Dear Brother Dow:

Enclosed you will please find renewal for my subscription to The Highway.

The King's Highway is a wonderful paper. We enjoy reading it so much. We read everything in it and find it to be a very spiritual and helpful paper.

May the Lord bless you in your good work.

Yours in Him,

MRS. FRANK H. JEWETT

May the Lord bless you as you carry on this good work for Him. I do enjoy The Highway.—Mrs. F. Barnes.

Mrs. Hartley Sabine's daughter Faith writes: I am enclosing renewal for mother's Highway. She has taken it for many years, and now when she is too feeble to get to church, she looks forward to the coming of The Highway.

Mr. Sabine is past 90 and at present is in a convalescent hospital. They are both trusting the Lord as they have for many years.

Mrs. Weldon Brown writes: I enjoy The Highway very much and look forward to the coming of each paper, and hope to be able to continue taking it.

Mrs. Laura E. Moore says: The Highway is a wonderful paper. I would miss it very much if I had to stop taking it. It gives me so many good thoughts, and I like the missionary letters.

## CORRESPONDENCE

Yarmouth, N. S.,

Nov. 8th, 1950

Dear Highway Readers:

The urgent need for funds to meet certain bills long overdue on the new Hotel at Riverside necessitates this letter.

We are owing the contractor approximately sixteen hundred dollars and there is a small bill still owing the plumbers.

If we can get an immediate response on the unpaid pledges (both the 1949 and 1950 pledges) these bills could be attended to very nicely. Please send in your pledges, or a part of the same, at once. There are others who can help us care for these bills. Will you not send us a contribution immediately? This will prevent the necessity of hiring money and involving the Alliance in greater expense.

Mail your contributions to: Mr. Otis Ames, Fort Fairfield, Maine. Thanks.

F. A. DUNLOP,

Alliance Treasurer

## BETHANY BIBLE COLLEGE

Dear Highway Friends:

Greetings in the Master's name. We have been busy at Bethany since last writing the Highway. The first of October we were privileged to have with us for a few days Rev. and Mrs. Biddolph from Colombia, South America. They were accompanied by Mrs. William Frith, secretary of the Oriental Missionary Society. Their challenging ministry was appreciated by large congregations.

The Evangelistic Association of our school together with our churches and pastor at Port Maitland and Sandford are sponsoring a weekly Saturday night service called—"The Christian Youth Crusade." Our opening service on November 4 was well attended. The association has purchased a public address system which enables the service to be heard on the Main street of Yarmouth.

A good news service for boys and girls is held each Friday afternoon at 4 o'clock. This is conducted by two ladies of the school. One Roman Catholic girl said—"I like it, and am going to come again." The "Bethany Hour" is a regular weekly feature over C.J.L.S. on Tuesday evenings at 7.30. The young people do splendid singing under the leadership of Brother and Sister Stairs. Our radio pastor and college President, Rev. F. A. Dunlop brings dynamic Gospel messages, which are appreciated by the people of this area.

Many new modern apartments and homes have been built in town during the past year. The pastor and students have been taking advantage of making contacts with the young people of the new homes, calling, inviting to Church and Sunday School, leaving Gospel tracts, witnessing and having prayer as opportunity affords. Do pray for our efforts in this regard, that souls may be reached for Christ.

We are glad to announce that this month

we expect to organize a Reformed Baptist Church in Yarmouth.

The following is a list of Churches that have sent in contributions on the budget since September 21. We appreciate your response to our need of support for Christian education in the Maritimes. Your continued help will be most gratifying. No one appreciates more than I having money to meet our bills in the town as they come due. At this time of year our bills run high as we have to purchase extra fuel. Please do your best and God bless you.
