

On motion resolved that a Sunday School convention be held in connection with the next quarterly meeting convening with the church at Saint John in March, the meeting to be held on Friday evening.

Sunday being the last great day of the feast, was indeed a day of blessing and inspiration. Sister Miriam Sanders conducted the love feast at 9.30 and spoke from John 12:32. This was a message of special help to the saints as Sister Sanders emphasized the need of lifting up Jesus to a needy world. The following message was delivered by Brother Dow and the text was found in I. Thess. 5:19: "Quench not the Spirit" or "Don't put the fire out." This was a helpful and stirring message. Sunday afternoon Sister Owens preached from I. Cor. 10:12: "Wherefore let him that thinketh he standeth take heed lest he fall." A fine spirit prevailed in this service and the blessing of the Lord was in evidence as our sister delivered the truth.

The closing service of the quarterly was in charge of Brother Cann, who brought a stirring message from Daniel 25:28. The truth was delivered under the anointing of the Spirit and several hands were raised requesting prayer. At the close, the service took on the nature of a prayer and praise meeting and a time of blessing was enjoyed.

On the whole we felt the services were without exception rich and full of blessing. More than twenty-five ministers and delegates were present, and the services, especially on Sunday, were well attended.

May God bless His people and lead us on to a greater realization of His mighty working power in our midst.
