

MISSIONARY CORRESPONDENCE

Dear Friends: Natal, So. Africa

I am reminded by the calendar and by the seasonal plant life about me, that Christmas will soon be here. You, friends, in Canada and the northern States look for snow at Christmas, and we here look for green corn, etc. With the many others who are gladly wishing you a Merry Christmas, I unite, and may God make it a very blessed time to each of you. Let us seek unto Christ the world's first Christmas present, and as we send our gifts to this one and that, may we be sure that we have unreservedly given ourselves to our Redeemer" . . . that they which live should not henceforth live unto themselves, but unto Him which died for them and rose again."—2 Cor. 5:15.

A Happy New Year too! For it comes so quickly after we have enjoyed the Christmas season. Some of us will not be given all the days of this new year, the call will come to enter the life beyond. The healthy Christian experience desires and realizes development. Let us not wait till New Year's Day before we advance to claim new territory spiritually. Jesus may come soon, let us not forget His commands about this event, "watch," "pray," so that that day shall not overtake us as a thief.

Friends continue to pray for the heathen here in Africa. There are many yet to be saved. Pray that the great revival that we have been having may be renewed in power, it seems to have slowed down of late.

May God bless and enrich each member of His great family, and make you like Abram: Gen. 12:2 ". . . and thou shalt be a blessing."

Yours happy in the Master's Service,
CHARLES D. SANDERS

CORRESPONDENCE

Dear Highway:

Our campaign at Brazil Lake, N. S., was from Oct. 5th to 20th. The week night services were very well attended and the Sunday services were exceptionally large. Great interest was manifested. People came a great distance to attend the services. Rev. J. A. Owens was our evangelist and proved that he was a man with unusual ability. He came to us in the fulness of the blessing. We enjoyed having our Brother Owens with us at the parsonage. The weather was ideal. We regretted that our campaign was so short. It seemed that we had just cleared away for a real revival when we were forced to close in order to open our campaign at Sandford. There were some seekers, however.

The Sandford campaign was from Oct. 23rd to Nov. 13th. My pastor, Rev. E. R. Watson, was our evangelist. Our attendance during the week was a good average and the Sunday services were largely attended. The last night of the meeting we had the largest crowd that we have had in the Church since I have been pastor. Outside people came to the Sunday services.

Brother Watson seemed to be the right man in the right place. God laid a special line of truth upon our brother. He was true to his trust. He brought forth truth under the direction of the Spirit. The Church received real help from the strong messages. Some hearts received definite help. Our brother preached with the blessing of God upon his soul. Can we ever forget the way God came upon the scene that Monday night while Brother Wat-

son talked on the theme, "The Repairer of the Breach?"

Brother Owens and Brother Watson each spoke over the air from Yarmouth. Their messages were greatly appreciated by those that listened in.

We are anticipating a revival campaign at our Church in Port Maitland this winter with Rev. F. A. Dunlop as evangelist and Brother Carl Mullen as special singer. Pray that God will give us a real outpouring of His Spirit.

Yours for Holiness,

G. A. ROGERS

Killam's Mills Dear Brother Dow:

Greetings in Jesus' Name. During the fall we had special meetings at Salem and Killam's Mills with Evangelists R. T. Sellick and G. A. Rogers.

During our meeting with Brother Rogers at Killam's Mills the weather was very unfavorable, and hence we were handicapped in both time and attendance.

Our Church enjoyed and profited by the good preaching of both our brethren. Some were saved and others were sanctified and as churches we feel strengthened for greater conquests in the future.

Dear Brother Dow:

We feel we have much to be thankful for. God has surely been good to us and we praise Him for His love and blessings.

Brother F. A. Dunlop was with us two weeks and for three Sundays. He began Oct. 23rd. He brought us some great messages which we enjoyed and proved helpful to the Church. We enjoyed the fellowship of our brother, and souls were blessed and helped under his teaching and preaching. Some sought and found victory.

Thanksgiving has come and gone. The people here kindly remembered their pastor with a nice turkey and three chickens.

Our services are times of blessing. We thank God for His presence and help.

Yours in Him,

HARTLEY E. MULLEN

Dear Highway Friends:

Christmas Greetings:

The weeks and months seem to have flown since we left Beulah Camp, where we spent such a wonderful summer.

The fellowship of friends and association of loved ones shall ever be treasured in our memories.

I was privileged to attend the 50th anniversary of the Woodstock Church, which was a time of refreshing and blessing; was also glad to meet old friends again.

On Sunday I sat in Brother B. M. Colpitts'

Class where he taught the lesson. How little we thought that in less than two weeks we would hear of his death.

How important it is to be ready for our home call, which we may hear any day.

Wishing each of you a joyous Christmas and a Happy New Year, with the blessing of the Lord upon you day by day.

In Christian love,

IDA M. KIERSTED

Dear Highway Friends:

A report from this part of the globe we believe is timely.

We are praising the Lord for His many blessings both temporal and spiritual. Thank the Lord for victory through the precious blood of Christ.

We appreciate the kindness of our church members and friends who remembered us with a Hallowe'en Party and donation of groceries, vegetables and a chicken. A good social evening was enjoyed and we trust God has richly blessed all who participated. Since that time we have been remembered by a gift of five dollars from one of our church family; some others have given us meat, home-canned goods, and one elderly lady (not a member of the church), gave the pastor a pair of mittens she had knit. The summer and fall has been hard on this field. Our people have had very little work, and for that reason our church offerings have been small. The Lord knew how badly we needed an extra lift. We thank Him for supplying the needs thus far through the goodness of His people. He has and will honor those who sacrifice for His cause.

Our anniversary services were times of blessing. We were assisted in special music by the Ingalls Sisters from Seal Cove, Grand Manan and some of the local talent in our church. Misses Theda and Lois Ingalls and Iona Beal and Thelma Alley formed a quartette that we would be glad to take anywhere in the Lord's work.

We are glad to report good interest in our new work at E. Millbridge, Me. We started meetings there about two months ago. For the present we are using the Garage Hall, which used to be a church building, to hold our services in. We appreciate the kindness of the Garage in letting us have the use of their building, and also supplying us with light and heat all free of charge. We are praying that we may be able to organize a church there.

We desire the prayers of all our readers.

Yours in Him,

REV. and MRS. E. R. BRADLEY

Dear Editor:

Norton, N. B.

Please find enclosed my renewal for the Highway 50c for Supplementary Fund. Yes, we love to have the Highway come to our home. For many years we have taken it and don't want to get along without it. How we love to know about the good work in other places. We are praying for the work here at Norton and believing God will do his part every time that we do ours, glory to His Name! As we are on the down hill side of life we look up and sing, Glory to God, I am the Child of a King. May the dear Lord bless the ones who labor in the foreign field.

Wishing all a Merry Xmas. God bless you in your work.

Yours in Jesus' name,

MRS. D. H. HAYES
