NOTICE

A suggestion was made to me some time since re the advisability of purchasing a motor car for our missionary on the field, Rev. E. A. M. Keirstead. Doubtless a car would be a real asset to the work. You who have read Brother Keirstead's recent letter in The Highway must realize that such long trips by bicycle impose a very great hardship.

Now, I am placing this word in The Highway for the purpose of ascertaining the mind of our people regarding this matter. I think there is no question regarding the necessity. But, can we raise the amount needed? Personally, I am interested to the amount of fifty dollars. If a Fund is opened in The Highway for purchasing a car for Brother Keirstead, what will you subscribe?

Write me, for the response of our people will determine whether or not a fund to this end will be opened.

Yours, to do the right,

F. A. DUNLOP,

Pres. of F. M. Board

TO CORRESPONDENTS AND CONTRIBUTORS

Shortage of skilled labour and a heavy volume of business make the punctual publication of our Highway very difficult at times.

Our publishers, The Times Printing Co., of Moncton, are giving us the best possible service under the circumstances, and are very willing to co-operate in helping us to print our paper on schedule.

I'm sure that our correspondents and contributors will appreciate the situation and give us every assistance at this time when wartime conditions create so many difficulties. Ordinarily, material for The Highway would be at the office in time if it reached us four or five days before the date of publication. Under existing conditions it is impossible to state a definite time limit as to material reaching us. We can only request that correspondence, contributions, etc., be sent as early as possible. It is of positive advantage both to the editor and the printers if, immediately following publication of one paper, we can place material in the office toward the next. Then at a time when the rush of business slackens a little, work can be done on The Highway and late items can be handled as they come in.

Your kind assistance in the solving of this problem is earnestly solicited. Thanks for the co-operation I know we shall have.

B. C. COCHRANE

WEDDINGS

"What God hath joined together, let not man put asunder."

Sollows-Langthorne

At the Reformed Baptist Parsonage, Port Maitland, on the evening of Jan. 6th, Bernice Leola Langthorne, became the wife of Eugene Conrad Sollows. The ceremony was performed by Rev. F. A. Dunlop.

OBITUARY

"Blessed are the dead which die in the Lord."—Revelations 14-13.

Judson Mullen

The community of Havelock, N. S., was saddened by the death of Judson Mullen, Mr. Mullen passed from this life on Dec. 24 in the 66th year of his age. He was a good citizen, upright and honest in all his dealings, and will be much missed. He is survived by his wife who tenderly cared for him in his sickness; two step-sons: F/Sgt. Kenneth Sullivan, stationed at Kingston, N. S., and Cpl. Roy Sullivan, stationed at Dartmouth, N. S.; and one brother, Percy Mullen, of Hassetts, N. S., besides other relatives.

Funeral services were conducted from his late home by Rev. P. W. Briggs, assisted by Rev. Mr. Hogan (U. B.)

We had the satisfaction of knowing he died trusting in Jesus, which is such a comfort to his sorrowing wife and friends.

Samuel L. Coulthard

The death of Samuel L. Coulthard occurred at the Fisher Memorial Hospital, Woodstock, on December 19th, at the age of 72 years.

He had been ill of bronchial pneumonia for nearly two weeks, but was much improved and expected to be able to leave the hospital in a day or two so that his sudden passing came as a great shock to his relatives and friends.

The funeral was held from the home of Walter Hatfield, where he had made his home for the past five years, and was conducted by Rev. F. A. Anderson.

Interment was made in the Methodist cemetery, Woodstock.

AN ADDED FEATURE

In this issue of The Highway the first in a new series of articles appears. They will be printed under the caption, "Tempered Truths," and will come from the pen of Rev. F. A. Dunlop. The writer will need neither introduction nor recommendation to our readers, being well known as an able preacher and devoted minister of the Gospel. We welcome Brother Dunlop as a regular contributor to our King's Highway and feel certain that his messages will be greatly enjoyed by our readers.

NOTICE

Believing that many of our people would like a picture of our new missionary, Miss Myra Crowell, I have obtained a number of photos, post-card size, which sell at twenty-five cents. Anyone desiring one of these photos may have one by writing me.
