Dear Highway Reader:

As the time for our "Alliance and Camp-meeting" is near I recall the first one that was at Woodstock the year following our organization in 1888, November 3rd.

As we were living in Woodstock we were privileged to be at the meeting and to have a part in meeting the ministers and delegates who came there. There was a real feeling of fellowship and a zeal and divine energy which brought great blessing upon the meeting.

There was a note of victory as well as the sense of the importance of the occasion, as it was a history-making one.

The key-note of the entire session was Prayer, as the brothers and sisters felt the need of guidance from God as they formulated plans for the future. All of the ministers and officers and nearly all the delegates who attended this Alliance have been called "Up Higher." Mrs. Simon McLeod, Mrs. N. S. Boyer, Mrs. A. L. Bubar and Mr. L. C. Watt and Mrs. S. A. Baker are all the delegates I recall as being alive at the present time.

During the following year the Alliance was held at St. John, Sandford, Millville and North Head.

In 1894 we came to Beulah and that was a notable gathering from many standpoints. As we were on the grounds nearly six weeks before the Alliance opened we had enjoyed the beautiful springtime, the wild flowers, the beauty of the river and our anticipation of meeting with the dear friends who we were hoping would come. There was so much to be gotten in readiness for the arrival of the people, we were never lonesome, and looked forward with pleasure for the day when the delegates and people would come. Needless to say we were glad when the steamer would come to the wharf as there were songs of praise to God for giving us this beautiful spot.

The only building the first year was "Cedar-dale," and our little Camp and two cottages which were being built.

As we have reached the fiftieth milestone and have come together for our "Anniversary Alliance," we should come with praise and gratitude for all that God has done for us as a little company of people.

The result of these fifty years of faithful preaching should convince us all that those who led the way in this movement to spread Scriptural Holiness were divinely guided. As we enter upon another epoch we have no reason to fear, as God is still on the throne. "The mercy of the Lord is from everlasting to everlasting, upon them that fear Him, and His righteousness unto children's children," to such as keep his covenant and to those that remember his commandments to do them, "He hath remembered his covenant forever the word which he commanded to a thousand generation." Ps. 105:8. But we see there are conditions to be met, we must keep His commandments.

We must not turn to the customs and follies of the world with its amusements and fads, for we read in John 2:15: "Love not the world, neither the things of the world, if any man love the world the love of the Father is not in him." I think we should make a special effort to get to Beulah this year and help to make this Alliance an inspiration to all who come.

"Faith of our fathers living still

In spite of dungeon, fire and sword:  
O how our hearts beat high with joy  
Whene'er we hear that glorious word:  
Faith of our fathers! holy faith  
We will be true to thee till death!

Faith of our fathers! we will love  
Both friend and foe in all our strife:  
And preach thee, too, as love knows how  
By kindly words and virtuous life." Chorus

In Christian love,

MRS. S. A. BAKER,  
Moncton
