

## MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him.—Psa. 126-6.

We just received a letter from Rev. E. S. Phillips, of West Somerville, Mass., saying that our good brother, Rev. W. E. Smith of the same place was taken to the hospital there with gall bladder trouble and was operated on last Friday morning and seems to be recovering nicely. We are sorry indeed for our brother's sickness, but glad that he is making good recovery. The Lord bless him.—H. S. D.

Our evangelistic meetings in progress at Westchester, N. S., are encouraging indeed. We had quite a good break Tuesday night when a man and two women came to the altar as seekers, and prayed through to victory. Please keep on praying for our work here.

Rev. L. T. Sabine reports that the work is encouraging at Crystal and Belvedere. At the latter church two were at the altar on Sunday evening. Baptism of two or more candidates is expected soon.

The Moncton church enjoyed the privilege of having De Verne Mullen with them Sunday, Sept. 28th. His messages in song were greatly appreciated by large congregations. He also sang over Radio Station CKCW Sunday evening 6:15-6:30 and many favorable comments were received.

Good reports of the special meetings at Westchester have been received. A number have been at the altar for pardon or purity, and many have requested prayer. Rev. H. S. Dow, who is assisting Bro. Cann, the pastor, will remain with them over Oct. 5th. Let us pray for them.

On Sunday, Sept. 14th, Rev. L. T. Sabine baptized two candidates and received four into the membership of Belvidere church.

Rev. L. T. Sabine, wife and mother and son Ronald motored to Boston, Mass., last week. Ronald will attend Eastern Nazarene College, and his parents and grandmother will enjoy a brief visit with relatives at Marion, Mass., before returning home.

## ERRATA

In my article, entitled "Questions and Answers About the Financial Plan," the linotype made me say what I did not say.

In Section 2, it should have read: Because it is always a help and inspiration to have a "goal set up," not a "good set-up", as the paper had it, though this was suggestive, for it is an inspiration to have a good set-up.

In Section 5, towards the last where it reads, "Yet in the denomination at Beulah Camp", it should have read, "Yet in the service of the denomination," etc.
