

MINISTERS AND CHURCHES

He that goeth forth and weepeth bearing precious seed shall doubtless come again with rejoicing, bringing his sheaves with him."—Psa. 126-6.

The dedicatory services at Perth May 7th were largely attended and richly blessed of the Lord. Read the full report elsewhere in this paper.

Special meetings were conducted in our church at Victoria, N. B., during the month of April. Rev. H. S. and Mrs. Mullen and Paul assisted for a few nights, and during the rest of the campaign Rev. F. A. Anderson co-laboured with the pastor, Rev. A. D. Cann.

Many of our churches are taking advantage of the prosperous times to repair and improve their buildings. It is indeed a good time to do such work and every place of worship should be improved according to the need.

We very much regret to learn that Rev. B. D. Price has entered the Victoria General Hospital, Halifax, N. S. Brother Price has been in poor health for some time and entered the hospital for observation. At this time we have no further word on his condition, but request that all our readers remember him in prayer.

The church at Wood's Harbour has been engaged in revival effort with Rev. Thomas Gordon as evangelist.

A letter received by Rev. H. S. Dow from Rev. S. W. Blanchard, secretary of the Canadian Holiness Federation, states that this new organization is forging ahead. District branches have been formed at Kingston, Toronto, and in the Hastings Co. area of Ontario, and well attended conventions have been held.

Rev. B. C. Cochrane will conduct morning devotions over radio station CKCW, Moncton, May 16th-19th. The morning service of Sunday, May 21st, will also be broadcast from our Moncton church.

Rev. L. T. and Mrs. Sabine expect to attend the commencement exercises at Eastern Nazarene College this month. Their sons, Ralph and Ronald, are both to graduate, Ralph receiving the A. B. degree and Ronald A. B. and Th. B.

A MOTHER TO HER SON

Do you know that your soul is of my soul such part

That you seem to be fibre and core of my heart?

None other can pain me as you, dear, can do—
None other can please me or praise me as you.
Remember, the world will be quick with its

blame,
If shadow or stain ever darken your name.

'Like mother, like son' is a saying so true,
The world will judge largely of mother by you!

Be yours, then, the task, if a task it must be,
To force the proud world to do homage to me.
Be sure it will say, when its verdict you've

won,
'She reaped what she sowed. Lo! this is her son!'

For twenty years the vast area of the Soviet Republic of Russia has been practically closed against ministers and missionaries; but in the urban population one person in every three is still a religious believer, and in rural districts two in every three. The vitality of the Christian faith has never been more in evidence than in Russia and Rumania. Three hundred million people in Europe are now deprived of religious privileges, but religion still lives.—United Presbyterian.
