

CORRESPONDENCE

W. Jonesport, Me.

Dear Bro. Dow:

A few notes in haste. We have just closed a series of meetings with Brother B. F. Kimball as evangelist. We enjoyed his good preaching and thank God for some visible results.

E. R. BRADLEY

Meductic

Dear Brother Dow:

I thought a few lines from us concerning work on this field would not be amiss.

How the time passes. We are on our fourth year on the Meductic Circuit. True we have had testings, but we have always found

God's grace sufficient,

God's grace, deeper far than the ocean,

God's grace broader far than the sea;

God's grace, higher far than the mountains,

God's grace saves and keeps even me.

We rejoice in the Lord, because He remains ever the same, amid all the changing scenes of life.

Although the work here has suffered because of some who have moved away, and some who have gone to the Glory Land, yet we thank the Lord for those that are left, and are willing to pay the price, and keep the fire burning in their souls. We are praising the Lord for a few, who have of late accepted the Lord as their personal Savior and are rejoicing in the knowledge of sins forgiven. God's blessing is on our meetings. The fire burns, Glory to God. Green Bush services are a time of real refreshing. Meductic services are very well attended; we are praying for a revival in this place.

We have a few faithful folk at Lower Southampton, and we are praying that the Lord will revive the work at Middle Southampton Church.

We would like to thank our friends far and near, who remembered us at Christmas with cards and gifts.

Would like to mention too, that in November, the folk of Meductic made their annual visit to the parsonage and gave us a fine donation of produce and cash, also a fine donation of produce and cash from the folk of Green Bush and Middle Southampton, just before Christmas. Then on Christmas Eve, Sister Beatrice Marsten on behalf of the Praying Band in Meductic, placed beneath our tree a lovely 8-day kitchen clock.

We tried to thank all for their kindness to us. And again we say thank you and God bless you one and all.

Our heart's desire is to be a blessing to them and that the Lord will bless them with spiritual gifts.

Yours in Him,

Mr. and Mrs. E. R. WATSON

Dear Brother Dow:

Enclosed please find Post Office Order for one dollar and fifty cents for my renewal for the Highway. I find the Highway a great comfort to me and I appreciate hearing about the work of the dear Lord which is being done, and especially the letters from our missionaries in South Africa, and may God bless the work being done through the King's Highway.

Yours in Christian fellowship,

MRS. P. B. HURLBERT

Dear Highway:

You ever welcome guest, we look for your coming like an old friend. Just let us say we

are still saved and sanctified and enjoying life in general. We are sorry to have to report that our son, Paul, had the misfortune of breaking his ankle, but seems to be coming on nicely. Since last reporting we have been engaged in revival services, Jan. 16th over Feb. 11th. Bro. A. D. Cann was our evangelist and proved himself again as the right man in the right place. He preached under the anointing of the Spirit, we believe, and God blessed his ministry to the end that twenty-five souls found their way to the altar of prayer where they either believed God to save, reclaim, or sanctify, them. They all seemed to get that for which they came. We trust they will ever be true and ever be a means of grace to others.

Since the revival is over another man has found his way back to God. We praise the Lord for all His goodness.

The Lord is helping and blessing in our regular services and we did so much appreciate our brother's ministry amongst us and praise the Lord for all those who came out. Pray for us that we may see many more coming.

Yours for Holiness with no side issues,

H. S. and MRS. MULLEN

Milltown, Maine.

Dear Highway Readers:

A brief report of our special meetings in the Calais Reformed Baptist Church. Rev. H. S. Dow of Moncton was our evangelist who came to us on January twenty-eighth and continued with us for five Sundays. The services were well attended; many from other churches came also. The preaching of the Word was of very high order and under the anointing of the Spirit. Conviction rested on the people from early in the meetings. A good number voluntarily left the pew and made for an altar of prayer. Others were urged. There were no barren services.

The blessing of the Lord was upon the meetings throughout. The closing service saw five come forward to seek the Lord. All professed to find the Lord. There were ten who sought the sanctifying grace of God as a second work of grace. Others were reclaimed, while several were converted for the first time. There were in all thirty who sought the Lord and claimed victory through the blood.

Brother Dow laboured faithfully with the cause on his heart and God honored the faith and efforts of His people and the preached word. The Church has been greatly strengthened in the Lord and takes new determination to push the battle for God and holiness.

We were encouraged by the fine number of young people who received definite help in these meetings.

Pastor and church appreciate the fine cooperation of Rev. H. S. Wilson and his church at Crawford, Maine. Brother Wilson attended the services quite regularly and was always a blessing.

The readers of the Highway are requested to pray for church and pastor that he may be enabled to feed and lead the flock on in the things of God.

We consider this one of the best meetings that has been our privilege to attend. Brother Dow is a faithful and true servant of the Lord.

All the praise belongs to the Lord.

Yours in Him,

H. L. ROBERTSON

Dear Highway:

In our report through the Highway concerning the splendid donation given us on Nov. 20th, a

few words seemed to be missing. Those few words told of groceries amounting to about eighteen dollars. We surely want to give the people credit for the entire donation. This was too large an amount to omit without acknowledgement.

At Christmas time we were remembered with over one hundred greeting cards. Friends in Yarmouth and Brazil Lake remembered us with personal gifts. The Sandford Church gave us over thirteen dollars in cash and the Port Maitland Church gave us a beautiful ottoman to match our parlor suite. We were pleased to be remembered with so many cards and we certainly appreciated the kindness of the church people to their pastor and wife.

Mrs. Rogers spent the Christmas season with her people in Saugus, Mass. I spent three days with my parents at Benton, N. B.

We are having an old-fashioned winter in Nova Scotia. Our revival services at Port Maitland were from Dec. 31 to Jan. 21. The heavy storm came one day ahead of our meeting. This tied up traffic a good bit the first week. The weather was favorable the second week and our crowds increased. The last week was stormy again and kept many people from our services. It prevented many of the Sandford people from getting up very often. We missed their presence and prayers. Our little band of folk took hold in united prayer and held steady right through the campaign regardless of the condition of weather, times or anything else. God honored their faith. About 15 knelt at the altar during the meetings to be saved, sanctified or reclaimed.

Rev. and Mrs. B. C. Cochrane were our special workers. Their singing was greatly enjoyed. Brother Cochrane is a good song leader and fine evangelist. His preaching is definite and very inspiring. Mrs. Cochrane spoke to the children on one occasion. They had charge of one of the broadcasts at Yarmouth.

We enjoyed their fellowship and hated for the time to come for them to leave. A good spirit is resting upon our prayer meetings and preaching services at Port Maitland since the revival. Requests are being made for prayer. We are trusting God for further victory.

Dear Bro. Dow:

I wish to report a very pleasant surprise tendered us by the members of our congregation on the evening of February 17th.

Between sixty and seventy persons invaded our home bringing with them smiles, good-will, and ever so many nice things to eat.

During the course of the evening Rev. P. J. Trafton, on behalf of those present, presented us with a purse of money, amounting to sixty-four dollars.

We tried to thank these good folk for their continuous expressions of kindness to us. It was only the week before that the church gave me twenty-five dollars above my salary, for a little job of work I had done on the church property. So you see we are being well cared for.

We feel very grateful for our Heavenly Father's care and purpose to serve in the spirit of Christian love.
