

## CORRESPONDENCE

Head of Millstream

Dear Highway:

We wish through your pages to express our thanks and gratitude to the people on this circuit for their kindness to us since coming here. They have very generously supplied our needs, and at Christmas time we received many useful presents, also money and a goodly store of vegetables, pickles, preserves, meat and other good things, including a fine turkey. For all these things we thank our Heavenly Father, and pray that He, the Giver of every good and perfect gift, will give unto them of His grace and blessing good measure pressed down, shaken together and running over according to His riches in glory. We have enjoyed our pastorate here very much, and trust we may be able to feed the flock of God, build up His church, and see sinners saved.

With best wishes to all the Highway family.

Dear Brothers and Sisters in the Fatih

We join with others in acknowledging God's goodness to us during the past year; for His blessing upon us at the present writing, and for what we know He will be to us this coming year.

We were very graciously remembered during the Christmas season by friends—something like sixty-five greeting cards and letters found their way down here to us, besides gifts which went to make up a Merry Christmas. Our church and congregation gave us a purse of money. The Lord bless them.

The churches all over the land are engaged in special prayer this week. We trust not only will the churches be strengthened and helped by this, but that the power of these united prayers will somehow bring about world peace, instead of what seems to be in the offing—another world war. Oh, how much men need full salvation!

We expect to have a Week of Prayer in our own church here, beginning Jan. 11th, in behalf of the work in general, and especially for our own church. Like many others, we need a real revival. We are believing for it. Pray for us. May God bless you all this New Year.

Dear Brother Dow and "Highway" Friends:

I am sending you a short sketch of the Colporteur Work I did with the New Brunswick Bible Society during the months of last summer and fall of 1936.

I attended Beulah Camp Meetings as usual for twelve days. After that I travelled with car through the south and west portions of Queens, Sunbury, York and Carleton counties. Commencing at Welsford and travelling along the highway and bye roads leading from Welsford to Harvey Station, along the C. P. Railway, calling at all the homes and new settlers' Camps at Clarendon, Wirral, Ridge Road, Sand Brook, South Oromocto, Lake Road, Juvenile, Boyne Road, Mill Settlement, South Branch, Patterson Settlement, Hoyt Station, Blissville, Bailey, Meadow Brook Road, Frederickton Junction, Three Tree Creek, Diamond Square Road, Tracey, Traceyville, Beaver Dam, Rusagornis, Nasonworth, Charter Settlement, New Maryland, Wassis, Rooth, Cork, Acton, Hanwell, Harvey Station, South Tweedside, Magaguadavic, Back Road, Harvey Lake, Mangundy, Blaney Ridge, Smithfield,

New Market, Lake George, Pokiok Road, No. 2 Highway along through Long Creek, Prince William to Meductic, also Allandale, Charlie Lake Settlement, Dovington Ridge, Johnston Settlement, Dow Settlement, Crow Hill, Creek Road, Canterbury Maine, Carroll Ridge, Porton, Scott's Settlement, Benton, Teeds Mills, Plymouth, Connel Road, Hartford, No. 5 Highway, Richmond and Mackenzie Corner, Red Bridge, Briggs Mills, Watson Settlement, Belleville, Lindsay Green Road, Union Corner, Debec, Elmwood, Speerville, Oak Mountain to Eel River, Kirkland, Monument, Mapledale, Verdun, Maxwell, Golden Ridge, Eel River Lake, North Lake, Fosterville, Balm of Gilead, Pemberton (Forest City, N. B.), also Victoria Settlement, French Lake, Woodland and Geary, making in all 2900 calls, selling and distributing 512 Bibles, 265 Testaments 1651 portions and gospels, making a total of 2428 pieces of Scripture.

I found 16 families without any Bible or Testament, and most of them not able to buy. To these families I gave Bibles.

On account of the much rainy, cold weather in October, my work was somewhat hindered. I finished up on November 5th.

