Black's Harbour - - N. B.

### PASTOR, KEEP YOUNG AND KEEP YOUR YOUNG PEOPLE

I hope that you have circled July 17 and July 24 on your calendar, because those are important days. At least they are important days for your young people, and as you are their pastor they should be important days for you.

Remember when you were young—yes, you were—and do something to get your young people to youth camp. Young people have fun at youth camp—and what's wrong with that? But more important, they also receive a boost spiritually. We have seen as many as nineteen at an altar of prayer and have listened to their victorious testimonies.

As pastor you can encourage your young people to go to camp, and then arrange for transportation for them. In many areas a carload could be planned. Let's see what we as pastors can do. Remember we'll have to keep young to keep the young people.

Chairman Youth Camp  
Committee

### FROM MONCTON Y. P. S.

Dear Young People in Christ:

It seems as though a report from our society is long overdue. Although we are late with our report we are glad to inform you that God has been with us this past year.

We feel that we have had a good year in the Lord and a measure of His blessing as we have met together each Monday night. Although our numbers didn't reach what we had hoped for, our average attendance was about fifty. We have had some new young people come into our group who have been a means of inspiration to us.

Our president is a true child of God and puts much time and effort into preparing the meetings. She makes all of us work sometime or other, thus working in all of the Young People. Some of us don't enjoy it when our turn comes, yet it is interesting to listen to other young people taking part in the service.

Once a month our pastor brings a Bible study and these are times which we all look forward to because of the helpful instruction that we receive.

As we enter this new church year we are looking forward to still a better year in our Young People's work. Most of all we want to be blessed so that we can be made a blessing to those who don't know Christ as their personal Savior.

We are looking forward to Beulah when we will be able to meet young people from our other societies.

Yours for God's best,  
MERLE SMITH,  
Highway Reporter.

### FROM MILLVILLE Y. P. S.

Dear Highway Friends,

Greetings in Jesus' Name!

The Young People of our society have felt the blessing of God on our services and new ones have been added to our number from time to time. The Young People's Rally at Marysville proved a source of great blessing to us as we heard inspiring messages from the Word of God and saw many young people consecrate themselves to the service of God. Praise God, there are young people across the land who will take their stand for God and be willing to serve him at their best. We are glad for young people who will step out on the promise of God and begin a new life in serving Christ.

### YOUTH CAMPER, TIE A STRING AROUND YOUR FINGER

You should take the following to youth camp:

- A Bible
- Sheets and pillow cases
- Scribbler and pencil or pen
- Musical instruments
- KING'S HIGHWAY song book, if you have one.

### FROM HAVELOCK, N. S.

Dear Highway Readers,

On the evening of May 26th a Young People's Society was organized at the Reformed Baptist Church at Havelock, N. S.

Our membership has steadily increased and at present we have thirty-nine members.

The good attendance and enthusiasm give us reason to hope for a "booming" society in the coming year.

HARRIETTE B. MULLEN,  
(Y. P. S. President).

Just today, two young lads followed their Lord in baptism. It does rejoice our hearts to see them beginning in their early life.

Our pastor and his wife have stood behind us in our endeavour to work for God. We praise God for them and for what they have meant to us.

We purpose in our hearts to serve God more faithfully, and in the coming church year to live closer to him and win souls.

Let us, like Paul the Apostle, put on the whole armour of God and go forth in the work of our Master.

May God bless you,  
Yours in His service,

Millville Young People's Society,  
Sheila Graham.
