

Church and District News

FROM OLD TOWN, ME.

Dear Highway Friends:

Greetings in the Master's Name, and a brief report of the work in Old Town.

We feel encouraged to press the battle in Eastern Maine and throughout the land, for God and holiness. Jesus is really wonderful. Praise His Name! His call is as clear today as ever, the need as urgent, for workers in the great harvest field.

Our purpose in writing at this time is this: For several years while in Presque Isle, we were blessed indeed with having so many fine Christian people worshipping with us. Among that number were Brother and Sister Frank Flewelling, members of the Christian Advent Church of Crouseville, Me. These folk were among the finest Christians we ever met.

While preparing to move to Old Town we suffered the loss of Brother Flewelling, through his sudden passing. Sister Flewelling is still residing in Presque Isle. They were faithful to the church. Their prayers and testimony spoke of their close walk with God. They were happy to share the burden of the church, both financially and with their prayers. We expected them at every service and they seldom missed. They were such an encouragement to us.

When you pray would you remember Sister Flewelling? Though a stranger, would you pray?

Then while in prayer would you pray for a revival campaign in Old Town, April 14—25th. Dr. Howard Jerrett is to be the evangelist.

Let us pray much. Jesus is coming soon. Be ready.

Yours in His love,

H. O. McGeorge.

P.S. Recently we received word of the sudden passing of a dear friend, Roy Lovely of Hartford, Conn., formerly of Presque Isle. Remember his wife in prayer.

FROM SAINT JOHN, N. B.

Dear Highway:

Have just ended revival campaign with Rev. F. A. Watson, of Yarmouth, N. S., as evangelist. We also had a meeting in September with Rev. L. H. Hicks as special preacher. Both are excellent preachers, and true to the doctrines of Holiness. Results in either meeting were not spectacular, especially as few outside people come to our services.

We enjoy the fellowship and care of our people, who have manifested their love, not only in words and cards, but at Christmas and at other times have both through the church and also individually contributed to our needs. We feel that we have not been able to give these good people as much care as they should have had, but hope that under a new pastor, the church may enjoy increased victory and power. We will be terminating our six year pastorate here this year, and moving on. Some people have been added to the church here and at Greys Mills, for which we give God the glory.

Yours in Him,

P. H. Green

HAPPENINGS AT HALIFAX

The Grace Reformed Baptist Church observed their 1st Anniversary on Friday and Sunday, January 15 and January 17. Rev. B. C. Cochrane, Superintendent was the special speaker for the occasion. It was indeed a blessed occasion. It is a thrill to realize that a going church is in existence. To God we give all the glory. We indeed appreciate the people who have joined our ranks.

From January 31—February 21, Evangelist Clarence Shrier of Ottawa conducted an evangelistic campaign. God's presence was felt in the services and a number of people professed salvation. Several sought the Lord for spiritual help and God also manifested His healing power in healing those with bodily afflictions. Many new people attended the church during the campaign. Mr. Shrier preached under the anointing of the Holy Spirit and his ministry was greatly blessed of God. He has been invited back for three weeks in May, 1955.

Our pastor, Rev. Ralph Hobson will be conducting a two week evangelistic campaign in the Reformed Baptist Church in Presque Isle, Maine. The prayers of God's people are requested on his behalf. The dates of the campaign are March 30—April 11.

The Sunday morning service of May 30th will be broadcast from the Grace Reformed Baptist Church over radio station CHNS.

The pastor and the young people of the church will be conducting a weekly service at East Dover about 20 miles from Halifax. As soon as road conditions permit, these meetings will commence.

A Spring evangelistic campaign will be conducted in the Halifax Church from May 12—May 23 by the Ritchie Evangelistic Party of Long Island, N. Y.

The Sunday School has been maintaining its increase due to the Christian Life Sunday School Contest. Although we did not win any prize for our efforts we feel well repaid with the ingathering of new boys and girls into the Sunday School.

FROM JONESPORT, ME.

Dear Highway Friends,

Greetings in Jesus' name from Jonesport.

On our arrival here we found the church in good spiritual condition due to the ministry of Rev. and Mrs. G. B. Bridgeo.

Through the cooperation and sacrifice of the church we have been able to realize many improvements on the exterior of the parsonage and garage. Also the interior of the parsonage has had some improvements. The downstairs has been redecorated, a new water system put in, an oil burner in the furnace and a bath room installed.

Since June our Sunday School has averaged 75 in attendance with a record of 89. We are having good interest and attendance in the preaching services. Wednesday evening a lady gave her heart to the Lord.

Our meetings with Rev. Leslie Hicks and Jack and Charlene MacKenzie proved a blessing to the church.

Let us go forward in the name of Jesus our Wonderful Lord.

Yours for souls,

J. A. and Mrs. Moses.
