

### MINISTERS AND CHURCHES

By the time another Highway reaches our readers the Anniversary Services at Woodstock will have begun. Will all pastors and churches kindly co-operate in the matter of delegates elected to attend this meeting. If word has not already been sent please notify Mrs. F. K. Brown, Woodstock, N. B., as soon as possible. Billeting of ministers and delegates will be much easier for those in charge if this advance information is received in good time. Give names of delegates please.

Encouraging reports have been received from pastors and people associated with new works recently established. At Truro, N. S., the services are well attended and a Sunday School has been organized. The report on the special campaign at Truro in the last Highway should have read: "Attendance on the last Sunday was 100% above that of the opening Sunday."

At Doaktown, N. B., work is continuing on our new church building. It is a fine structure, a credit to the community and a splendid asset to our work. Lic. and Mrs. Randolph Nicholson have taken up the work there and have been kindly received by the people. The Superintendent was with Brother Nicholson Sunday, October 3rd, the first Sunday of our brother's pastoral ministry.

At Bloomfield, N. B., where the Lord gave a real revival this summer in the tent meeting conducted by Revs. H. M. Kimball and G. R. Symonds, work has begun on a new church building. Brother Kimball is serving as pastor of this new work.

Praise the Lord for His guidance and blessing in these new fields. Lead on, O King Eternal!

Rev. and Mrs. H. L. Robertson are located at Lucasville, Ohio, where Brother Robertson is pastor of a Methodist Church.

Rev. Richard Traver will assist Rev. B. M. Hicks and our Woodstock Church in revival effort immediately following the Anniversary Services.

### QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 4 convened with the Church at Sandford, N. S., Sept. 16-19 inclusive.

Rev. M. M. Grant opened the Quarterly on Thursday evening, taking as his text Psalm 51:10: "Create in me a clean heart, O God, and renew a right spirit within me." He very clearly showed us that David when reproved of his awful sin realized that to be kept in right relationship with God and man he needed a two-fold work of grace wrought in his heart.

Friday evening's message was brought by Rev. Arthur Owens, of North Head, Grand Manan, from Numbers 6:24-27.

The business meeting was held Saturday afternoon at 2.30 o'clock, being opened with singing, scripture reading and prayer. Our Superintendent, Rev. B. C. Cochrane, was chairman of this meeting.

Officers appointed were: Vice-President, Rev. H. S. Mullen; President, Rev. M. M. Grant; Secretary, H. S. Landers; Treasurer, Vernon Churchill.

Encouraging letters from all the churches of the district were read.

A vote of thanks was tendered the Sandford Church for their entertainment and on motion Port Maitland's invitation for the next Quarterly was accepted, the date being left with the officers.

A discussion of the New Budget System was then taken up. Several points in it not generally understood were more clearly explained by our Superintendent. He and Rev. L. T. Sabine gave us some very encouraging reports of the possibilities of our work, some lately started and other new doors being opened to us.

Sunday morning's Love Feast was in charge of Rev. H. R. Ingersoll who read the third chapter of 1st John, basing his remarks on the 1st verse.

Rev. L. T. Sabine brought the morning message from 1st Thess. 13:1, encouraging our following Christ in the old paths.

Rev. E. H. Enty preached in the afternoon from Heb. 12:4, stressing the possibility of living at peace with God and man under any circumstances.

Rev. B. C. Cochrane brought the closing message from Heb. 7:25, portraying God's wonderful plan of salvation.

The meeting closed with a real old-fashioned testimony service, causing us to realize that God still lives and still answers prayer. We were very conscious of the Master's presence in this Quarterly.

H. S. LANDERS, Sec'y

### QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 2 convened with the church at Head of Millstream, N. B., Sept. 2-5 inclusive. Ministers present were: Revs. P. H. Green, B. D. Price, Mrs. Ella Sanders, and the pastor, H. E. Anderson.

Thursday evening Rev. P. H. Green preached from Matt. 19:20, "What lack I yet"? Friday evening Rev. B. D. Price preached from Gen. 6:3, and two precious Souls found their way to an altar of prayer.

The regular business session was held on Saturday afternoon. Mrs. Ella Sanders brought the evening message, "The eyes of God are upon us; we cannot hide from God."

Sunday morning Love Feast was led by Ruth Price. This was the beginning of another day of God's blessings, this service being followed preaching service conducted by Rev. P. H. Green on the Crucifixion of Christ.

After a short session of Sunday School, Mrs. Ella Sanders brought another message. The closing message of the meeting was brought by Rev. B. D. Price, from Heb. 2:3 and Rev. 6:17, "who shall be able to stand in the great day of His wrath," and "how shall we escape, if we neglect so great salvation."

We feel encouraged and profited by this Quarterly Meeting as God's blessing was very evident in our presence in every service. Christians were strengthened, and souls found pardon and peace.

The date of next Quarterly will be Dec. 2 over 5th. Will any church desiring the Quarterly please notify the Secretary.

MABEL R. PRICE,

Butternut Ridge, Kings Co., N. B.

### MEMORIAL ROOMS FOR ROGERS DORMITORY

At Beulah Camp of this year a friend from the U. S. A. inquired concerning the cost of furnishing a room in the new boys' dormitory

of Bethany Bible College, stating that she would like to furnish a room in memory of a nephew who had died at an early age. The suggestion was made known to some others, and like offers were made from two or three other sources.

For the benefit of those who would like to have part in this good plan we give the following information: For the sum of \$50, a room will be provided with two study tables, study lamps, chest of drawers, mat, mirror, curtains and blind. A "double decker" bed is supplied by the school. These furnishings will be purchased by the School Board so that parents, Young People's Societies, Churches, etc., wishing to contribute to this work may send contributions directly to the business manager of the college, who will arrange purchases. On the door of each room furnished a suitable plaque will be attached bearing the name of the person or persons in whose memory the room is furnished and also the name of the donor.

This is a splendid idea and should find an appeal with many.

Those interested write Rev. H. R. Ingersoll, Bethany Bible College, Yarmouth, N. S.

### DO YOU KNOW HIM?

#### Or Is He Left on the Outside of Your Circle of Friends?

In the autobiography of the celebrated Mark Twain, he relates an incident which took place after he had received invitations from many distinguished persons, including royalty, to call upon them. His little daughter came to him, and looking seriously up into his face, said: "Why, Papa, if it keeps on this way, there won't be anybody left for you to get acquainted with, but God."

A remark that was amusing to the great humorist, and yet how sad! Are there not numbers of people who are "acquainted with everybody else," but the One with Whom they should be?

It is possible for one to have a large circle of friends, but leave their Best Friend outside. Have you done this?

"Acquaint NOW thyself with Him, and be at peace; thereby GOOD shall come unto thee."—Job 22:21.

### ROME IN SPAIN

The Protestants of Spain are passing through an unspeakable persecution. All Protestant churches have been closed. The possession of the Bible is forbidden, many Protestants are in prison, many have been shot, and others have fled from the country. It is practically impossible for a Protestant to find employment or carry on business. Bonfires are made of the Bibles which are discovered. Sabbath schools are forbidden. The Protestants are suffering more than at any time since The Inquisition. This is the state of affairs in the country where Rome dominates more than in any other land.—United Presbyterian.
