

Church and District News

FROM WOOD HARBOUR, N. S.

Dear Highway Friends,

Praise God for His wonderful goodness!

We are blessed in our work here in Wood Harbour, N. S. The people have been very kind and thoughtful. At Christmas time we received over a hundred dollars in cards from church members and friends in the community. Some improvements have been made recently on the parsonage and last week the church installed a telephone for our use.

We are holding services Sunday afternoon in Charlesville, a nearby community, and at their request, as soon as supplies arrive, our Sunday School staff has consented to conduct a Sunday School there in conjunction with our own. So far, we are being well received and request your fervent prayers that God will bless this effort and provide us a strong work there that will mean many new souls for His Kingdom. This is a very needy field. Our services are held, with permission of the trustees, in an Advent church which has been closed for over a year. Once a spiritual church, now defeated by the devil. So we know we are in for a battle but there is nothing too hard for our God. We will certainly need your prayers as we venture forth with God's help to try to do what many have said cannot be done.

We are looking forward to a week end of Missionary Emphasis soon with Miss Uta Chase. Our Missionary Society has a box packed to send and hope to pack another before too long a time.

In spite of much sickness, we feel it has been a fruitful year blessed of God as we walked day by day in the centre of His Will.

In His Blessed Service,

Lawson and Dorothy Saunders.

HEAD OF MILLSTREAM

Dear Highway Friends:

Greetings in His wonderful name, Who has redeemed us by His precious blood.

We feel today like praising the Lord for His blessings, and the things that we have seen accomplished since coming here. A number of people have been saved and sanctified, and the property, which was beginning to show the effects of the work that old mother nature can do, today is among the finest looking properties in this farming area, with its new roofs, and a new coat of paint outside on both church and parsonage. Both have also been redecorated inside.

This fall Brother Nicholson, Paul Mullen and I held three weeks' meetings in the church at Norton. We did not see the results that we would like to have, but we got in contact with some fine people who became very interested. The last week Valace Wardon helped us.

I have been holding service there each Sunday since, and I would request that all our people join in prayer for Norton.

In His service,

A. L. and Mrs. Stairs

FELLOWSHIP IN SUFFERING

Our very union with Christ exposes us to sufferings. If we have anything of His infinite compassion, of His keen sensitiveness to sin, of His divine abhorrence of evil, we cannot pass through this sinful world without sharing the burden which made Jesus Christ to be pre-eminently "a Man of sorrows, and acquainted with grief."

F. S. Webster.

It requires much courage to be alone with God. It is then that all of self, all subtle egotism, is searched and hunted out of the soul. It cannot live in His presence. The praise of men becomes as dust beneath the feet, and the soul trembles even to receive any honor of men or to be recognized in this world as of any worth.—Amy Carmichael.

SALVATION FOR THIS LIFE

The Gospel does not bring merely the message of repentance and forgiveness with the dreary prospect of continued sin: it comes not only to forgive the past, but to assure us of a power that will keep us for the future, and put into us a nature that is in its tendency holy and Divine, and leads us to choose the will of God, and obedience to it.—Dr. A. B. Simpson.

"There is a beautiful hymn we sometimes sing, 'Take Time To Be Holy.' It does take time to be holy. We must not live too much in a rush. We need to take time for meditation and prayer and fellowship with God, if we would make any attainment in grace or growth in spiritual insight and character."
