

we will soon see new gains won for the Lord of the harvest.

I have been thinking of what I read in the daily newspapers: of the new move by Russia to spread Communism throughout the world, and it seems that the world of today is fertile soil for such an ism. If only the leaders of the Christian countries, as well as their peoples, would realize that this is a challenge that will finally overwhelm us, unless we have a revival of the Gospel message and saving power. If, instead of trying various counter measures, people of the Christian faith would get to work praying for a revival "beginning Lord with me," I believe that God would answer prayer in a mighty way and at least many more souls would be saved before the wind-up of this age, and the Devil's ambitions would be set back a good many years.

In spite of some discouragements, there are many encouraging things for which to thank God. May God continue to lead you out in prayer for your work in Africa. Souls are being saved and the work built up and there is a large door and effectual opened, even though there be many adversaries.

Yours for greater things in Him,

CORRESPONDENCE

To the King's Highway,
"Greetings in Jesus Name."

It has been a great pleasure to labor with Brother and Sister McGeorge here in Presque Isle and to minister to the members and friends of this newly organized Reformed Baptist Church. Brother McGeorge has done a wonderful work here, and has the love and confidence of the entire community, as well as his good people; his ministry is far-reaching and his influence for God and holiness.

We had a marvelous out-pouring of the Spirit upon our services with many seekers and happy finders for salvation and holiness. It was very gratifying to hear so many definite testimonies from those who sought heart purity, we give God all the glory. It was a pleasure to renew acquaintance with so many of our friends of former days from Fort Fairfield and Fredericton.

I still live over the days when God gave us such wonderful refreshings as we ministered in New Brunswick and Nova Scotia. Praise God He is still the same and answers prayer in the same old-fashioned way. I am kept busy in the Master's service. For the past three years I have been in the great Canadian Northwest, and have seen many souls finding God. May He continue to bless the Reformed Baptist Church, and its dear people, and add many more to your company, and to the church of Jesus Christ.

I send the season's greetings to all my friends through the King's Highway.

Yours for souls,
EVANGELIST MABEL R. MANNING.

LETTERS FROM OUR PASTORS

Presque Isle,
Maine.

Dear Highway Friends:

Greetings from Presque Isle. For the past three weeks we have been engaged in Revival Services with Rev. Mabel Manning, as Evangelist. Meetings were well blessed of the Lord from the very first night.

As the services progressed, the atmosphere

became heavily charged with conviction. The church was harmoniously working and united in prayer for a gracious out-pouring of the Spirit of God. Folk came from Perth, Fort Fairfield, Mars Hill and Caribou, and enjoyed the services, and many found God. Souls were saved, believers sanctified by the Holy Spirit, and backsliders restored Praise God.

I am glad it is possible to have a revival, not "a special meeting." I say a revival in these days; again we say, Praise the Lord.

We witnessed a touching and most impressive scene in Sunday School when 20 knelt at the altar for prayer. Our daughter Evelyn also was saved in this campaign.

We were greatly privileged to have a splendid Mass Meeting on Sunday afternoon at the United Baptist Church, with all churches uniting with us, when Sister Manning spoke on the subject, "What's the Harm? Why Can't I?". Again many asked for prayer, between three and four hundred were present, and over 100 young people came forward to be prayed for, crowding the altar and isles. This was a most impressive service, the whole community was stirred and many business folk spoke with great appreciation of the service and message given by Sister Manning. Brother Deverne Mullen, sang in the Spirit one of the choice hymns, which was appreciated by all. Only Eternity will reveal the true value of this meeting, our church was filled to overflowing on Sunday night. It seems difficult to tell by letter the good done in this splendid campaign. Sister Manning proved a real blessing to our hearts.

Yours for the Cause of Holiness,
REV. and MRS. H. O. McGEORGE.

Beal's, Maine.

Dear Highway Friends:

Since last reporting the work from Beals, we have held a series of meetings with Bro. Percy Green as evangelist, and Bro. Paul Mullen as singer. The much used statement "We did not see the visible results we had hoped for," again applies, but we do have some fruit in our midst as a result of our meeting.

Bro. Green laboured faithfully with us, and preached well and Bro. Mullen's good music was a great help to our meeting.

The good folk here continue to make us feel that, while they are deeply interested in the church work in general, they are also mindful of the well being of the pastor and his family. They have installed a very nice bath room in the parsonage, and have paid the larger part of the expenses of my recent tonsil operation, which are only two of the many ways in which they have manifested their interest in us. When one considers the fact that most of the people who gave so generously toward the installation of the bath room, do not enjoy the convenience of one in their own home, they are made to realize that this was indeed a "labour of love" that enters deeply into the realm of sacrifice. For ourselves, and all those who shall follow us in this pastorate and thus enjoy this convenience, we express our deep appreciation, and heart-felt thanks for this fine addition to the pastor's home.

We extend Christmas Greetings to all the Highway readers.

Havelock, N. B.

Dear Friends:

On Friday evening, December 5th, members of our church at Salem gathered at the Parsonage in Havelock, where they presented

their pastor and wife a donation of cash and produce.

A very pleasant evening was spent in conversation, singing, etc.

We feel grateful to these kind people and wish to express our appreciation and thanks.

May God bless you all, is the desire of your pastor and wife.

—B. D. and MRS. PRICE.

Millville, N. B.

Dear Highway Friends:

Greetings in Jesus' Precious Name. Time is passing very quickly as we serve on this charge.

We consider it a privilege to minister to the loyal group of Holiness folk at Millville. Their co-operation in so many ways in the work here is much appreciated and speaks well for their interest in the promotion of Scriptural Holiness in various ways. Their love for the holiness cause is also shown in the fine care they take of their pastor and wife. A few evenings ago about 60 friends of the Church gathered into the Parsonage, the ladies bringing delectable refreshments. A fine social evening was enjoyed by all. At the close of the evening the pastor and wife were presented with a substantial purse of money on behalf of those present and some who could not be there, by Bro. Walter Estey.

We desire above all things to be faithful in ministering to this splendid group of people.

Faith and I wish to express sincere Christmas and New Year Greetings to our friends thru this medium afforded in the King's Highway.

THE MESSIAH'S ADVENT

He came to His own in the fulness of time,
But Him they knew not nor His mission sublime;

They read not His signs, they saw not His star,
Yet strangers discerned it, and came from afar.

Through dimness of vision they strained for
the light,

But heard not the Bethlehem song in the
night;

They knew not the Infant that lay in the stall
Was child of the Virgin, and Monarch of all.

They looked for His coming, King David's
great Son!

But knew not already His time had begun,
That the lowly degree, by prophets forshown,
And the mission of love were the base of his
Throne.

They stumbled before Him, and over their fall
Came riches and fullness of blessing to all:

The Babe in the manger is born to the race,
And He, the rejected, has magnified grace.

"Despised and rejected of men" was He then,
But when He shall come in His glory again,

The Jew and the Gentile, the bond and the
free,

In glad adoration shall bow down the knee.

Meanwhile at His feet, as the sages of old,
We bring Him our homage for spices and
gold,

We worship Him lowly, the Child of the stall,
And hail Him Redeemer and Saviour of all.
