

MINISTERS AND CHURCHES

Rev. L. T. Sabine was given a surprise birthday party on the evening of Nov. 20th by a member of his church at Woods Harbour, N. S.

This expression of esteem was greatly appreciated and the pastor says "Thank you" to all.—L. T. S.

As a result of the recent revival services at Woods Harbour, with Rev. R. T. Sellick as guest speaker, the pastor, Rev. L. T. Sabine, baptized six converts and received them into church membership.

Special services were conducted at Fort Fairfield, Maine, recently, with Rev. G. R. Symonds and Deverne Mullen assisting the pastor, Rev. H. S. Dow.

The Highway Editor learned since the last publication of Rev. H. M. Kimball's serious illness. We are pleased to hear of his recovery.

Rev. B. C. Cochrane will conduct morning devotions over radio station CKCW Dec. 9-12, 8.45-9.00 a. m.

Ministers will please note the change of dates for the Ministers' Convention at Marysville. Convention will be held Feb. 3-5.

SPECIAL NOTICE

It seems preferable to have the Ministers' Convention Feb. 3-5, 1948. Please note change.

P. J. TRAFTON,
Pres. Elders' Conference

H. R. INGERSOLL,

QUARTERLY MEETING

The Quarterly Meeting of District No. 1 convened with the Church at Fort Fairfield, Maine, November 6-9 inclusive.

This was a good Quarterly with splendid messages of truth and inspiration for all who love the gospel.

Ministers present were Rev. H. S. Dow, president; Revs. P. J. Trafton, H. C. Mullen, H. E. Mullen, H. M. Kimball, A. D. Cann, R. L. Sabine, Licentiates Helen and Alice Sterritt. Delegates from Fredericton, Meductic, Middle Southampton, Hartland and Fort Fairfield churches were in attendance.

The business meeting Saturday afternoon was well attended and encouraging reports, both verbal and written, were received from most of the churches of the District. Thanks to God for Rev. H. M. Kimball's recovery from so serious an illness at the time of the last quarterly was expressed by all. Surely He answered prayer.

The kind care of the visitors was appreciated greatly and a time of fellowship enjoyed. The new church at Presque Isle, Me., has invited the Quarterly Meeting for March, the date to be set later.

Sunday was a day of blessing with fine preaching and singing, and testimonies both at the love feast and closing service. The Lord was present and all who received the truth with open hearts were refreshed in body and soul and built up in the faith of our Lord Jesus. To God be the glory.

ALICE F. STERRITT, Secretary

CORRESPONDENCE

teen grandchildren and eight great-grandchildren. How we miss the church services. We look forward with eagerness for The Highway and read it with deep gratitude that God is raising up a host of young preachers to to carry on the work of "Second Blessing Holiness."

If we never meet here again we will meet in the great gathering over there.

Yours in Him,

REV. C. S. HILYARD

Saint John, N. B.

Dear Highway Family:

Greetings in Jesus' name:

I don't feel that anything I can say is worthy of space in our good paper, but I cannot think of another way to thank you all for the wonderful way you stood by me during my recent illness.

As letters and cards came in from different churches assuring me of the united prayers of God's people in so many places, it seemed many times all I could do was lie still and weep tears of gratitude that God had, in love and mercy, seen fit to adopt me into such a family. Truly, the power of your prayers was so real that I was able to face the crucial time of my operation, with utmost calmness and trust in God.

And equally so was the unseen power manifested during my recovery, and acknowledged with a sort of wonder, by both doctors and nurses. So I just gave God the glory!

Praise His dear name!

Our own church people here have been wonderful, and stood by us in every sense of the word, so that I feel tonight more than ever before, like singing, I'd rather have Jesus than anything, for with Him comes all these

wonderful friends, added to our blessed experience of salvation.

I still covet your prayers, dear ones, that my strength will continue to return, so that ere long I may be able to be of greater help and blessing in God's work.

May He bless and reward you all for your kindness and concern.

Yours in Christian love,

MRS. G. A. DeLONG

Crawford, Maine

Dear Highway Friends:

We are enjoying wonderful services in the Crawford Church. God is helping and blessing us and we have much to thank and praise Him for. His presence is real in every service.

Last Sunday (October 26th) was an outstanding day. Such blessing was upon the service that Rev. Watson didn't even get to preaching his message. The church raised \$101.60 on parsonage fund for Calais parsonage and nearly \$50.00 for other purposes. We had a little taste of heaven here on earth.

Brother and Sister Watson are blessed of God and surely are a great blessing and encouragement to all of us. Every message of the pastor seems backed by the Holy Spirit and lingers with us from service to service.

A few weeks ago we enjoyed a wonderful day with Brother Dunlop. Five were baptized. souls are being saved and sanctified and testifying with a shine on their faces and a shout in their souls.

Calais and Crawford Churches met at the parsonage recently with a nice donaiton, gift of money, and personal gifts for Brother and Sister Watson on their wedding anniversary. A very enjoyable evening was spent by all.

We ask the prayers of all you children of God that God will continue to help us to walk worthy of the calling wherein we are called, and to be obedient to His voice at all times. God bless you all.

Yours in His service,

GLADYS CRAFT (Clerk).

GOD'S BEST

God gave His best, his only Son,

To die on Calvary's tree.

He thought His best was none too good,

To show His love for me.

And shall I then give less than best,

To one who loved me so,

Or live below His plans for me?

My life shall answer, No.

God did not give His best that I,

Might weak or idle be,

He gave His best that He might make,

The very best of me.

He knows what I can do, and so,

I take His way and plan

To give the best and be the best

And do the best I can.

And as I give my best to God,

In service and in store,

He's always giving me His best,

Until my cup runs o'er,

And people wonder how I live

So happy and so blest;

It's just because I'm living where

I always get God's best.

While those who get the best of earth

Are feeling often blue,

God's smallest blessings bring a joy

That the world never knew

And when earth's best is turned to gall

Or sunk in death's dark river

The ones who gave to God their best

Will get His best forever. —Selected.
