NOTICE TO YOUNG MEN

Would you like to see the camp grounds at Beulah improved? The Y. P. A. has taken it upon itself to accomplish this very thing. In fact it has gone as far as to promise to provide five young men to work for a week (July 3-8) prior to Beulah Camp Meeting. The Alliance has responded to that venture by offering FREE BOARD and LODGING to these five young men both during the week that they are working, and through the Camp Meeting.

Now of course the Alliance is expecting that these young men are really going to accomplish something during that week of work; and so is the Y. P. A. And if we have young men in our group who are concerned about the upkeep of our Camp Ground they are going to desire to accomplish a worthwhile task and do a job that will be worthy of the compliments of every visitor at the Camp.

We are appealing to you, our young men. This is a very important work. Camp meeting is one of the assets in the up-keep and progress of the work of God; and well kept grounds add much to the attraction of the camp.

While engaged in this important work you can enjoy the fellowship of other young men and provide necessary accommodation for a cheap and enjoyable holiday yourself.

A CHRISTIAN IS—

A mind through which Christ thinks,
A heart through which Christ loves,
A voice through which Christ speaks,
A hand through which Christ helps. —Sel.

OUR STANDARD

There are two extremes in lifting a standard. You can put it too high or you can put it too low. You put it too high if when you preach holiness you do not take into account the human element which holiness will not extract. Always keep in mind that holiness has to do with our carnal nature, not our human nature. While a sanctified man is not carnal, yet he is still very human.—Linicome, American Holiness Journal.

"MONCTON AND THE YOUNG PEOPLE"

I suppose we have wondered at different times what goes on in the Y. P. Services of the different districts. Questions such as: Who is your President? When do you hold your meetings? How many attend? What kind of a program do you have? may be asked. No doubt these and many other things can be the topic of conversation when two or more members from the Y. P. Society of the different churches get together.

Monday night at 7.45 the Young People of the Church in Moncton assemble in the Sunday School room of the church for a meeting of an hour or sometimes more.

Under the capable and efficient leadership of our President, Vilis Hayes, we can always look forward to an interesting program. Vilis was a student at Taylor University in Upland, Indiana, for a year, and we feel fortunate in having her as our President.

The first Monday of each month is generally a Bible Study program conducted by our pastor, Rev. E. W. Tokley. We usually open with a lively hymn sing lead by one of the boys, followed by the scripture and prayer. Announcements and of course, the offering, are also a part of the program.

The programs for the remainder of the

month follow no set program and may sometimes be a message by a special speaker, a quiz, testimony service, story in song, or any other item which the President feels may have a helpful message.

The attendance averages around forty-five with 65% of that number being girls. Our meetings are well supported by the older members of the Church and we feel we have a very successful organization which is blessed by God. We feel that we are not only progressing in numbers but also spiritually, which means more to us than an increase in membership.

We thank God for His goodness to us and pray that He will use us to help spread the Light in this world of darkness.

NO TIME FOR GOD

No time for God? . . .
What fools we are, to clutter up
Our lives with common things,
And leave outside heart's gate
The Lord of Life, and Life itself—
Our God!

No time for God? . . .
As soon to say no time
To eat, or sleep, or love, or die.
Take time for God,
Or you shall dwarf your soul;
And when the angel, Death,
Comes knocking at your door,
A poor, misshapen thing you'll be
To step into eternity!

Some day you'll lay aside
This mortal self, and make your way
To worlds unknown;
And when you meet Him face to face
Will He — should He —
Have time for you?
