

critically ill. Paul Nkosi is in Durban with cancer, being urged to undergo a second operation. He sent a plea for prayer to know what to decide about the operation. George may not be home for Christmas. He is facing the possibility of an operation on the leg (a bone graft). Pray that God will enable me to be faithful on this busy mission station, alone and yet not alone for Jesus is very real and near to me and have been greatly blessed since coming here a month ago.

Wishing you all a Merry Christmas,

Yours for souls,

GRACE SANDERS.

Dear Highway Family:

Greetings in Jesus' name. We both are in very poor health. My wife has been a helpless cripple for six years and has to be fed with a spoon and take drink through a glass tube. Of late I have been having what the doctor calls blackouts. I fall wherever I may be and remain unconscious for an hour or more. We were greatly interested in the last Highway. It brought back afresh many past precious memories. I see by the list of ministers that there is one older than I—Mrs. Ella Sanders—who formerly was Miss Ella Kinney. She and Mary Everett were the singers in the revival at North Lubec in 1892, when my father, mother, wife and I were converted and was ordained at Beulah in the big tent. Rev. George MacDonald preached the sermon from the text, "He counted me faithful putting me in the ministry." We will be celebrating our 56th wedding anniversary the 22nd of this December. God has blessed us with four sons and four daughters: Daniel and Parveta, of Fort Fairfield; Rev. Sewell G., of Jonesport; Pearl, of Arlington, Va.; Harry and Etta, of Attleboro, Mass.; Ruth and Theodore, of Grafton; also 18 grandchildren and 10 great-grandchildren.

God has been so very good to us during these shut-in years, and the blessings we have received in the beautiful letters from the brothers, ministers and parishioners of the different churches we have served. May God bless you all for your kindness to us and may you ever be true to the great trust of spreading the truth of scriptural holiness.

Dear Highway Friends:

It is sometime since you have heard from me through the columns of The King's Highway, and so a few lines from us may be in order. We are thankful for the mercies of God which have surrounded us down through the years and for the measure of health and strength we are enjoying at the present time. Surely "goodness and mercy have followed us all the days of our lives". Our souls magnify the Lord this morning, and joy in the God of our salvation. We are still deeply interested in the work of the Lord and our hearts are with the governors of Israel, and our prayers for the advancement of the kingdom of God in the earth. Glad that we ever heard the gospel of heart holiness and embraced it, and opened our hearts to the incoming of the Holy Spirit to purify the soul. Definite second blessing holiness is real, praise the Lord!

We enjoyed the privilege of passing our 50th wedding anniversary on November 29th.

We were kindly remembered by friends far and near with congratulatory cards, telegrams, long distance telephone calls, letters, useful articles and money. We say a hearty thank you and God bless you all. We wish you all a joyous Christmas and Happy New Year. Keep on praying.

Yours for true holiness,

P. J. and MRS. TRAFTON.

LETTERS FROM OUR PASTORS

Millville, N. B.

Dear Friends of The Highway:

Greetings in Jesus' Precious Name. Some time has passed since our last writing. God has been and is blessing in this section of our work.

We minister to a fine group of people of various levels of life and spiritual attainment not all Reformed Baptist, in our six preaching appointments. We appreciate especially of course the loyal group of Holiness people contributing to the quality of the work in the main churches of this circuit. One more of this quality was taken into the membership of the Millville Church Sunday evening, Dec. 5th.

A few words of appreciation of the people of this circuit is in order at this time. Since our coming to this field of labour, people from the previously mentioned levels have shown their appreciation of our labors among them, by their continued, unsolicited, care of us in so many ways from food supplies, house furnishings and parsonage improvement to this fall, our winter's supply of fuel, from the circuit as a whole.

On our return from St. Louis, Mo., and Beulah Camp, we were given a welcome home donation from the Millville Church of \$87. The first Sunday in September we baptized our 47th candidate for water baptism, since coming here. On October 14th, Mrs. Parks was remembered on her birthday, when a number of church members and friends of the community of Millville gave her a shower of Birthday Greeting Cards, each one containing a financial contribution.

Mrs. Laura D. Walker, evangelist, singer, and children's worker has been of outstanding assistance to us in Revival effort at Lower Hainesville, Nov. 16th—28th. Two or three of the older faithful ones spoke of this revival as the most stirring in years. The emphasis in the afternoon on children's work brought a fine balance to this effort. The Holy Spirit's presence was marked in the initial salvation of precious souls and the entire sanctification of believers, one long-outstanding backslider was reclaimed. About 20 folks altogether received definite help and the whole church was edified. It pays to major in the vital spiritual truths in the field of Scriptural Holiness.

Last evening friends of the Millville Church gathered in the parsonage to tender us, we were told by the one who presented the purse of money to us, the largest single donation ever given to any pastor, at any time, over the past 30 years.

Our hearts go out with strong desire to give the folk of this circuit while here, God's best in Holy Truth. We enjoy the privilege of ministering to those whom God has called us to serve. May the Lord richly bless them all, always, is our prayer as we carry on in His Will.

We wish to take this opportunity to wish the Season's Greetings to all our friends of the Highway Family.

Yours for His Glory, in Full Salvation,

R. H. and MRS. PARKS.

Dear Highway Friends:

A report from this part of the vineyard, we feel would not be amiss, especially when we can report victory.

A few days previous to last Thanksgiving, members and friends of the church gathered in the parsonage for a social evening, and gave us a pantry shower of many and varied gifts, for which we were indeed thankful.

Since coming here we have had the privilege of seeing two young people baptized and taken into the church, which is truly encouraging. But we are trusting God for even greater things in the future.

In His Service,

LIC. and MRS. A. L. STAIRS.

Dear Highway Friends:

Greetings in Jesus' name. We are still at it, battling against the forces of the evil one, the Devil. God is still with us and we praise Him for His working in our midst.

We have had the privilege of late of having Rev. R. J. Dixon, M.A., D.D., with us from Nampa, Idaho, for a revival campaign at Sandford, Nov. 7 over the 28th.

God was with us in a very special way from start to finish. I consider Dr. Dixon one of the greatest preachers that ever graced a pulpit. I'd love to see him at Beulah Camp some time as our evangelist. While he was with us others voiced the same thing. Every sermon was preached under the anointing of the Holy Ghost. He surely was, "a sharp threshing instrument, having teeth." He wasn't of the modern popular holiness type but the real old-fashioned holiness type and his preaching carried such convictions over fifty were at the altar. Any holiness pastor wanting a holiness evangelist will do well to secure his aid. I hope to have him with me again, the Lord willing.

May God bless all the "Highway Family" and may your Christmas be the best ever.

Yours for full salvation,

H. S. and MRS. MULLEN.
