

## BEULAH YOUTH CAMP—1955

Rev. R. H. Hobson

Calling all young people!! Beulah Youth Camp will be conducted this year from Friday, July 22 - Sunday, July 31.

This year the camp fee will be \$10.00 for the ten day period. There will also be a registration fee of 50 cents. This registration fee will also cover accident insurance on the camper. It is requested that registrations be sent to the Camp Director, Rev. Ralph Hobson, 59 Windsor Street, by no later than July 15. Not only are we requesting that youth campers send in their registration before camp commences this year, but it is a regulation. In the youth camp publicity folder which you will be receiving through your own church, there will be a registration form. We ask that you fill in your name, address, age and whatever other information required on the form. Then with fifty cents, send your registration form to the Camp Director.

Youth Camp this year will be especially for HIGH SCHOOL STUDENTS and JUNIOR OFFICE WORKERS. The camp program will be designed and planned to appeal to the young people in these brackets.

Rev. Ralph Ingersoll will be camp evangelist. Other camp workers will be announced at a later date.

Besides the spiritual program which will be planned to meet the spiritual needs of High School students and young office workers, there will be attractive social and recreational programs. There will be soft ball, horse shoes, volley ball, swimming, water sports, hikes, badminton, etc.

On week nights there will be Fellowship Centre following the evening service. Following Fellowship Centre there will be the Tuck Shop. The entire period will be packed with interesting features and fun for the campers.

We are pulling for at least 100 youth campers this year. Why not plan to attend YOUR Youth Camp this summer and enjoy a spiritually enriching, physically refreshing vacation on the beautiful Saint John River at Beulah Camp Grounds. Young People's Societies see how many young people you can encourage to attend Youth Camp. Why not send a young person to Beulah Youth Camp as an award of merit in a contest or some project. Help make this year's Beulah Youth Camp the best ever for the glory of God. We'll be seeing you!

### YOUTH CAMP TESTIMONIES

Margaret MacArthur, Island Falls, Me., says:

"I'm glad I can testify to His saving, keeping power that is the same, only sweeter, than it was at camp.

"I still remember—and it is doubtful that I'll forget—the good times and fellowship I enjoyed at Y. C. last year. The classes and recreation during the day were certainly a help and inspiration, and when climaxed by the evening sermon and fellowship hour, made memories to be cherished, never to be forgotten.

The acquaintances I made there have created an interest in other parts of our denomination and mission field.

"I hope that similar experiences and fellowship will be enjoyed by others through this camp. I pray that the camp will be kept open for those who cannot afford in some way to attend Beulah Y. C."

Paul Main, Island Falls, Me., says:

"As a young person I would like to say that leading a Christian life is far better and more satisfying than anything this world has to offer.

"I have in my heart a very warm feeling for Riverside Youth Camp, for it was there that I was sanctified and had my desire for the sins of the world taken from me. It was there, also, that I was called to missionary work. I do not know where this will be, but I do know that wherever He leads me, I will follow.

"The Riverside Youth Camp is a wonderful place for God to pour out His Spirit. The leaders are wonderful, the environment is perfect, and great things are done there among young people."

Rhodena Nicholson, Island Falls, Me., says:

"I can't express the joy I get out of going to Youth Camp. I found spiritual help and encouragement. God blessed me and I was helped by being with other Christian boys and girls.

"I am planning to go to camp next summer if there is to be one. I pray there will be."

### MEDUCTIC'S FIRST REPORT

On December 30, 1954, we organized a Young People's Society. There were eight young people in attendance at our first meeting. We now have twenty-eight members in the society.

The officers elected were as follows:

President—Vallis Warden.

Vice-President—Fred Whitley.

Secretary-Treasurer—Patricia Jewett.

Pianist—Lilyan Jewett.

God is really working in Meductic. Three young people, one little boy, and three older people, have given their hearts to the Lord. We feel God is talking to hearts, and we are spending extra time in prayer and looking for greater things ahead! Praise His wonderful name!

Patricia Jewett,  
Secretary-Treasurer

## DICK WRITES UNCLE NED

Dear Uncle Ned,

Thanks a lot for your letter. I guess you are right about girl friends—a fellow has lots of time to think about them.

I keep pretty busy with school, church, and music. I have been practising a piece on the trumpet for Easter Sunday. It takes a lot of practice to get a piece in good shape.

I don't know whether I'll have to give up band or not. Last week Mr. George said that we may have to practise on Wednesday night. I told him that that would let me out because that is our prayer meeting night. I figure that I can't afford to miss prayer meeting even though I like band. Ever since I consecrated my life to the Lord at youth camp, I've been trying to put God first. I have been a lot happier, and living a Christian life has been a lot easier.

I used to listen sometimes to hockey games on Sunday, but this winter I didn't feel right about it. I felt that it was as wrong to listen to hockey games on Sunday as it was to play. I guess that it will be the same with baseball.

The idea of the fishing trip sounds good to me. You say when (some Saturday) and I'll catch a bus to Brandon.

Affectionately,

Dick

## SANDFORD PRESIDENT WRITES

We would like to take this opportunity of writing to the Y. P. Page. I know we each enjoy hearing from other societies and I believe it has been sometime since we have reported from our group.

Our services are held each Friday night with a very good attendance, especially during the past few months. During the winter months we have been meeting in the various homes and have especially enjoyed the fine messages from our Pastor, Mr. Gorman, who is able to be with us each night. Our meetings usually take the form of a singsong, prayer, a special number in song, and a roll-call answered by a verse of scripture, with our devotional period being led by either Mr. Gorman or one of the young people. At the close of many of our services we have enjoyed a social time with a Bible Quiz, contests, etc., and refreshments are usually served. During the summer months we will be conducting our meetings in the church with one night a month devoted to a social.

As a group we have enjoyed these meetings and anticipate a year of great blessing and trust we will have more young people added to our Society.

We are looking forward with great interest to our forth-coming Y. P. Rally in May and hope many of our young people will be able to attend.

Evelyn M. Landers, Pres.

## TRURO RALLY

The one-day district rally held at Truro on Good Friday was a time of inspiration and blessing.

Lic. Karl Gorman of Sandford was an instrument of the Lord in the preached word.
