

CORRESPONDENCE

Dear Highway Readers:

We wish to praise our Heavenly Father for all His mercies and benefits to us day by day. Our services during the winter months were times of blessing even though our attendance was very small. There is an improvement in the past few weeks. We are trusting for greater things from the Lord.

Recently the members of the Havelock Church and friends of the community presented us with a purse of money. We indeed appreciate this act of kindness, and pray God's blessings on all those contributing.

Yours in Jesus,

H. L. and MRS. ROBERTSON

We are glad to report that Sister Douglas Mullen has returned to her home from the Hospital where she underwent a serious operation. Our sister is doing nicely, and wishes to praise the Lord for all His great love to her.

Dear Brother Dow:

I am enclosing my renewal for the Highway. I enjoy reading the paper so much.

I love to read those letters from the foreign lands. They teach us how the natives live.

We praise the Lord for His love and grace and for His presence with us, and His blessing upon us day by day.

Sincerely,

Dear Brother:

Enclosed you will find a postal note to renew my subscription to the King's Highway, and please accept the small balance over, using it as you deem best.

I wish to express to you my sincere thanks for the discount to ministers, and my deep appreciation of your semi-monthly paper, which continues to bring to us its helpful spiritual messages. May your "work and labor of love" as Editor be richly blessed of God, and crowned with abundant success in the future as in the past.

Dear Highway Readers:

The following is a brief report of our special meetings held on this field:

On March 7th we began meetings in the Church here at Calais with Brother F. A. Dunlop as evangelist. The meetings continued over the 20th with the best of preaching, and a number of seekers at the altar.

Then on April 17th we began meetings in the Crawford Church with Brother E. R. Watson as evangelist. These meetings continued over the 1st day of May. Again we enjoyed good preaching and saw a number of seekers at the altar.

For all these blessings we thank our God and press on.

Dear Highway:

Last year at our Alliance I asked for a "leave of absence," beginning July 1, 1938. My wife's health was in such a condition that I felt that I must make that move.

At the business meetings in Port Maitland and Sandford the people made our call unanimous for our third year on this circuit.

My wife's health has improved enough to allow her to be on the field with me. We have been pleasantly situated in the home of Mrs. Mrs. Bessie Sollows. We have occupied part of her house. The parsonage will be vacant in a few weeks. At that time I think we shall be moving into the parsonage.

I trust that I have been led of the Lord in my decision for the coming year. Pray that God will give us a blessed year in spiritual things.

We have some splendid people on this circuit. Both pastor and people long to see our work spread. Every now and then we see signs that God is working. He is blessing our souls. Amen!

May His blessing rest upon the Editor and all the readers of the Highway.

Yours for Holiness,

REV. G. A. ROGERS

Dear Highway:

How fast the time passes. It will soon be time to again plan for Alliance and Camp Meeting.

We wish to report the work here as going very well. All our services are well attended, and the interest is good. This has been the hardest year financially that the people of the Island have ever witnessed, but we are pleased to say that the work of the Church has been sustained. We are sorry we are un-

able to continue the work here longer, but on account of ill health we have been compelled to give it up. We certainly have enjoyed these two years ministering to these dear people, as they seem near to us, this being the third time that we have been their pastor.

It has been forty-five years since we first came to Grand Manan as a young preacher to assist Brother S. A. Baker in the work.

Yesterday, Sunday, May 8th, being Mother's Day, appropriate services were held both morning and evening. Special reference was made by the pastor to the Mothers in Israel, who during the past 49 years had been connected with this church.

Special music was furnished by the Choir assisted by the male quartette. We expect to leave here early in June and go up to the Camp Ground.

Yours in the work,

Dear Brother Dow:

Enclosed please find \$1.50 for Highway. Reading it blesses my soul and it helps one to keep pressing on the upward way. I love Jesus because He first loved me, and my prayer is to be at my best for Him.

I remain,

Yours in Christ,

Mr. Dow:

Rev. H. S. Dow:

Just a line or so to go with this small letter for the "Children's page" in The Highway.

The Lord is blessing in spite of all the Devil's influence to hinder. This is not my work but His. As long as I keep in His will, He will see all the rest through.

It is fine to see the part the young people are taking in the "Home-land." We pray the Lord that it may see far greater advances for His glory.

I hope you and yours are as well as I am. The native preacher, Johanisi Nkosi, is not too well today, but as a whole he does a lot of work. He has some chronic kidney trouble which comes on now and again.

May God's guidance and blessing be on you and your work.

Yours in Him,

G. W. SANDERS

Dear Members of the Highway Family:

I have been asked by our Sunday School Superintendent to write a report of our services last Sunday.

First, I would say that our attendance has suffered by the moving away of several families from this community, which we miss very much and will be a loss to the community, but last Sunday we had a service at eleven o'clock commemorating Mothers. A large number of people came to this service, consisting of the singing of hymns by the congregation applicable to the occasion; scripture reading and prayer, recitations, singing and readings by the children and young people of the S. S. and special singing by Mr. and Mrs. Main, also a brief address by the pastor. This
