing \$27.51, which she informed me had been given by the people on this circuit to purchase me a new winter overcoat. I certainly appreciate the thoughtfulness and kindness of these people, and would like to express my thanks to all who helped to make possible such an excellent gift.

One of the many nice gifts received was a quilt from the Ladies' Aid. We have also been given a fine quilt by the ladies of Maple Ridge, and another from the ladies of Lower Hainesville since our last report.

Again we say, thank you all, and pray the Lord to reward you for your kindness to us.

F. A. & MRS. ANDERSON

Dear Highway:

It is with thankful hearts that we wish to acknowledge the kindness of the good people on this field.

After the prayer meeting on Thursday evening, Dec. 10th, which was held at the home of Mr. and Mrs. Mansfield Harris at Victoria, the Church members and friends remained for a social hour. After some time had been spent in pleasant conversation the ladies served refreshments and Mr. Mansfield Harris on behalf of those present, presented the pastor and wife with a purse of money and a donation of groceries.

We are indeed grateful to these kind-hearted people as well as those from other parts of the field who have contributed vegetables, meat, butter and fuel. We thank God that He remembers the needs of His children.

We extend our best wishes for a blessed Christmas season to all the Highway family.

A TESTIMONY

Woodstock, N.B.

Dear Friends:

Amidst all my suffering and afflictions I am still praising the Lord for a full and free salvation.

T. W. WHITTEN

NOTE: We have known Brother Whitten for many years and have always found him to be a faithful man of God, a real credit to the cause of holiness. I had rather say this now than "say it with flowers" after he is gone. He is now well past the four score milestone of his age and we are glad to have this brief testimony from him. He has been confined to his bed more than a year. Remember him and his good wife in prayer.
