We have good reports of Riverside Campmeeting from a number of our pastors. Doubtless a detailed account will appear later.

Will pastors kindly see that the names of all boys affiliated with their churches who paid the supreme sacrifice in the recent war are sent to the Editor of The Highway with information regarding time of death, sphere of action, branch of services, rank, etc. We would like our memorial list to be complete.

REVIVAL HINDRANCES

Professors of religion greatly hinder a revival and sometimes stop it, by doing the following things:

Neglecting to pray for it.

Declining to do personal work with the unconverted.

Unsteady attendance at the services.

Engaging in acts, tempers, or amusements which are inconsistent with a revival spirit.

Siding with the unsaved in their opposition to it.—Selected.
