

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

Six short weeks and Beulah camp-meeting time will be here again. Many who were there last year will be absent this time. Some never will see Beulah again, because they have been translated to the great meeting of the Blood-washed above. We shall miss them here. Beloved, has it occurred to you that this may be your last opportunity to attend Beulah? Then are you planning and praying to make this year at Beulah your best? And also in your home church are you working to that same end, lest the night cometh when no man can work?—H. S. D.

Rev. H. M. Kimball has accepted a call to the pastorate of Killams Mills and Salem churches. He will probably supply some of the other churches on that field as he has opportunity.

Rev. F. A. Anderson has accepted a call to Woodstock Church for the coming year.

Rev. G. A. Symonds, of Seal Cove, writes that his work there is encouraging. He expects to have a baptism soon. His daughter, Betty, who was operated on for appendicitis is quite well again and expects to be back at school soon and grade this year in spite of her long absence from school. We congratulate Betty on her recovery and courage to make her grade. The Lord bless her.—H. S. D.

Rev. E. A. M. Keirstead, one of our missionaries in charge of our mission work in South Africa, has recently been confined to his bed with malaria fever, which is very common in that country. We trust that he is fully recovered before this time.

Rev. and Mrs. B. C. Cochrane are assisting the pastor, Lic. B. Price, at Woods Harbor, N. S. They are to assist Rev. G. A. Rogers at Brazil Lake, N. S., from June 8th to 22nd. Let us remember to pray for them. They closed their meeting at Amherst on Sunday night, May 4th, with some definite cases of salvation, and we hear that the meeting was a great blessing to the Church there.

We have not heard that Royalton and Millville circuits or Amherst churches have pastors yet. These are very important fields of labor, and whereas some of our preachers are not settled yet, these churches ought to try to secure a pastor at once. We think that Rev. L. T. Sabine, of Woodstock, and Lic. Mered Grant, of Amherst, are available and perhaps some others of our good men.

MARRIED

Harvey-Green

A very pretty wedding took place at the Reformed Baptist parsonage at Seal Cove on Friday evening, April 11th, when Winnifred Green, daughter of Mr. and Mrs. Lyman Green, of Woodworth's Cove, was united in marriage to Percy Harvey, son of Mr. and Mrs. Harry Harvey, of Seal Cove. The groom is now in the Canadian Army, and returned to his post Monday, April 14th.

We join their many friends in wishing this fine young couple a long and happy married life.

REV. G. R. SYMONDS

I sometimes feel the thread of life is slender
And soon with me the labor will be wrought;
Then grows my heart to other hearts more tender,

The time is short. —Dinah Muloch Craik.

PERSONALS

Sister Kimball, of Fort Fairfield, Maine (widow of the late F. H. Kimball), who spent the winter in Florida with her daughter, Mrs. Roy Kinnie, has returned home and is enjoying good health.

Mrs. Asa Mullen, of Nova Scotia, is visiting in Moncton with her daughter and family, Rev. and Mrs. H. M. Kimball.

A letter from our good brother, S. B. Charlton, of Somerville, Mass., says that they are all in about their usual state of health.

Mrs. F. H. Lock, of Amherst, has been in poor health the past winter, but is improving again.

Brother Abner Hopper, of Moncton, is confined to his bed in poor health.

Brother Aaron Churchill, Sandford, N. S., has been quite ill for several weeks.

Mrs. Frank Kinney and Mrs. Phillip Hulbert, Yarmouth, N. S., have been quite ill this spring.

Mrs. Hattie Haskell has been unable to get out to services.

Will the readers of the Highway please remember these folks in prayer.

Brother Walter Steeves, of our church at Killam's Mills, was rushed to Moncton Hospital Monday morning, May 12th, and operated upon for appendicitis. At this writing he is quite comfortable.

Our good sister, Mrs. S. A. Gray, of Billerica, Mass., has lately been to the hospital, where she also underwent an operation for appendicitis. We are glad to hear from her daughter that she is recovering nicely, for which they give God the glory.

Brother Irvin Trites, of Lutes Mountain, is also a patient in the hospital at Moncton, where he underwent a serious operation for hernia, three weeks ago. We are thankful that he is slowly recovering. Percy Duffy, of Moncton, is also in the Moncton Hospital and was operated on for the same trouble. He also is rapidly recovering.

We had a letter recently from our good sister, I. M. Keirstead, of St. Andrews. We are sorry to learn that her health is not very good. She is suffering with cold and bronchitis. She is not sure whether she will be able to go to Beulah this year.

Mrs. Cora Grass, of Moncton, has moved to Montreal to be near her son, Zenas, who has a position there.

Sister Keirstead writes that her sister, Mrs. Estey, of Millville, N. B., has gone to the hospital in Fredericton for an operation. Let us remember to pray for all our sick ones. Sister Keirstead is praying for the meetings at Beulah again, that we may have a mighty visitation of God in our midst, that His Spirit may be poured out on us all in great measure and the results will be the salvation of many souls.

NOTICE

Port Maitland, N. S.

I am mailing to our churches the blanks for the annual report. If any church has not received a blank, please notify me. Our churches close their church year on June 15th and the report is to be mailed to me not later than June 18th. MOTHER'S DAY

Samuel Judson Porter

Lord of the beauteous earth and fairer skies,
On thoughts of motherhood we seek to rise
As on a shining stair to thoughts of Thee,
That from the heights we may the better see
How rich we are in that which Thou dost give,
And what the ends for which we ought to live.

Teach us true reverence for motherhood—
Mysterious co-creatorship with God.

We thank Thee for our mothers, Lord; they taught

Us how to magnify Thee in our thought
And how to pray, low-kneeling by the bed,
With gentle hand laid on a curly head.

Popularity is like the tides of the sea: it rises and falls. The influence of a truly good and great man is like the mountains and the stars, it stands forever.—N. D. Hillis, in Baptist Standard.
