

MISSIONARY CORRESPONDENCE

Dear Highway Friends:

How are you all feeling there in Canada? We are all feeling fine.

We now have usually ten to twenty-eight to our Sunday School. That is the most we have had in the Sunday School this year. Mother is feeling a lot better and I am very glad. Please pray for her as much as you can so that she will be better. We are now in the Easter holidays for 14 days.

Auntie Mary and Auntie Uta are coming up to Vryheid from Altona, till sometime next week.

We are very glad that they came out and we had a very nice welcome service. Everybody was very happy there. The Sanders people were there but we had a little trouble getting out of Hartland because of the mud.

Auntie Uta is staying with Auntie Mary at Altona and Auntie Nina is staying with us.

I am now taking Grade V and Reginald is taking Grade IX and we are getting along fine. Glendon is now in Nigel working in the Bank and Harold is working in Johannesburg in electrical work.

Reginald wants to be a missionary and I want to be a doctor.

Your African friend,

KENNETH

My Dear Friends:

It really sounds like a Canadian March night, the way the wind is howling around the house. But, of course, it is not cold, in fact the past few days have been very warm indeed.

We were glad to hear that Brother and Sister Parks had a safe journey to Canada. They are surely being greatly missed by the natives especially around Altona. They were their friends and the natives loved them. We do pray that God will continue to use them, in the homeland, as He has done in the past, and as He did in this land too.

Now the two nurses have safely arrived from Canada and Sister Chase and Sister Campbell are at Altona while Sister Smith is here for the present. She is busy at Zulu and I am sure my Zulu will be brushed up a bit as I endeavor to help her. Belina, my girl, had been listening in at different times, through the day, and tonight she said, "Inkosazane Smith will soon get Zulu." It is a hard grind to get another language but it is wonderful how many things one can do while they are learning and perhaps especially so these days when young people who have given themselves to His work out here and already God is using them. Isn't it grand to work for Jesus.

Last Saturday our eldest son, Harold, was married to Shirley Raby, of Johannesburg. My husband married them in the Troyerville S. A. Baptist Church. I was unable to be present but the rest of the family were there. After the wedding and reception they came down to see me. We do praise God that they are Christians and interested in the work of the Lord. Our prayer is that they may always keep true to Him.

It doesn't seem possible that three months of the year 1951 is just about finished. How fast the time slips around! May the dear Lord keep us all faithful and in our places for Him, I pray.

Yours for souls,

G. KIERSTEAD

CORRESPONDENCE

Dear Highway Friends:

We feel a few words from this corner of the vineyard might be in order at this time.

We have had some mercy drops of blessing from the storehouse of Grace during the past year. Last June we had a time of blessing with the late Rev. W. E. Smith. He preached under the pressure of a heart still stirred to win the lost. The church was encouraged and strengthened by his ministry. This was his last Revival Meeting this side of Glory, and I fancy I hear him today shouting the praises to God on high.

Last January Brother Yeatts from Indiana came to us as evangelist. The church was expecting a gracious time and God did not fail us. We will not comment on this revival for it has been reported in a previous Highway. We must say though, that much fruit still remains. Among other things during the year we have been blessed and encouraged by special week-end meetings, etc.

Space will not allow us to say more. Yet we have been well used by the people of God here. They have stood by us all through. The money they have given to us at special times as well as many gifts, we very much appreciate. We are standing by our denomination 100% and hope to meet our budget. We are having a baptism on the 6th of May and a number of people will be uniting with the Church.

May God help us to be all that we should be for His Glory in the coming Church year.

REV. & MRS. W. FERNLEY

Fredericton, N. B.

Dear Brother Dow:

We closed what proved to be a fruit bearing series of meetings on April 15th. Rev. Lowell Yeatts was the evangelist. Brother Yeatts is a fine preacher and leaves a church in a better condition than he found it. It gladdened our hearts to see those we had prayed for, seeking the Lord at an altar of prayer. This proved to be one of our best revival efforts since coming here.

The Lord is good to us. We have over fifty out to prayer meetings and such a spirit of freedom that makes our hearts rejoice. It is not uncommon to have several on their feet at the same time during testimony time.

HARTLEY E. MULLEN

Dear Brother Dow:

I have been planning to write for quite a while, but it is difficult for me to write to anyone very often.

I am very glad to see your success on The Highway.

I have enjoyed its visits for years, and in this time of great need I feel I should pay my share of the expense as far as I can.

I would gladly send you \$50 if it were possible, but as a beginning I will send you \$5.00. Trust you are well and will be able to continue your splendid work.

The Lord bless you abundantly.

Sincerely in Jesus' love,

I. M. KEIRSTEAD

Dear Brother Dow and Highway:

Entering into our home for many years this paper has always brought spiritual blessings. The letters from Africa, the personal testimonies, the sermons, the reports, the editorials, the poems, the voice of the Y. P. A., without exception every page blesses my soul, and then

goes on to bless others.

My subscription is due some time next month.

Enclose \$2.00 and pledge to pray that our Father may be glorified through The Highway in making the readers one in Him.

Yours and His,

MRS. GEORGE I. WILLIAMS

Dear Editor:

A I was reading over my Highway and I see the appeal you are making to The Highway family in regards to their renewals and back bills, it makes me feel bad to think that God's servant has to plead with people so long.

And as I got to thinking about this, a thought came to me and I am passing it along to you, and you may print the name if you wish.

I thought if each member of our denomination would give 25c per person, that bill could be paid and our good paper, The King's Highway, would be out of the red.

Dear brethren, let us just remember that our brother and editor isn't a young man any more, so let us go to work on this thing and put it across. We will never miss 25c and I am sure it will lift a great burden from the shoulders of our editor.

You remember Jesus said to His disciples when they entered the ship: Let us go over to the other side, and the great storm came upon them. The disciples were fearful when the ship began to fill with water, but Jesus had said, let us go over to the other side, not under the ocean.

So now let us as a denomination put this thing across, not under, and lift this burden from our dear brother.

And to make a start on this I am enclosing \$1.00 for my wife and myself. And let us look up and trust God and see that His work goes forward and not backward. If there is anything I dislike, it is to see God's work suffer, and brethren, we certainly will be held accountable to God if we fail him. Let us go over and not under.

I only wish I could tell you how I feel about this, but words fail me. I can only say, let us do all we can to see God's work go ahead and not suffer any longer.

I pray that God's richest blessings will be with our editor, and our denomination as a whole. I trust when I read my next Highway that I shall see some account of this work, or soon after.

Your brother and sister in His abiding love,

MR. & MRS. ALTON H. URQUHART,

Southwest Harbour, Me.
