THE STUDENTS SPEAK

Since this issue is being devoted mainly to Bethany Bible College and its work, doubtless you would appreciate hearing from some of the students who have been in attendance during this past year. After you have read these definite testimonies of young people who are happy in the service of the Lord, will you not put "Bethany" on your prayer list asking God to direct many young hearts to her doors that they too may become rooted and grounded in the faith?

In a changing world of which all men are a part, it is blessed to know that the changeless Christ makes His abode in the heart. "All may change but Jesus never, Glory to His name." This means His influence, spirit, faith, love, joy, peace, meekness, humility, and all other characteristics of His remain ever the same. When the Scripture says, "Let this mind be in you which was also in Christ Jesus," it means that this is really possible. I am glad for a mind that can be instructed by Him through the Spirit. He is saving me day by day and I am looking for His leading in the future.

Isaiah 55:1 reads: "Ho every one that thirsteth, come ye to the waters, and he that hath no money, come ye, buy, and eat; yea, come buy wine and milk without money and without price." Yes, the call of God is universal and He offers complete satisfaction to those who will comply with His conditions.

During this year at Bethany the Lord has been so near; leading and blessing, and I feel like the Psalmist when he said, "Bless the Lord oh my soul and all that is within me bless His holy name." He saves, sanctifies and keeps. Praise His name!

I'm glad to be able to report victory in my soul. Jesus abides down in my heart. Praise the Lord! The Lord has truly been gracious to me and I have much for which to thank Him. During the past year I have been strengthened in my experience and Jesus saves, sanctifies and keeps. I want that I shall ever be faithful, true, and found wherever he would have me to be in His service.

I rejoice in my Saviour constantly for His saving and sanctifying power. I often recall the words of the old hymn, "In my hand no price I bring, simply to thy cross I cling." When I came to Him I had nothing to offer but my body a living sacrifice; He accepted my sacrifice and claimed me as His child.

During my three years at Bethany I have enjoyed spiritual growth. I thank the Lord for the influence of the college on my life, and for all the blessings of the Lord.

It is a privilege to testify for my Lord and my Redeemer. It is truly wonderful to be serving a God who can and does supply every need both temporal and spiritual.

Since coming to Bethany God has been revealing to me the path of life. I'd say with the Psalmist, "In the presence of God there is fullness of joy and at His right hand are pleasures forever."

I esteem it the greatest privilege that has ever been afforded mankind to testify to the saving and sanctifying power of Christ, our Saviour. I am glad that "whosoever will" included me.

It has been my privilege to attend Bethany College and to study under Christian teachers who were willing to give their best for us. I say "Farewell, Bethany, and God bless you as you are truly a vine of His planting and watering."

I rejoice in the privilege that is mine of serving such a wonderful Redeemer. O how He saves! I feel to thank God often for boundless love that reaches me in my youth. What a joy it will be in my later years to look back on a life that has been spent in the Master's service. My years at Bethany in training for more effective service have yielded many valuable lessons. Today He saves, sanctifies and satisfies completely.

I praise God that He is such a friend to me. I thank Him that He ever led my way to Bethany Bible College. We read in Matt. 21:17: "And He left them and went out of the city into Bethany and He lodged there." Bethany held a place in the life of Jesus. Praise God, I'm so glad that Bethany holds a place in my life. Christ has given me more through a year at Bethany than a life time of service can repay. Bethany has helped me to establish my ways and presented me with new ideals, visions and experiences. I can whole-heartedly recommend Bethany to the storm-tossed youth as a place to get your feet placed in His ways and your eyes fixed upon Heaven. Thank God, He truly is a wonderful friend to give us such a school as Bethany Bible College.

I count it a privilege to testify again for my Lord and Saviour Jesus Christ. Truly we are serving a wonderful God. Words cannot express my feeling of gratitude for what the Lord has done for me. The Lord has been with me here at Bethany and now as I look forward to going out from here to work for Him I know He will go with me as long as I follow Him. I find pleasure in serving Him and I expect one day to see Him face to face.

I thank God for the privilege of witnessing for Him. Early in my life God spoke to my soul and as I heard Him knocking at my heart's door, I opened it to Him and today He abides as my Saviour and Sanctifier. Some time after my conversion I felt God's call into the ministry. I said yes and began studying at H. B. I. and then here at Bethany. I have com-

pleted the course and this year shall be entering His service as He wills.

"Blessed be the Lord, who daily loadeth us with benefits, even the God of our salvation." Psalms 68:19.

I praise the Lord for this privilege of witnessing for Him, for truly I can say that He hears and answers prayer. This is my first year in Bethany Bible College as a High school student, and as a direct answer to prayer I am afforded the pleasure of attending a Christian High School where there are godly men and women as teachers, Christian environment, and above all—spiritual help and encouragement.

I reside with my grandparents, and as the time drew near for me to enter High School we prayed that somehow a way would be opened which would enable me to get my High School education in a place such as Bethany Bible College, little thinking that **that same year**, the property almost opposite my home would be sold and renovated into a Christian College and High School. However, God moves in a mysterious way, and prayer was answered.

The Bible says, "Train up a child in the way he should go and when he is old he will not depart from it." This applies to young boys and girls too I believe; for if we are to be the men and women of tomorrow we need the kind of teaching and spiritual guidance that Bethany offers, that this world might be a better place in which to live.

I can recommend Bethany Bible College (its faculty, students and all connected in any way with it) to all parents of boys and girls of High School age, as the best there is anywhere.

And as we come to the closing of this school year may God's blessing rest upon us all, until we meet again in September to begin another year's study.

IF WE KNEW ALL THE FACTS

If we knew all the facts, none of us would be so critical of others. We often set ourselves up as self-appointed judges and severely condemn those about us, when our knowledge of all the facts involved is totally inadequate. If we only knew all the elements we would praise and not condemn.

A man went to the barber shop to get a shoeshine. The shine boy was slow with his work. Exasperated, the man spoke to him harshly and with cruel words, whereupon the boy looked up at him with tear-filled eyes.

"Excuse me," said the man, now contrite, "I did not intend to hurt you."

"It is not that, sir, which causes these tears. They were there already. You see, my mother died last night, and I am here this morning only because I am trying to earn enough to buy a small bouquet of flowers to go on her grave. My eyes were so filled with tears I could hardly see your shoes. That's the reason I am so slow."

The man was condemned in his own heart. If he had only known all the facts!

If we only knew all the facts, we would be less envious and more sympathetic. We would also be happier.—Civic Bulletin.
