### QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 2 was held in the St. John church, March 3-6 inclusive.

On Thursday evening, Rev. H. E. Anderson, of Head of Millstream, brought a serious message on the necessity to "Fight a Good Fight," that we might obtain freedom from sin.

Then on Friday evening Rev. B. D. Price brought a message of warning against satan's purpose to defeat man and the cause of God by using scripture to deceive, Matt. 4:6, "It is Written."

The regular business session held on Saturday afternoon with the following ministers present: Revs. P. H. Green, H. E. Anderson, B. D. Price and Mrs. Ella Sanders.

Saturday evening our attention was drawn to the rapidly approaching indifference in the world to-day, a perfect setting for the anti-christ, by Rev. P. H. Green, his subject being, "Signs."

Then Sunday morning, Mrs. Milton, of Moncton, was in charge of the Love Feast and spoke to us from 1 Peter, Chapter 1. The preaching service was in charge of Rev. H. E. Anderson and we were admonished through the Word to: "Remember the Lord thy God."

At 3 p.m. Mrs. Ella Sanders spoke on the necessity of having a vision that we might go out and rescue those away from God. The closing message was delivered by Rev. B. D. Price. Text: "Scum in the Pot," Ezk. 24. "Woe to the people who have sin in their hearts."

During this Quarterly we were favored with special messages in song, under the anointing of the Holy Spirit, and we who were privileged to attend returned to our homes feeling refreshed and built up in the things of God.

"Praise God from whom all Blessings flow".

The next Quarterly will be held the latter part of May or first week in June. Any church desiring this Quarterly please notify the secretary.

MABEL R. PRICE,

Butternut Ridge, N. B.

### LETTERS FROM OUR PASTORS

school houses at nearby communities, and although we have only gone to these appointments a few times, the seed is taking root, hands have been raised for prayer, and we are looking for souls to be weeping their way through to God before long.

One of the most encouraging things here is the way the people take hold of the spiritual program. We have never gone to an outside appointment alone yet, but to every service there has been a carload of earnest workers with their musical instruments under their arms and a song in their hearts; ready to play, sing, pray and testify to the saving and sanctifying power of the Lord Jesus. And if the need demands they are not only willing but capable of conducting a service by themselves. We thank God for such willing hearts.

On January 16th, we started a Sunday

School. It was a step of faith as we could not decide on a convenient time which would not conflict with some other Sunday School in town. At the first session there were only nine present, but the numbers have increased steadily until we have reached a high of thirty-one. We feel sure that this hour spent around the Word will be a blessing both to the people attending and to the church.

Again we say to you who have held us up with your prayers and your most generous financial support, "May the Lord bless you." You have stimulated a missionary spirit here which has already reached the borders of Jerusalem, and we trust will soon be spread to Judea, Samaria, and unto the uttermost part of the earth.

The Doaktown Church,  
R. H. and MRS NICHOLSON.

Port Maitland, N. S.

Dear Highway Friends:

Again we come with a little report of the work here. We have just closed another revival campaign. The last four Sundays we've been engaged in special meetings with Rev. R. T. Sellick as evangelist and Paul D. Mullen as song evangel. Bro. Sellick seemed to preach better than ever. It was his fourth revival campaign with us. God blessed from the very first service. We had good crowds all through and finances came easy. We have a people here who love to support the work of the Lord.

Did we see all we would liked to have seen? No, but we do thank God for the goodly number that did find their way to the altar to be saved, sanctified or reclaimed. Brother Sellick is a true yoke fellow for God and holiness. We thank God for men who stand by the truth and do their best to get folks saved and sanctified.

I think, as holiness people we need to pray more for folks to get the vision of holiness and go in and get the experience. We as holiness people just can't exist long, as holiness people, unless we see more old-fashioned dying out and people really getting through into the full-orbed experience of entire sanctification. We say praise God and take courage, and press on into the great work of full salvation.

At our closing service we received pledges for six hundred and twenty-five dollars to be used in installing new church pews in our church here which we expect will be installed within a month's time. We feel this will be a great improvement.

Yours truly,

H. S. and MRS. MULLEN.
