DISTRICT MEETING REPORT

The District Meeting of District No. 6 convened at Halifax, N. S., May 3-6 inclusive. This was the first of such meetings to be held at Halifax since the church there was organized. We thank God for his blessing with us. Although the attendance was somewhat small we feel that the meetings were profitable, and that the messages of God's servants were such that would stir and help all who heard, if they were willing to be "doers of the Word and not hearers only."

A very interesting and profitable business session was held Saturday afternoon. In this business session the following motion was carried: "That two District Meetings of one day duration be held, and that that day be Saturday." The matter of two rather than four of such meetings was decided upon because of the uncertainty of the winter and spring travelling conditions in this particular district. Further business resulted in the appointing of a committee for the organizing of a District Sunday School Convention.

We are trusting and praying that we as a District and the Denomination as a whole will realize gracious blessings in the new year we now face.

PORT MAITLAND, N. S.

Dear Highway Friends:

On Friday, June 5th, about 70 people, members of our churches at Port Maitland and Sandford, gathered at the parsonage for a farewell party. The evening was spent in the playing of games, social talk, etc. Refreshments were served by the ladies, after which Brother Shaw, in behalf of the people, presented us with a purse of money. We did our best to voice our appreciation to the people for their kindness and generosity, but how empty words seem to be at such a time.

We have been with these fine people for five years, and as we leave them our regret is, that we have seen so little accomplished for the Lord. We trust, and hope, and pray that under new leadership many souls shall be gathered in.

May God bless these dear people as they continue in His service.

H. S. and Mrs. Wilson and Harry

QUARTERLY MEETING REPORT

The Quarterly Meeting of District No. 1 is again history but we are praising God for all His benefits. The Quarterly convened with the church at Meductic, June 3 to 6 inclusive. We are happy to report victory through the blood of our Lord and Saviour Jesus Christ.

The Thursday evening message was given by Brother B. M. Hicks, speaking from Matt. 8:30. On Friday evening Brother N. J. Rice spoke from Matt. 11.

The Business Meeting was held Saturday afternoon when encouraging reports were given from the various parts of the Lord's vineyard. Following this, a time of testimony and praise was had and then a season of prayer, which we all felt was of much benefit to the remaining services of the Quarterly.

Saturday evening's message by Brother G. R. Symonds from James 5:8. The Love Feast was led by Brother Kenneth Jewett, speaking from Romans 6:1-12.

The Sunday morning message was given by Brother H. S. Dow, taking as his scripture, Luke 16:1-12. Brother J. A. Owens spoke in the afternoon from Rev. 1:10, and in the evening service Brother G. R. Symonds spoke from I Kings 18:21. Each one of the brethren brought precious truths which blessed our hearts.

We are looking forward again to rich fellowship as we meet at Beulah. May this be the best Camp Meeting ever by the manifestation of the Holy Spirit in our midst.

In the Master's Service,
Alice M. Owens (Secretary)

CONGRATULATIONS

To Storer W. Emmett and Arthur Woodard, graduates of University of Maine. We are proud of these fine Christian young men, consecrated and believe God will continue to use them in the future.

Storer Emmett is organist, music director, and Y. P. director of our church in Old Town. Arthur Woodard is a member of Beals church. We are privileged to have him worship with us in our evening services.

To these young men we wish every success and God's richest blessing. 1 Tim. 4:12.

H. O. and Mrs. McGeorge.

DR. P. WISEMAN'S ADDRESS

After June 30th Dr. P. Wiseman's address will be: Box 473, Amherst, New Hampshire, U. S. A.

THE RUNAWAY BUGGY

Dr. A. A. Hodge tells this story of the great Dr. Witherspoon, Presbyterian clergyman of the eighteenth century.

One day a man rushed into his presence. "Dr. Witherspoon," he shouted, "help me to thank God for His wonderful providence! My horse ran away, my buggy was dashed to pieces on the rocks, and behold! I am unharmed."

The good doctor smiled benevolently at the inconsistent, imperfect character of the man's religion. "Why," he answered, "I know a providence a thousand times better than that.

DR. P. WISEMAN'S NEW BOOK

We have been reading with profit Dr. P. Wiseman's latest book "Biblical Perfection." The title of the book suggests its need because, as is stated in the preface: "In the realm of the application of redemption the word perfection has been misunderstood perhaps more than any other word, unless it would be the word holiness."

The author shows that there is a Biblical perfection, and explains what it is not, what it is, what it includes, and how it is experienced. The chapter headings are: Perfection Among Biblical Expressions, Perfection and Imperfections, Perfection that is Biblical, Perfection Obtained, Perfection Inclusive, and Perfection Involves Christlikeness of Character. Throughout the book the subject is dealt with scripturally and clearly, and should be very helpful and instructive to both ministers and laity. Indeed, while the book may be read through, and ought to be, perhaps a number of times, it contains much material for Bible study. We wish for it a wide reading and a gracious ministry.

Copies of the book may be obtained from Dr. P. Wiseman, Box 473, Amherst, New Hampshire, U. S. A. The price is \$1.25 post paid; to ministers, \$1.00.

AS GOD SEES IT

A story says that a man went to church with an angel as his guide. Every seat was filled, but there was something strange about it all. The organist moved his fingers over the keys, but no music came forth from the organ pipes. The choir arose to sing, their lips moved, but not a sound was heard. The minister stepped to the altar to read the service, but not a word was heard. The congregation joined in the General Confession, but not a single sound was produced. The minister stepped up into the pulpit, and went through all the motions of preaching, but the man with the angel heard nothing. So he turned to his angel guide and said, "What does this mean? I see that the service is being held, but I hear nothing." The angel said, "You hear nothing because there is nothing to be heard. Today you see this service just as God sees it. These people are not putting their hearts into it, so God hears nothing. He hears that which comes from the heart, and not that which comes only from the lips." While the angel was speaking, the man heard the voice of a child in the back pew saying, "Our Father, which art in heaven, Hallowed be Thy Name . . ." And the angel said, "Now you are hearing the only part of this service which God hears. He hears the little one's prayer, because it means what it says, and is putting its mind and heart into it.—Gospel Banner.

I have driven down that rocky road to Princeton hundreds of times, and my horse never ran away and my buggy was never dashed to pieces."

Here is a truth few Christians ever grasp. An accident occurs, and we have a seemingly miraculous deliverance. Immediately we see God's hand in it, and praise Him and tell others of His marvelous act of providence. It never occurs to us to thank Him for the times beyond number when we were spared even the accident.—Charles E. Bayley.
