

## From Our Pastors

Greetings in Jesus' wonderful name. Recently we had a series of Revival Meetings with Rev. & Mrs. R. C. Stabler of Montoursville, Penna., our first Youth Camp evangelists at Beulah. Our meetings were owned and blessed of the Lord from the first service. Attendance was good throughout and a good number at the altar for prayer to be saved or sanctified.

Our Sunday Services are well attended, with many new people coming in. Our Sunday morning services are a real challenge.

Sunday School attendance is on the increase. And our Young People's work is very encouraging. The Holy Spirit is moving on the hearts of the people in answer to prayer.

We are praying for an old-fashioned, heaven sent revival, that will move men and women to God. Recently a good number of people met at the parsonage and gave us a good supply of groceries. We appreciate their kindness, and pray God's richest blessing upon them.

I would also like to mention a Youth Rally held here. It was an all-day meeting, some of the best services I have been privileged to attend.

Morning service 10.30 led by Roy Farley, with Rev. J. A. Moses bringing a stirring message.

Afternoon service 2.30 Rev. Milton Bagley our special special speaker, brought a fine message.

Evening Service: An old fashioned holiness meeting with a real Camp meeting atmosphere and a good number at the altar.

Rev. J. A. Blinn brought a real stirring message, and many are still talking about that Rally.

Remember us in Prayer.

Yours in Calvary,  
H. O. McGeorge

It is our privilege to send, "Greetings to the other Churches from our Beals Church". We arrived here at Beals, July 18, and we can truly say that the past three months have been ones of Church activity. We would like to share our experiences with you by telling you of some of the events in the Church work.

Our first Special Event was our D.V.B.S. which commenced on August 4th, featuring a week of "Sailing with Christ." Workers for the school included a number of qualified teachers from the Church assisted by my wife, and I. It was a joy to realize one of the largest attended D.V.B.S. ever to be held in this Church, with an average attendance of 54, and a total enrolment of 89, including a Young People's Class that was held in the parsonage every evening during that week.

September 2-4 marked another special event — Our local Youth Rally. We all appreciated very much the privilege of having the Bethany Trio with us at that time. The interest ran high during those meetings, and our hearts were challenged with the messages brought by Lic. Stillman Cameron, and Lic. Stewart Steeves. Cedric Landers lead the singing, and Miss Ethel Cochrane accompanied on the piano. We were pleased with the fine attendance which was climaxed when the church was filled in the Sunday afternoon service.

We do not consider these as past events, but rather as factors which have been directly beneficial to our church. One of the results has

been the organization of a Youth Fellowship Group. This is a weekly meeting of the young people in the parsonage, for the purpose of studying God's word, and enjoying Christian fellowship together. These services have been well attended, and we feel that here is a great challenge, and opportunity to reach the youth for Christ, and build a firm foundation for the church of tomorrow.

Men, women, boys and girls are becoming enthused over the Sunday School. Our hope had been for an 80 on Rally Day, but because of united effort the attendance was 97. What did encourage our hearts is that after Rally Day we did not drop back to the fifties, but rather have had 75 and 80 for the last two Sundays. We are already anticipating setting a new record by the time next Rally Day rolls around.

We look forward to many more good things in store for us in the near future. Plans are being made for a Missionary Convention in the near future. The Barker's Point Trio has promised us a week-end soon, so we are eagerly awaiting these events, and praying that God will bless.

As we work, and pray together we believe that the Lord will continue to bless, and save souls that His kingdom may be built up in this place.

Yours for Souls,  
Lic. & Mrs. Glendon Kierstead

Yarmouth, N. S.

Dear Highway Friends,

Greetings from Yarmouth, N. S. We want to say a few words concerning the work of the Lord here.

Although my duties as pastor of the College Church did not begin officially until September 25, I have been serving the church as pastor since June 15. I want to express a special word of thanks to those who were so faithful through the summer months when our numbers were few. Their loyalty was a real source of inspiration and blessing to me.

With the return of faculty and students, our church received a much needed "boost." Since the opening service of the school year there has been a fine spiritual atmosphere. Needy souls have been getting spiritual help both in the regular services and in places of private prayer. One young man found Christ for the first time in his life while kneeling alone one night at the chapel altar. For this manifest blessing of the Lord upon us, we give God all the praise.

A new record of 96 was established in the Sunday School Rally Day. Such signs of interest and concern are indeed encouraging.

The Quarterly Meeting held at Yarmouth Oct. 13-16 was a source of blessing. On Sunday a capacity crowd of over 200 was present in each of the three services. Following the Sunday morning service, the entire congregation bowed upon its knees in earnest prayer and intercession to God.

We are looking ahead anxiously and prayerfully to the dates Nov. 6-13 when Rev. J. H. MacGregor will be our evangelist for a special week of revival. We greatly desire the prayers of God's people for our work in Yarmouth. We continue to praise God for all His goodness.
