

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

Rev. E. R. Watson, of Meductic, N. B., is assisting his brother, Rev. F. A. Watson, pastor of our church at Beals, Me., in special meetings.

Rev. J. A. Owens and Mrs. Owens have accepted a call to take charge of our church at Saint John this year.

Rev. P. W. Briggs has resigned his pastorate at Head of Millstream church, and is open for a call, and following are also the names of several others who have resigned and are open for calls to others fields: Rev. H. S. Mullen, 1 A. Carleton St., Saint John, N. B.; Rev. H. S. Wilson, 5 Walnut St., Milltown, Maine; Rev. Hollis Kimball, Black's Harbor, N. B.; Rev. H. L. Robertson, Havelock, N. S.

Rev. H. C. Archer supplied the pulpit at Moncton at the evening service on March 5th, in the absence of the pastor. The people enjoyed his message.

Rev. H. C. Sanders has resigned as pastor of Amherst Church, and the Church has given Lic. Mered Grant a call, which he has accepted.

Our out-going missionaries, Rev. E. A. M. Kierstead and family left Saint John Thursday, March 10th, for South Africa to the mission field. See the report of their farewell meeting on Page One, also several letters in this issue.

Mrs. I. M. Kierstead, our missionary's mother, plans to remain in Saint John for a few days after her son left, to visit friends.

Our returned missionaries, the Sterritt Sisters, also remained in Saint John for a while after the farewell meeting.

The evangelists who were to begin evangelistic meetings at our church in Fredericton on March 5th, did not come because of the illness of Mrs. Mallory, and the editor of the King's Highway spent Sunday in Fredericton and spoke at the morning and evening services.

Rev. F. A. Dunlop and the Marysville Church are expecting to begin special meetings soon, with Lic. A. D. Cann as evangelist.

A card from Rev. W. E. Smith, who is assisting Rev. H. S. Wilson at Calais, Maine, reports good attendance and a good spirit in the meetings.

The Quarterly Meeting of District No. 2 will convene with the church at Amherst, March 23rd continuing over Sunday. All are cordially invited to attend.

W. B. LOGAN, Sec.

Christian giving is not a necessary evil. According to the Scriptures it is an act of worship.

PERSONALS

Mr. and Mrs. C. S. Ingraham are rejoicing over the arrival of a nine pound boy, Neil Albert, born Feb. 4th. Brother Ingraham is teaching school at Cumberland Bay, Queens Co., N. B.

The Editor of the King's Highway passed through Woodstock recently and made a few brief calls on some friends. We found Mr. and Mrs. T. W. Whitten both confined to their beds. Brother Whitten has been in bed for over four years, and Sister Whitten had suffered a recent heart attack.

Also Brother Charles Grant is confined to his bed because of lameness and infirmities of age. He is at the home of his daughter, Mrs. G. B. True. He and Brother Whitten are both about 85 years of age. They are all looking forward to a better country and rejoicing in hope of a triumphant translation. God bless these faithful saints of His. We also made a brief call on Mrs. S. A. Baker and Mrs. C. P. Phillips and found them both enjoying very good health, and active as usual in the Lord's work.

Deacon A. G. Good, of Moncton, is still very weak but has been gaining some strength lately.

MARRIED

Tompkins—Kelly

A very pretty wedding took place at the home of Mr. and Mrs. Harry Tompkins at Millville when their son Robert was united in marriage to Noreen Kelly, also of Millville.

A dainty luncheon was served after the wedding.

We wish the young couple every happiness.

AN EXPRESSION OF THANKS

I wish to express through the Highway my heartfelt thanks for all the kindness that has been shown to Eugene and family; for the lovely gifts they received, even up to the last day as they reached their steamer, and for the many friends that called on them before they sailed—almost every one brought tokens of love and good will. They were to sail at 1.00 a. m. last night, March 10th.

They were happy to go.

May the many prayers that are being offered in their behalf be wonderfully answered in giving them a safe and pleasant voyage, and giving them many souls for their hire. The Lord bless them, is the prayer of their mother,

MRS. I. M. KIERSTEAD

CORRESPONDENCE

Beals, Maine.

Dear Brother Dow:

I am inclosing P. O. for the renewal of my Highway. I enjoy reading it very much. I am so glad that Jesus has saved and sanctified me; He is my all in all. By His grace I mean to live for Him.

Your sister in Christ,

RUTH M. BEAL

Hassetts

Dear Bro. Dow:

I here inclose \$2.00 to pay for my Highway. Always glad to get it, and never feel satisfied until I have read every word of it. Glad for the answer you gave to the question asked, "Is it right for Christians to vote for governments that have liquor stores?" Your answer has been my convictions for the last two or three years. I don't see how Christians can talk temperance and still vote for either government we have now. I also see by the Highway that some of our ministers are resigning, among them my own pastor, Bro. Robertson, who has been with us three years. Well he sure has been a faithful pastor. He has been the right man in the right place. He and his precious wife have taken a great interest, both for the salvation of souls and the church in general. Every thing is in a better condition than when he came, and may the blessing of the Lord be upon them as they go to a new place to labour. I am glad for the Holiness way, glad for men of God that dare to preach the truth. Its true Holiness is not popular these days but there is coming a day when it will be, for without Holiness no man shall see the Lord.

Yours in Christian love,

MRS. DOUGLAS MULLEN

Just a little speck—that is all it takes—to stop a car from going. Let us ask God what that speck is that is hindering His power in us.—R. G. Le Tourneau.
