

QUARTERLY MEETING DISTRICT NO. 4

The Quarterly Meeting of District No. 4 convened with the Pt. Maitland church on Thursday evening, August 31st. Rev. M. M. Grant was the speaker at this meeting, giving a good message from 1 Cor. 6: 19-20, "Ye are not your own—ye are bought with a price." Friday p.m. a meeting for prayer was led by the pastor, H. S. Wilson. Friday evening H. C. Mullen spoke from the theme "Shadow and Substance," from Col. 2:17. The business meeting was held at the usual hour Saturday p. m. Reports were read from every church on the district.

Bro. A. D. Cann who recently moved to Yarmouth, was by motion received into this Quarterly Meeting. Rev. B. C. Cochrane was present and was given a welcome. He addressed the meeting re some of the problems facing us. Among the things we were asked to consider was the advisability of reducing the number of Quarterly Meetings. Saturday evening Bro. Cochrane brought a good message from John 9:4. Sunday a.m. Love Feast was led by Lic. Scott Ingersoll. The speaker at 11 o'clock was Rev. F. A. Dunlop, who inspired us to confidence in God in times of emergency. At 3 p.m. Rev. A. D. Cann stirred our hearts to be ready for the Lord's coming, from Matt. 25:1-14. The closing service was in charge of B. C. Cochrane, speaking from Isa. 21:11-12: "Watchman, what of the night—The morning cometh, and also the night."

Attendance was good and a fine spirit pervaded the meetings.

QUARTERLY MEETING DISTRICT NO. 5

The September Quarterly Meeting of District No. 5 convened with the Church at Victoria Corner, Sept. 7-10.

Rev. F. A. Anderson, new pastor of the Hartland Circuit of Churches, was president of the Quarterly.

The opening service on Thursday evening was only fairly well attended. G. R. Symonds brought the message, subject, "Testings," text, I. Peter 4:12.

The Friday evening service was well attended and Rev. S. G. Hilyard brought the message, text, Jonah 1:3, and Mrs. Hilyard sang. This was a good service.

The Saturday afternoon business session was held at 4 o'clock because of a funeral in the community the same afternoon.

The Saturday evening service was blessed of God. Rev. H. O. McGeorge preached on Prov. 29:18, stressing the great need of "visions." Mrs. Hilyard sang a solo, which was much appreciated.

Sunday was a full day. The "love-feast" was led by Miss Helen Sterritt, and was a good service. This service was followed by the 11 o'clock preaching service, when G. R. Symonds preached on Heb. 13:12, subject, "Holiness." At 2.30 in the afternoon Brother Burrell Kimball preached a much appreciated message from Acts 3:6. The Perth quartet were present and their singing was enjoyed and appreciated.

The closing service of the Quarterly Meeting was held at 7.30 p. m. and Rev. G. A. DeLong brought the message. The church was filled and the presence of the Lord was real. The evening text was I. Peter 4:18. At the invitation of the altar call one young man sought God in saving grace.

This was a good Quarterly and enjoyed by all attending, and we believe brought help to the entertaining church. The brethren preached well and the singing was appreciated. Besides those mentioned who sang, Mrs. Raymond Smith, of Port Maitland, N. S., sang in the Sunday morning service. This song was enjoyed by all.

Thus ended another time of Christian fellowship and blessing.

May God bless our future Quarterly Meetings and cause them to be even greater times of refreshing and salvation than they are or have been in the past.

Respectfully,
G. R. SYMONDS, Sec.

To the Protestant Clergy, Province of New Brunswick.

Dear Brethren in Christ:

I am writing you to give you a picture of the world challenge of the Bible Society and to urge that you give all possible support, encouragement and leadership if necessary that the work may be supported in the very best manner possible in your Church or Churches and the communities they serve.

There is a great, probably unprecedented, world need and call for the Bible today. Our times have been called the "greatest Christian opportunity since the age of the apostles".

The drop in the purchasing power of money (\$1.00 now will buy only about what 40c would ten or fifteen years ago) makes it necessary to expand our income.

To accomplish our share in this advance, all of which I feel sure you will agree is vital, we should increase our givings by at least 25% for the next four years. (Our share for Canada is £100,000, say \$311,000).

Literature, collecting cards and receipt books are in the hands of the Branch Secretary. Please boost the canvass all you can, and assist the local officers in seeing that it is organized as effectively as possible. Your active participation will be greatly appreciated indeed.

We would again suggest this year that the last Sunday in September be Bible Society Sunday, and that suitable emphasis be given the needs of the work if at all convenient to your programme. If not, it would be much appreciated if this were done some Sunday before the canvass is made.

Yours in the Master's Service,
E. M. B. WHELOCK,
District Secretary.

MISSIONARY CORRESPONDENCE

Dear Highway Friends:

A few lines of Christian greetings from Bethany Bible College would no doubt be appreciated. Registration day found more students here this year than last. If all who plan to come and have made application finally arrive we will have exceeded our attendance record since the school was organized at Woodstock in 1945. This is encouraging and we trust through God's grace to have a most profitable year at Bethany.

Prior to the opening of school we held services and Sunday School in the chapel which were attended by various people who have moved into Yarmouth from such points as Sandford, Woods Harbour, Seal Cove, etc. In addition to students and Reformed Baptists mentioned we have others who come in that

are residents of the town. Thus our attendance was fair even before school opened. We feel encouraged with the work from every angle. We have in training promising young men and women, which God is using now, and will use in a greater way as they acquire greater abilities in the study of the Word.

We wish to take advantage of this opportunity to thank the churches and friends who have already sent in contributions toward their budget for Bethany. May God bless you one and all. We will try and write The Highway from time to time and let you know something of our activities here. Mention should also be made of the fact that we have several Nazarene students here this year with more expecting to attend later. Please do remember us in prayer.
