YOUNG PEOPLE'S RALLY

Marysville, N. B.
May 4-6

EDITORIAL

MAKE THE EFFORT

The success of our general Y. P. Rally at Marysville will depend largely upon the support given it not only by the nearby societies but by the delegates from over the whole denomination. In no other sense will it fill the purpose for which it is planned.

We hope that each society will pay the expenses of at least one delegate. This alone would assure us of at least twenty young people, besides the good representations which we know will be there from the churches closer to our meeting place.

Our rally should be denominational in actuality as well as in word. Hence, let us make the effort! Things will work when we do. Let us make it our sole business for the weekend of May 4-6 to go to Marysville and help push the rally to a real success.

SOCIETY LETTER

Moncton, N. B.

Dear Young People:

We are happy to report much of God's presence in our Young People's meetings.

Our attendance is increasing and a great interest is being shown. Among those attending are quite a number of airmen, and we are grateful for the help which they and their wives give.

Great credit is due our president, Vilis Hayes, who has made the meetings so interesting.

We are also thankful to God for the wonderful opportunity of broadcasting over CKCW on Monday evenings from 9.00 to 9.30. We are praying that we may reach many young people in this way and be a blessing to them.

We are thankful for our pastor and wife, who have been a wonderful help and blessing to our Young People's meetings.

To God be all the glory.

WHAT IS YOUR ANSWER?

How many minutes per day do you spend with the Bible in your hand? Be honest. Ask yourself that question, and answer it.

Is your daily use of the Bible marked by these heroic characteristics—Industry, Bravery, Fidelity? Are you really industrious? Does your Bible reading show well-thumbed and well-marked pages? Are you brave? Do you fearlessly take it out and read it when and where others can see? Or are you sometimes just a bit ashamed? Are you faithful in your reading? Or do you sometimes miss a day? More than one day?

If we could call out of the spirit world all the great worthies who toiled and wept and suffered, and even died to give us the Bible, and if you stood in their presence how would you feel? Would you feel ashamed of your use of the Book which cost them so much? If so, then resolve now as you read these lines, that God helping you, you will begin to pay your debt, not only to the men who were God's instruments, but to God Himself who is the Author of the Book.—Horizon.

OUR DENOMINATIONAL RALLY

We are looking forward to our denominational rally in Marysville, N. B., May 4-6 inclusive. It is for the purpose of spiritual strengthening that we are meeting together at this time.

God truly met with us in our fall rallies and we have every reason to expect a greater outpouring of His blessing upon us at this time. I feel we all have been praying that we shall have a special overflow of blessing at this time of meeting together.

God wants to do great things for us and He will if we will do our part, for the Word says: "If ye be willing and obedient, ye shall eat the good of the land." May we all come with a good wholesome spiritual attitude and the rally shall prove a great success.

Many will come from contacts with sin and which you encounter among those with whom you work. Such a season as this will prove a real refreshing—to meet and fellowship with a goodly number of those of like precious faith from our various churches.

Let's encourage and assist all whom we can to attend the rally that we may have as great a representation as possible.

With God's help we can make this the greatest rally we have ever had. Let us all see that a spirit of love and unity prevails and give our full support and we shall see the desire of our hearts.

May the Great Head of the Church crown the Rally with outstanding spiritual success, is our prayer. Amen and Amen.

RONALD T. SABINE,
Association Pres.

PRESIDENT ROOSEVELT ON CHURCH-GOING

"In this actual world, a churchless community is a community on the rapid downgrade. Church work and church attendance mean the cultivation of the habit of feeling responsibility for others.

"Yes, I know all the excuses. I know that one can worship the Creator in one's house, in a grove of trees, or by a running brook as well as in the church. But, as I also know, as a matter of cold fact, that the average man does not thus worship.

"He may not always hear a good sermon at church, but he will hear a sermon by a good man who, with his wife, was engaged all the week through, in making hard lives a little easier.

He will listen to and take part in reading some beautiful passages from the Bible, and if he is not familiar with the Bible, he has suffered a great loss.

"He will take part in the singing of some good hymns.

"He will meet and nod and speak to good, quiet neighbors. He will come away feeling a little more charitable toward all the world, even toward those excessive, foolish young men who regard church going as soft performances.

"I advocate a man's joining in church work for the sake of showing his faith by his works."

BENGLE'S PRAYER

It is recorded of Bengle, an old German saint, that he was much given to intercessory prayer, had power with God, and prevailed. One anxious to know his secret, watched him unobserved in his hours of retirement. "Now," said he, "I shall hear Bengle pray."

The aged saint sat long before his open Bible, perusing its sacred pages. Hours passed away, and while comparing scripture with scripture, the hour of midnight sounded. Nature seemed at length exhausted. He folded his arms over the open Word and, looking up, gave utterance to these words: "Lord Jesus, Thou knowest me; we are on the same old terms." A few moments more, and Bengle's weary frame was reposing in a sweet slumber.—The Little Evangelist.

I KNOW SOMETHING GOOD ABOUT YOU

Wouldn't this world be better,
If folks whom we meet would say,
"I know something good about you,"
And treat you just that way?

Wouldn't it be splendid,
If each handshake, good and true,
Carried with it this assurance:
"I know something good about you?"

Wouldn't life be happier,
If the good that's in us all,
Were the only thing about us
That people would recall?

Wouldn't our days be sweeter,
If we praised the good we see;
For there is a lot of goodness,
In the worst of you and me?

Wouldn't it be fine to practice,
This way of thinking too;
You know something good about me,
I know something good about you?

THREE THINGS TO REMEMBER

Remember, three things come not back.
The arrow sent upon its track.
It will not swerve, it will not stay
Its speed; it flies to wound or slay.

The spoken word so soon forgot
By thee, but it has perished not.
In other hearts 'tis living still
And doing work for good or ill.

And the lost opportunity,
That cometh back no more to thee;
In vain thou weapest, in vain dost yearn;
These three will nevermore return.