"Forever O Lord Thy Word is settled in Heaven." One of old has said: "God's Word is the very greatest of all books," and its author the very greatest of all teachers."

I remain as ever,

Your brother in Christ,

Dear Friends: Amherst, N. S.

Recent letters from Africa give us food for deep thought and should stir us to do our utmost. "In the near future, we are to have a greater opportunity than ever. In all probability, twenty-five or thirty thousand more natives will soon be settled around us, which will mean added responsibility and opportunity. We now have about three thousand. It is bound to increase our medical work, increase our school work and, we trust, our church as a whole. We trust to do our best to reach these needy souls.

"Some of you will remember five years ago when twenty or thirty demon possessed were delivered in answer to prayer. This was a most remarkable victory, for we have seen very little of demon possession since then . . . the moving in of thousands more of natives into this district will probably bring numbers of demon doctors and demon possessed among us again, etc., etc."

The above is quoted from a letter from Faith.

Our European workers rejoice in the soon going to them of two young helpers in Charley and Grace, but with the coming home of the Starritt Sisters, they will still be so short handed to carry on the work we now have there, then see the great host to be worked among when these added numbers of natives are moved off of farms in the district, to a large tract of land, about "ten miles in every direction from the Mission Station at Hartland." (quotation). Our opportunity is large, wonderfully so right at our doors—not in Equatorial Africa, with greater expense to enter it—but where we can use the church we have, the school, the hospital, for a beginning, but workers, much more are needed everywhere in all departments of the mission work European spirit-filled workers to guide and help many more native evangelists.

It is our work, beloved, if we will have it

What shall we do? How can we do more than we are doing now?

Jesus said: "Lift up your eyes and look, for the fields are already white unto the harvest. Pray ye, therefore, the Lord of the harvest that He will thrust forth laborers unto His harvest." "Ask of me and I will give thee the heathen for thine inheritance." Do we want that kind? Shall we pray? God help us and cause us to open our eyes to see, then use the faith we have so as to increase it, and prepare to go, to send, to give, to pray.

Yours for souls in Africa,

MRS. H. C. SANDERS

Dear Highway:

Could I have a little space on your Young People's page to tell of the kindness of the young people here at Millstream at Christmas time when they presented me with a lovely rose colored wool blanket, and other personal gifts. We do greatly appreciate this thoughtfulness on their part and pray the Lord will bless them and all the young people who are striving to do His will.

Dear Brother Dow:

I dearly like to read the King's Highway and all the home news of the different churches and the old friends. Though we like it much here in Connecticut, yet our minds often reach back to the old days and the old friends we used to meet with in our home and the old church in Gordonsville. Those will never be forgotten. Was up to N. B. last fall and visited the old place where I spent so many years. Found many changes had taken place since those days, and new faces had taken the places of the old ones we knew.

Well, in the years that have passed since those days many changes have taken place in our lives and home, some of them sad ones. Yet we are still sure of the promise that if we are true and faithful we shall have eternal life, and if we do not meet again here, we shall in that "Better Country."

We wish you and Mrs. Dow, also for the Highway, a very Happy and Prosperous New Year.

Dear Highway:

Just a bit of news from this corner of God's vineyard. We are still enjoying the blessing of the Lord upon us here individually and collectively. Our Christmas season was a blessed one and the New Year bright. The joy of the Lord is our strength and we praise Him from whom all blessings flow.

We would like to take this opportunity of thanking all who were so kind to us at this Christmas time. Many did their bit to cheer and encourage us along the way with their kind words and tokens of love.

The Church here was real good to us and we thank them for their many gifts in cash and otherwise. Our dear people at Greys Mills, even though we are not able to get up there much in the winter time, remembered us with their gifts of cash and produce, and we do appreciate all these kindnesses.

Then from far and near we received gifts from dear friends which consisted of cash, a nice large turkey, etc. We say thank you, also for the many Christmas cards. God bless you and make 1937 the best year of your life.
