COUNT ON HIM

Jesus Christ says to every man: "I want you to count on Me absolutely." He doesn't promise you an easy time. On the contrary, He quite clearly indicates that you are almost certain to have a difficult one! He does not say that if you do not have a job you will get one, or that if you have one you will get a better. The plain fact is that the very opposite may be the case. He does not promise you freedom from sorrow and loss, and pain, and

disappointment, and misrepresentation, and desertion and betrayal, or even death; for He knows quite well that any or all of these things may be your lot in the days that lie ahead; but He does promise to see you through, right to the very end. And He asks you to believe that whatever experiences you may be called on to pass through, He will never leave you to face them alone, and He will never let you down.—Latin American Evangelist.
