

MINISTERS AND CHURCHES

Rev. H. S. Wilson baptized four candidates at Black's Harbour, Sunday, June 15th, and received three into church membership. Our church at Black's Harbour has been moved to a new location and placed on a cement foundation. The basement is being finished with concrete floor and the entire building has been given a fresh coat of paint.

Rev. J. A. Owens baptized three candidates Sunday, June 15th, and received them into church membership in the evening service.

Rev. R. L. Sabine, pastor of our churches at Crystal and Belvedere, Maine, baptized six candidates recently and received three into church membership.

At the close of the revival campaign at Westchester, N. S., held during the month of May, three candidates were baptized by Rev. N. E. Trafton, and two received into church membership by the pastor, Lic. B. M. Hicks.

Lic. Mary Campbell has been conducting regular services at Norton and Mercer Settlement for the past six weeks. In addition to the Sunday services and prayer meetings, weekly children's meetings have been held, with encouraging results.

QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 3 convened with the Church at North Head, Grand Manan, N. B., May 29th-June 1st. Revs. G. R. Symonds, H. S. Wilson and F. A. Anderson were the visiting ministers, and brought to us messages from the Word.

A standing vote of appreciation was given to Rev. G. R. and Mrs. Symonds for their untiring labours on this district and to wish them success in their new field.

Definite Holiness was emphasized in each sermon brought during the Quarterly, and at the close of the Young Peoples' Service Saturday night, one young man knelt at the altar, while several young people knelt for prayer at the close of the Sunday night service.

Delegates were present from Seal Cove and Wood Island, and we feel these two churches should be commended for attending the Quarterly in such a large delegation over Sunday.

Organ selections rendered by Miss Gladys Upton added much to the Quarterly, while a choir number, several duets, and violin and organ selections were much enjoyed by all.

The presence of God was felt in our midst throughout the entire Quarterly. We feel it well worth while putting forth a little extra effort to attend these Quarterly meetings. Let us all try and attend or send delegates to our next Quarterly, time and place of which will be announced later.

LOMA B. ANDERSON,

Secretary

LETTERS FROM OUR PASTORS

Westchester, N. S.

Dear Highway Friends:

We feel that a report is due from this corner of God's vineyard. God has been with us during this past year and we have seen His workings in our midst.

In May we were privileged to have Rev. N. E. Trafton and R. H. Nicholson with us for

three weeks. Their ministry was truly a great blessing to the church. Several found victory at an altar of prayer during these services. The closing Sunday afternoon three candidates were baptized and in the evening service two were received into church membership. The whole church has been strengthened and encouraged and we are pressing the offensive against our great enemy and determined to go forward under the leadership of our Lord and Master.

The Church has upheld the pastor both spiritually and financially for which we are very grateful.

Yours for souls,

LIC. & MRS. B. M. HICKS

Island Falls, Maine

Dear Highway Friends:

Greetings in His Name!

Because of the Master whom we serve, we are able to report victory. He has promised that the "willing and obedient shall eat the good of the land," and "Be not weary in well doing, for in due season ye shall reap if ye faint not." These promises have been "tested and tried," so we can say to His praise, that all of our needs have been supplied and a number of souls have prayed through to definite experiences of God's saving grace.

We were privileged to have with us this spring in special effort, Lic. Walter Wilcox, the Revs. A. D. Cann, H. E. Enty and H. C. Mullen. These men labored with us at different times. God honoured their ministry in this place with twenty-two in all bowing at an altar of prayer. The ministry of the Word by these servants of God was much appreciated by pastor and people.

We have had the privilege of baptizing six candidates and receiving three into church membership recently.

We can truly say it has been a gracious privilege to labor with God's chosen people in this place for the extension of His cause and kingdom. It is with confidence and joy, as we accept a unanimous call to remain as pastor, that we look forward to the ensuing year in which we will see, by His grace, an enlarging of the borders of the Kingdom of our Lord and Saviour Jesus Christ.

His servants, R. L. & MRS. SABINE

Port Maitland, N. S.

Dear Highway Friends:

Greetings in Jesus' name. We are feeling better in body and I want to report victory in my soul. We have had, I consider, a good year on this circuit. God has blessed throughout.

In spite of my sickness, we have had two Quarterly Meetings, three Revival Campaigns, and have now just closed a wonderful week-end meeting with Rev. F. A. Dunlop as our guest speaker. All this apart from our regular church work.

We felt Brother Dunlop was at his best. He gave us some wonderful messages. The churches were all blessed and eternity above will reveal the good done.

Following the morning service on Sunday, Brother Dunlop baptized three candidates, two of which united with the church at Port Maitland Sunday evening and we expect the other one to join the Sandford Church on Thursday night of this week.

We enjoyed the male quartette from H. B. I. and Lic. Ralph Ingersoll, who were with us the Sunday of June 8th. God bless you all. Hope to see you at Beulah Camp.

H. S. MULLEN.
