

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

Our church at Fredericton expects to have a season of refreshing from the presence of the Lord in the near future. A YOUNG PEOPLE'S RALLY will be held there from Oct. 7 to 10. This rally will be denominational wide, and will be largely attended by both young and old. Let us pray much for its success, and come to do your part to make it so.

The Marysville Church and pastor are engaged in special evangelistic services. Lic. Percy Green is assisting the pastor, Rev. F. A. Dunlop.

The Saint John Church expects to hold a special week-end meeting in the near future. Lic. Errol Watson, of Meductic, will assist the pastor, Rev. H. S. Mullen.

Rev. P. J. Trafton, Mrs. Trafton and two daughters Emma and Marguerite made a trip by auto to Mapleton, Me., recently to visit Mr. Trafton's brother, Harold.

Rev. Dr. H. C. Sanders, pastor at Amherst, reports good meetings there. He received two more into membership of the church Sunday evening, Sept. 19th, and one soul was reclaimed.

Lic. Mered Grant, one of our young men who was licensed by us this year, wishes to say that he is open for a call to gospel work anywhere in our denomination. Anyone wishing to correspond with him can reach him at Millville, N.B.

HIGHWAY SUPPLEMENTARY FUND

Mrs. Lena Hovey Gross.....	\$1.00
Mrs. George E. Jones.....	1.50
Mr. W. K. Carson	3.50

We are very grateful to these generous people for their contributions to this fund. By their help we are able to send the Highway to some who are not able to pay for it themselves. I am still praying that the dear Lord will stir the hearts of our subscribers who are in arrears, and help them to realize the injustice they are doing the management of the King's Highway by not paying what they owe. It seems that I have said about all that is necessary for me to say. There are many in arrears who can pay and they know we need the money. So we leave them in the hands of God. The King's Highway is His work. "Will a man rob God?" If he does he will suffer for it. Take warning beloved. If you don't want the paper, pay up and notify us, and we will stop sending it. We will not stop it unless you notify us, but we expect you to pay your indebtedness to the Lord. We are very grateful to our good friends who keep their subscription paid in advance, and those who want the paper and are not able to pay for it are just as welcome to it as any, and we shall not deprive them of it. It is the Lord's work.

God bless you all beloved is my prayer. Let us all do our best to help in this part of the Lord's work. EDITOR.

PERSONALS

See the announcement of the rally at Fredericton on Young People's page.

A letter from our returned missionaries, the Sterritt Sisters, says they are enjoying their visits to the churches. Everyone is very kind to them, and their meetings are both interesting and profitable.

Brother Sydney Ingraham, whom many of our people know, has been preaching during the summer months to a group of churches at Nixon and vicinity not far from Moncton. The people were enjoying his ministry and being helped by it. He went to Wolfville to attend the yearly meeting held there recently and hoping for some promotion, but he told us that instead of advancement he received a setback. The powers that be forbade him preaching any more in their churches, but the people up there want him to continue so he is holding services in their homes. "Master we saw one casting out devils in thy name and he followed not us: and we forbade him because he followeth not us. And Jesus said forbid him not." Mark 9:38-39.

Mrs. Wm. Jones, of Shelton, Conn., and her daughter Greta are visiting friends and relatives in Carleton County, N. B.

Edward Dow has returned to U.N.B., Fredericton, to resume his studies and from where he expects to graduate this year.

Douglas True, son of G. B. and Mrs. True, of Woodstock, has also entered U.N.B. as a freshman this year. Also Ruth, the daughter of Mr. and Mrs. Walter Morrell, of Fredericton, is a student at U. N. B. in the first year.

A letter from Brother J. H. Golding, of Peel, N. B., says that Mrs. Golding has been very sick for a week and is not much better yet. Let us remember them in our prayers. Their daughter, Mrs. P. C. Barter, is nursing her mother.

DONATION

The kind friends of this circuit met on Tuesday evening, Sept. 21st, at the home of Deacon Edmund Churchill, Sandford, N. S., and presented the pastor and his wife with a fine purse and a liberal supply of groceries, preserves, etc. Deacon Frederick Sollows spoke in behalf of the people. The pastor tried to thank the kind people and then offered prayer to God, the Giver of every good and perfect gift. A pleasant evening was spent in conversation and singing. The pastor and his wife feel unworthy of the kindness bestowed upon them by these kind friends. By God's help we desire to do our best to help souls spiritually. May God send to us a real revival of old time religion.

CALLING THE ROLL OF HEAVEN

A soldier, wounded during our last war, lay dying in his cot. Suddenly the death-like stillness of the room was broken by the cry, 'Here. Here!' which burst from the lips of the dying man. Friends rushed to the spot and asked what he wanted. 'Hark,' he said, 'they are calling the roll of Heaven, and I am answering my name.' In a few moments once more he whispered, 'Here' and passed into the presence of the King."—Publisher Unknown.

THE GOODNESS OF GOD

And I will trust that He who heeds

The life that hides in mead and wold,
Who hangs yon alder's crimson beads,

And stains these mosses green and gold,
Will still, as He hath done, incline

His gracious ear to me and mine;

Grant what we ask aright, from wrong debar,
And, as the earth grows dark, make brighter
every star.

—John Greenleaf Whittier
