A LETTER TO THE EDITOR

Dear Brother Cochrane:

I should have written you a long time ago relating this little incident concerning The Highway and what a blessing it is and can be. In the fall I was in Riverside, Calif. I had a few hours to myself on Sunday evening, so I went to the Nazarene Church. I sat about midway of the main auditorium and in a few minutes a man, his wife and family sat down in front of me. I noticed his wife carried a paper which looked familiar to me so I asked if I might see it. Sure enough, it was The Highway. I looked at the stamp on it and H. K. Golding's name was on it. I asked them if the folk who owned the paper were there and Mrs. Golding was called. She was the leader of the Young People's service. I asked her a few questions and found out Mr. Golding was from Peel, N. B. I hadn't seen him for more than 15 years. How many times when I was small had I enjoyed a visit at his mother and father's farm overlooking the Saint John river. She went home and got him, and how glad he was to see me; we truly had a time of rejoicing and praising God. After the night service I went with him to his home and had a nice lunch and talked old times for more than an hour. I saw him a few times later and enjoyed riding with him on his milk route. He is working hard for the Lord and is truly a child of God. This shows what a blessing The Highway is and can be.

Sincerely, SGT. ROBERT HARDING
