

CORRESPONDENCE

Kingston, N. B.

Dear Brother Dow:

Enclosed please find \$2.00 for the renewal of my Highway and 50c of this for the supplementary fund.

I always enjoyed reading the Highway so much, but the last two years my eyesight has failed so much I cannot read at all, but my daughter reads it to me.

I was very much grieved at the loss of my sight, but now I am thankful to be able to see to get around as I am getting well advanced in years.

Your sister in Christ,

MRS. A. P. SHAMPIER

New Burg Jct.

Dear Brother Dow:

Am sending two dollars (\$2) to renew my Highway, what is over for the fund. Am in my home now, have been here since May. My sister and her daughter are with me. We are all quite happy. I cannot get out much; but enjoy the radio. We hear sermons from Fredericton every morning. We often hear Mr. Trafton and Mr. Dunlop. Remember me to Mrs. Dow. Trust you will get to Brighton this summer.

MRS. EMMA DOWNEY

Dear Highway Readers:

I wonder if I may be permitted to again place before you the needs of our mission work. Our treasurer and different members of the Board write concerning the need. I wonder do we just take it for granted that the Officers of the Board are expected to do this so often and not fully realize how urgent the need is.

In sending new workers to the field we are discovering that the cost is much more than we had at first believed it would be. We have asked for "donations" and as yet very little has been offered.

We must not allow our treasury to become depleted but that is what will happen if we fail to take this matter to heart.

It seems comparatively easy to raise money at our Camp Meetings. I think the reason is that we are all there together and feel that if each one in so large a crowd will do a little it will amount to a worthwhile sum when it is all taken together. Cannot we feel that way about replenishing the treasury right now. If two people can give fifty dollars that will add one hundred to the treasury. If four can give twenty-five each that will make another hundred. If ten can send in ten dollars each we will have another hundred, etc. So if we take this matter seriously right now and each one make it our business to send an amount, be it little or much, to Rev. L. T. Sabine, Woodstock, N. B., we can go on with our missionary program and have reasons to praise God for success.

Let us LIFT this part of our work with a general response. Send in your offering at once—One hundred dollars, fifty, twenty-five, twenty, fifteen, ten, five, two, one. Let's put at least one thousand dollars in our treasury between now and March 25th.

Yours in His service,

REV. F. A. DUNLOP,

President.

Dear Highway Readers:

We wish to acknowledge through your paper the kindness of the people of the Fredericton R.

B. Church, through the past years. They have remembered us over and over with clothing, bedding, and money as well as provisions and toys for the children at the Xmas season. We do not know how to express our thanks to these dear friends for their kindness and generosity.

The Marysville R. B. Church also helped at times. May God's richest blessing rest upon and be with them and theirs through the years is the sincere wish of

Dear Brother Dow:

I am enclosing two dollars for the renewal of my Highway. The little paper has been coming to our home for forty years or more and don't know how we could get along without it now.

Yours in Christian love,

MRS. ANNIE CUMMINGS

Dear Friends:

Your numerous cards and letters, expressing sympathy and assurance of prayers, during the past two months, have been greatly appreciated. I regret that I could not acknowledge them all.

Your kindly thought inspired renewed courage, when it was especially needed. After several months of soreness it became necessary to suffer the amputation of a gangrenous toe, (a small member to cause so much trouble).

I am very thankful to be about the house again, even though my foot keeps painful.

May the Lord bless you all in spirit, soul and body.

In His love,

I. M. KJERSTEAD

Dear Brother Dow:

Enclosed please find renewal for the Highway, of which I enjoy reading so much. It has become a source of strength to me. I am so glad Jesus saves and sanctifies me, gives me victory in trying times; He is my joy and my strength. I would say with the Psalmist, I will bless the Lord at all times, His praise shall continually be in my mouth. Praise His precious name forever.

Your Brother in Christ,

HUBERT O. McGEORGE

Port Maitland, N. S.

Dear Highway:

Our church at Port Maitland conducted a revival campaign from Feb. 3-24 and concluded with a Quarterly from Feb. 25-28.

The week night services were fairly well attended and the Sunday services were largely attended. The finances came quite easily. The weather was ideal throughout the meeting. The people were much in prayer. The presence and power of God brought blessing on His children and conviction on the unsaved. There must have been twenty or more at the altar for pardon, reclamation, or sanctification, and many were happy finders. It sounded good to hear the new testimonies at the prayer service. We didn't see all we desired, but we do thank God for the way He did visit us.

Rev. F. A. Watson was our evangelist and song leader. He sang special selections too. The people of Sandford, Yarmouth and Port Maitland helped in the way of duets and solos. Brother Watson came to us in the fullness of the blessing. He searched out sin and depravity and showed clearly the need of pardon and holiness. I enjoyed his spirit-filled messages and his sweet

fellowship. This pastor and people shall not soon forget the ministry of God's servant, Rev. F. A. Watson. Pray that the good work shall continue in this place.

Yours in Him,

G. A. ROGERS

Dear Friends:

Amherst, N. S.

If all things work out as now planned, in connection with our leaving, then this will be my last opportunity to visit you through the Highway e'er we embark for the distant harvest field.

I am very glad I do not have to say a farewell that holds no prospect of meeting you again. For, because of what Jesus has done, in reconciling us to God, I therefore look forward with great joy to the "home coming week," and the marriage supper of the Lamb, where those who are truly qualified will delight in the supreme joy of pleasing Him, having attained unto the prize of His high calling.

Because of the many who are making various contributions to help supply the needs of your Missionaries, I take this privilege, so as to reach, if possible, every one; it is just the old fashioned thank you very much, and may God richly bless you for doing that with which He is well pleased: Heb. 13:16.

If you will just turn to Acts 20:24-32, also 2 Peter 1:10, and read these passages; friends, let us keep on the firing line, with the glory of God upon our souls and at any cost let us follow Christ all the way.

Yours in Him,

CHARLIE D. SANDERS

Amherst, N. S.

Dear Highway Friends:

Time has been swiftly passing by and now it is with mixed feelings of sadness and joyful anticipation that I await the unfolding of the next few steps of the way. "Hitherto hath the Lord lead;" acknowledging Him in all my ways I know that He shall continue to direct my paths. He sweetly assures that He shall go with us all the way.

Many of the numerous needs connected with our trip and work have been wonderfully supplied—and we are trusting Him for the rest. Surely there are blessings in store for those who have given in response to the promptings of the Spirit when the needs were put before you. When the gifts arrive, or when we hear of some that have been given to be received by us later, tears well up in our eyes knowing the sacrifices you dear friends are making. But then, you are simply bringing all the tithes and offerings into the storehouse to prove God, and why should I begrudge you His blessing? May it indeed be so abundant that there will not be room enough to receive it. To each we wish to say a hearty "Thank you and God bless you!"

To the many who will find it impossible to attend the farewell service and bid us God speed in person as we set sail for Sunny South Africa, we want to say "Fare ye well" and "God be with you till we meet again." Should that never be on this side of the veil—God grant it may be in the air on our way to the "marriage supper of the Lamb."

Yours for souls,

GRACE M. SANDERS
